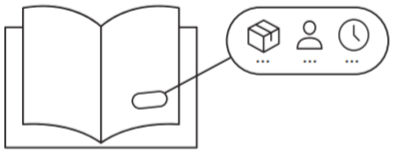
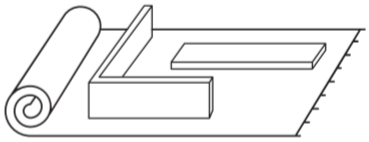
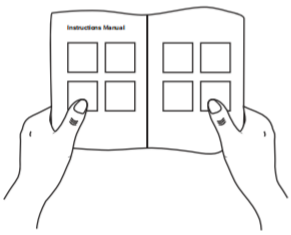
Before you start...



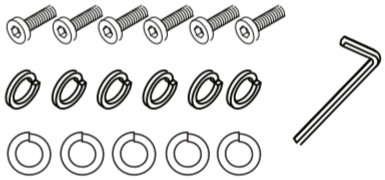
Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.



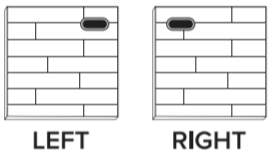
Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.



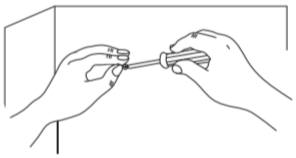
Read instructions carefully, and check that no parts are missing.



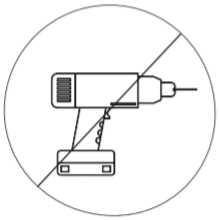
Lay out all hardware on a soft surface so you can easily identify them.



Carefully identify all components to differentiate which pieces are left and right.



Carefully install your new product following the instructions stated. Don't skip ahead!



DO NOT over-tighten screws or use a drill.
Only professional assemblers should use a drill.

If you need further assistance, please contact us via **www.castlery.com/contact-us**.

Care Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity

General Care

- Ensure wiping mirror clean with warm water before drying it with a dry microfibre cloth.
- Only wipe mirror using small circular motions and light pressure to prevent scratches.
- Avoid using paper towels as they can be abrasive and inclined to cause scratches.
- Avoid using acid or alkali cleaning solutions on mirror as these substances may cause chemical damage on the front surface, edges, and backing of the mirror.
- Ensure the edges and backing of the mirror are dry. Wet areas may damaged quicker or create water spots around the mirror.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.

We hope to see you soon!
