Before you start...

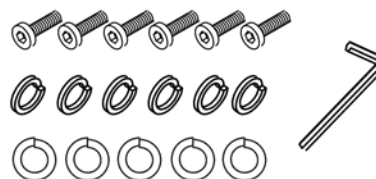

Check that you have received all cartons and familiarize yourself with the assembly requirements. This includes setting aside the allocated time required and having someone to assist you, if needed.

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

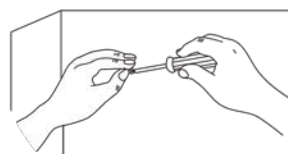

Read instructions carefully, and check that no parts are missing.

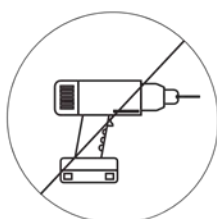

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components to differentiate which pieces are left and right.

Carefully install your new product following the instructions stated. Don't skip ahead!

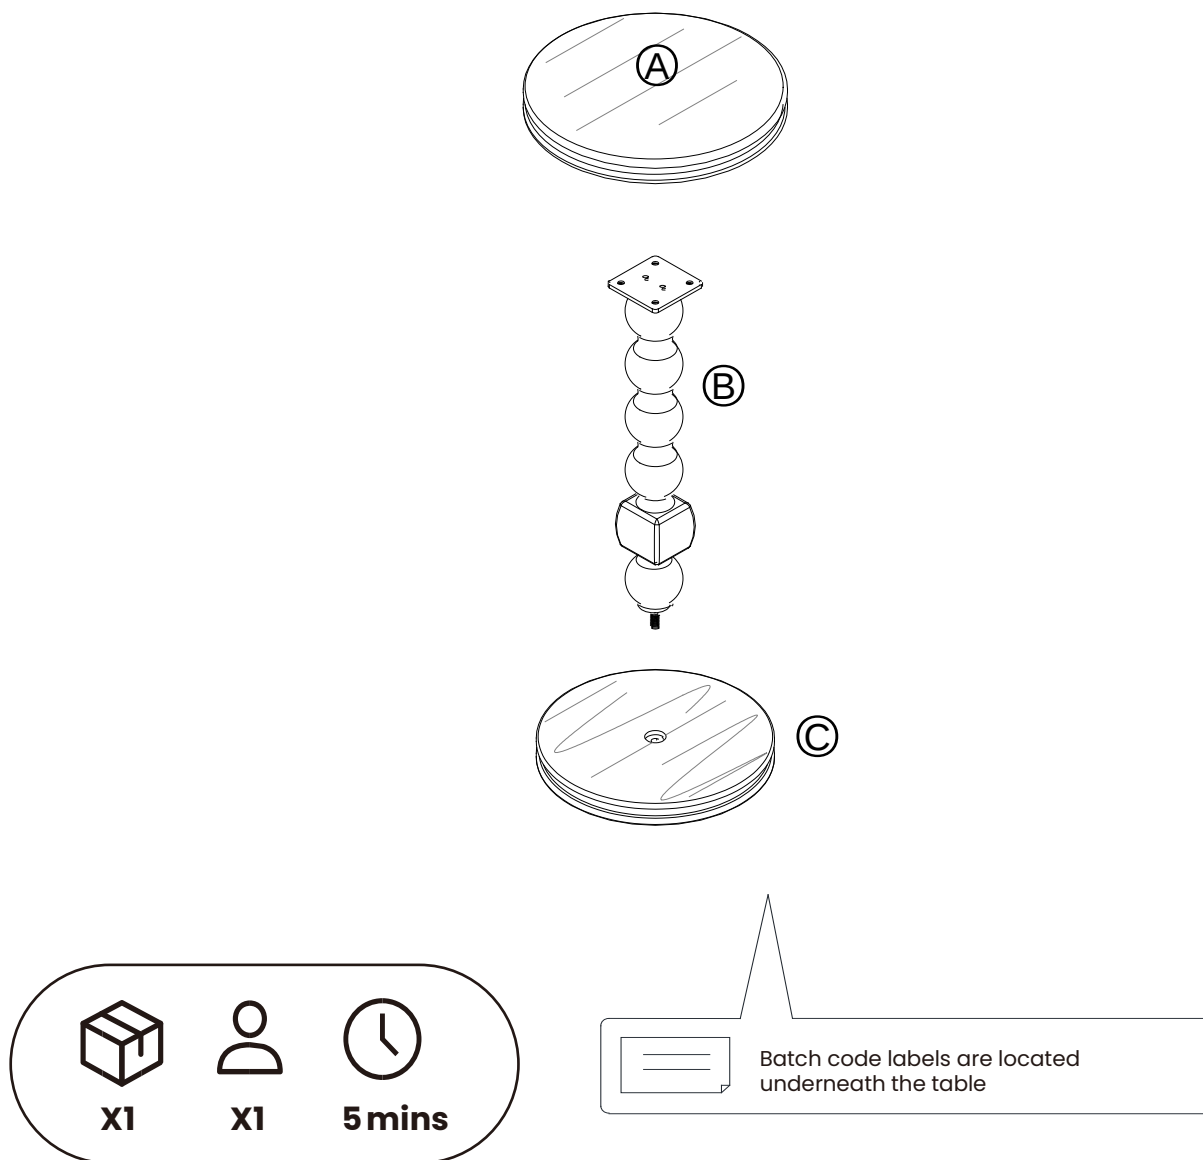

DO NOT over-tighten screws or use a drill. This will damage the product.

If you need further assistance, please contact us via www.castlery.com/contact-us.

Overview

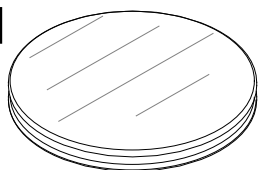

The bolts are in a red PE bag within box 1.

Ensure all bolts are tightened

Congratulations, we're almost there!
the following checks:

1. Ensure all bolts are tightened.
2. Do not miss bolts installation.

Always lift your Castlery product when moving it to your preferred location. Levelers (if any) may slant if you drag your product.

Finally, clean the product with a damp cloth. You're all set! Enjoy your new living space, thanks to the addition of your Castlery product.

Note: Your actual product may have minor size differences due to manual measurements.

Care Instructions

Your furniture, if treated with respect and love, will last you a long time. Each piece requires light maintenance to maximize its longevity.

Travertine Table Care

- Travertine is a porous stone so remember to wipe spills immediately.
- Acidic foods and liquids will stain and etch the travertine surface quickly. In case of accidental spills, soak up with a dry soft absorbent cloth immediately. Additional cleaning with a damp cloth may be needed. Buff dry.
- Do not put hot objects on the surface.
- Dust with a soft, dry cloth and clean with a slightly damp cloth.
- Do not use abrasive cleaners.
- Avoid placing rough or sharp objects on the surface.
- Use coasters or placemats and trivets where possible, to prevent discoloration of the surface.
- Keep furniture away from direct heat or sunlight.
- Lift when moving, do not drag.
- Periodically check that all connections are tightly secured.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.

We hope to see you soon!
