Before you start...

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

Read instructions carefully, and check that no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

DO NOT over-tighten screws or use a drill. Only professional assemblers should use a drill.

If you need further assistance, please contact us via www.castlery.com/contact-us.
