# Before you start...

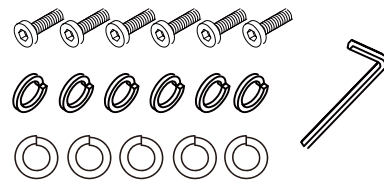

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

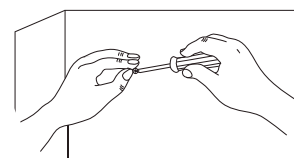

Read instructions carefully, and check that no parts are missing.

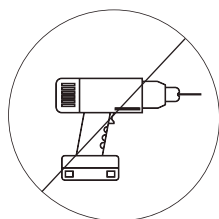

Lay out all hardware on a soft surface so you can easily identify them.

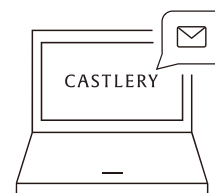

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

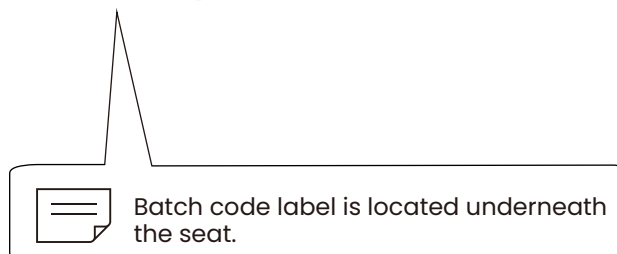

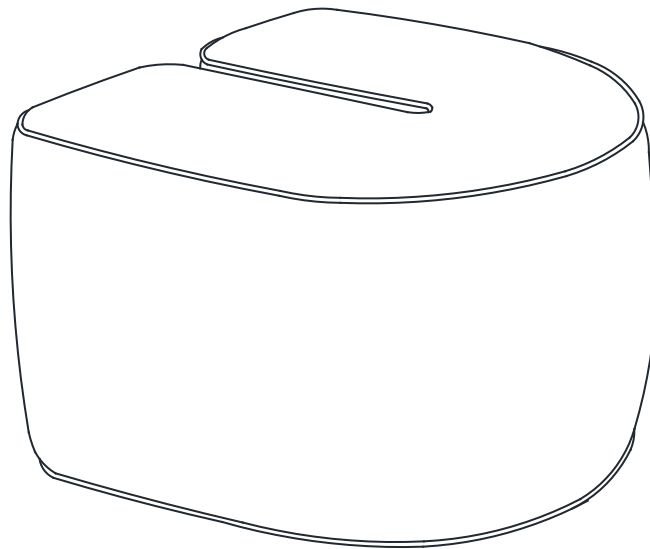

**DO NOT** over-tighten screws or use a drill. Only professional assemblers should use a drill.

If you need further assistance, please contact us via [www.castlery.com/contact-us](http://www.castlery.com/contact-us).

# Overview

There are inner box(es) that include components required to complete this assembly.

Please do not completely tighten all the hardware, until each assembly step is complete.

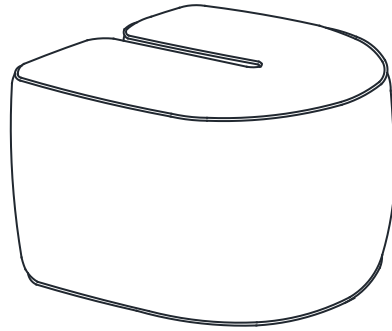

Before discarding the packaging, please use the checklist to ensure that you have all the parts required to assemble your product. Please kindly note if applicable please keep the original package when you want to return the product later.

**Congratulations, we're almost there!**  
**Please perform the following checks:**

Always lift your Castlery product when moving it to your preferred location. Levelers (if any) may slant if you drag your product.

Finally, clean the product with a damp cloth.

You're all set! Enjoy your new living space, thanks to the addition of your Castlery product.

Note: Your actual product may have minor size differences due to manual measurements.

# Care

## Instructions

**Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.**

### **General Care**

- Avoid prolonged exposure to direct sunlight and keep sofa away from any heating source to prevent fading or discoloration.
- Using a brush attachment, vacuum the sofa regularly to remove any dust particles.
- Blot spills immediately and gently with a clean microfiber cloth. Do not rub.
- Professional cleaning is advised for tough stains.
- Avoid sitting on the sofa when wearing clothing that may cause colour transfer.

### **Fabric care**

- Piling may occur because of wear and tear and can be easily removed with a fabric comb or fuzz remover.

**Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at [www.castlery.com](http://www.castlery.com).**

**We hope to see you soon!**
