Before you start...

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

Read instructions carefully, and check that no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

DO NOT over-tighten screws or use a drill. Only professional assemblers should use a drill.

If you need further assistance, please contact us via www.castlery.com/contact-us.

Care Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.

General Care

- Position the coffee table away from direct sunlight or use curtains or blinds to limit the exposure.
- Clean the coffee table regularly with a dry, soft cloth.
- To remove stubborn stains, blot affected area immediately with a soft white cloth soaked in warm water and mild soap. Then clean off using a dry cloth.
- Avoid using abrasive cleaners.
- You may place felt pads or a rug underneath the table to prevent scratches on the floor. Placing a Castlery rug underneath can add the right amount of protection and shine to your living space!
- We recommend putting placemats or coasters underneath hot objects on the wood to prevent discolouration.
- To maintain the glamour of the wood frame, apply soft paste wax annually, or more often, if the wood is dry.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.

We hope to see you soon!
