Care instructions

Your Castlery piece is built to last. Treat it with love and respect—it will reward you for years to come.

Fabric Sofa & Wooden Legs Care

General Care

1. Do not sit on sofa arms and/or back frame.
Always move the sofa by lifting it at the base, do not drag.
2. Avoid prolonged exposure to direct sunlight and keep sofa away from any heating source to prevent fading or discoloration.
3. Vacuum the surface regularly to remove any dust particles.
4. Blot spills immediately and gently with a clean microfiber cloth. Do not rub.
5. Professional cleaning is advised for tough stains.
6. Avoid sitting on the sofa when wearing clothing that may cause color transfer.
7. For removable cushions, flip, rotate and fluff the seat and back cushions regularly to prolong their lifespan and keep them plump.
8. For non-removable cushions, to straighten folds and creases that form on cushions after prolonged use, smooth the surface with your hands and tuck any excess upholstery into the sides of the cushions.

Fabric Care

1. Due to wear and tear, piling may occur. This is a normal occurrence and can easily be removed with a fabric shaver or fuzz remover.

Velvet Care

1. To straighten light creases, set your steamer at a low heat setting and steam in the direction of the pile.
