Owen II Left & Right Arm 2 Seater Sofa

Assembly Instructions & Care Guide

CASTLERY

Hello there.

We're thrilled this Castlery piece has made it home.

We obsess over every joint, stitch, and finish because we design for real life—the spills, the lounging, the hosting, and the years that follow. So having a place in your home means a lot.

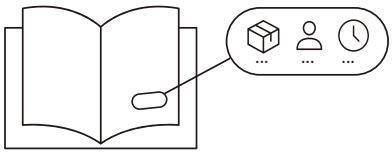

You're about to set it up and we've kept the steps simple. When you're done, share a photo or leave a review with #**AtHomeWithCastlery**. We love seeing our pieces in your homes.

Thanks again for choosing Castlery. Let's get building.

Before you start...

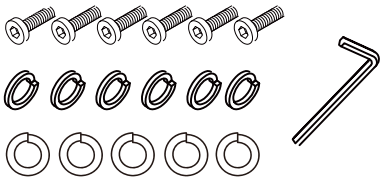

Confirm you have all cartons, review the assembly steps, set aside time, and get others to assist if needed.

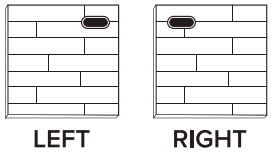

Ensure enough space for assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

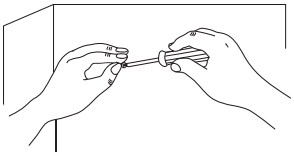

Read instructions carefully, and check that no parts are missing.

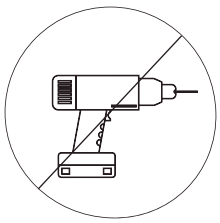

Lay out all hardware on a soft surface so you can easily identify them.

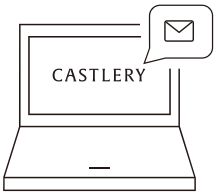

Carefully identify all components to differentiate which pieces are left and right.

Follow the instructions closely. Don't skip ahead!

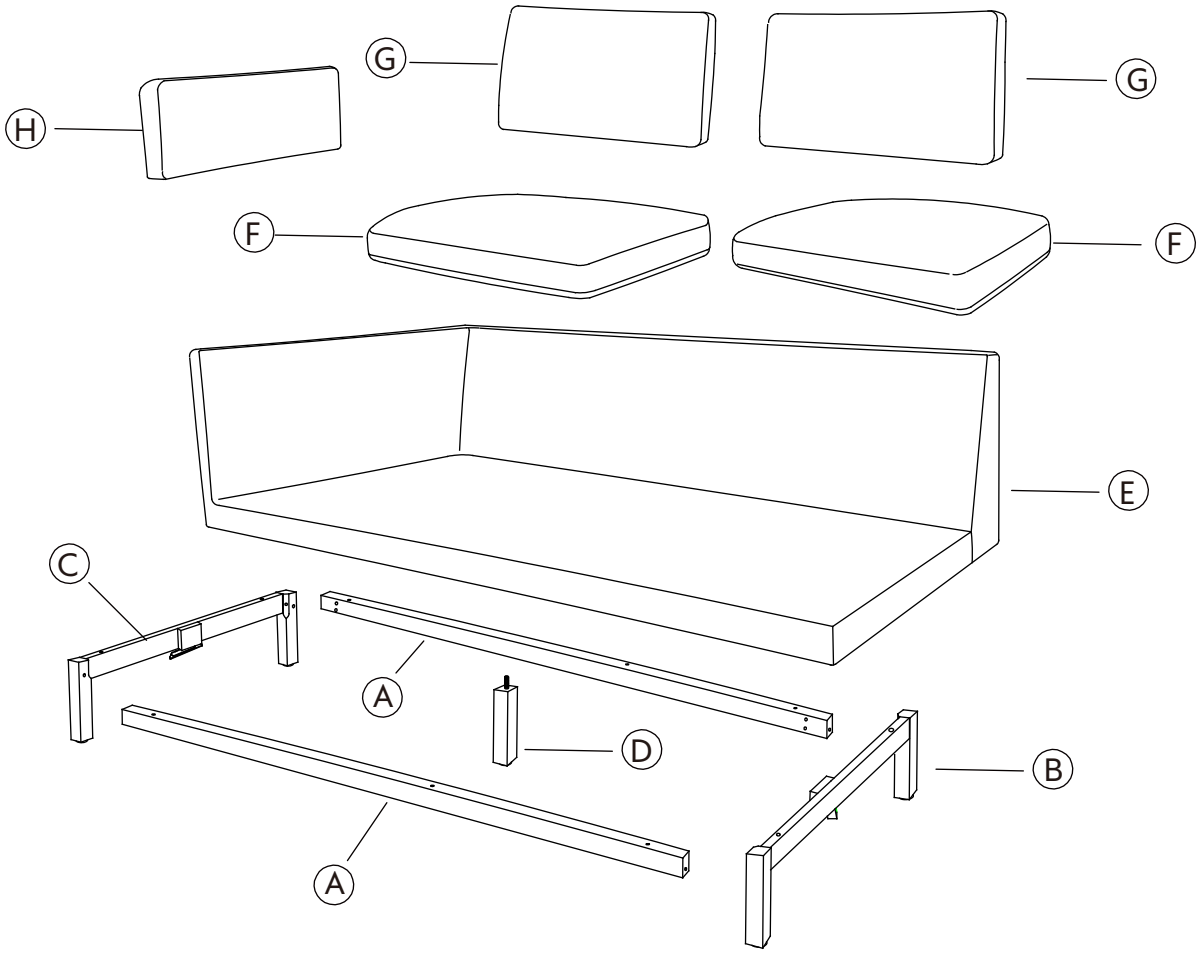

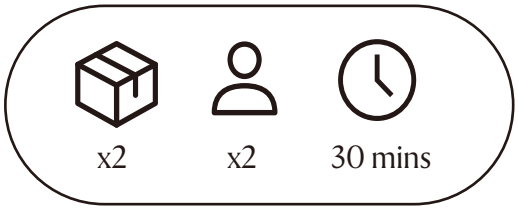

DO NOT over-tighten screws or use a drill.

How to Disassemble?

To disassemble the sofa, lift the sofa with the reinforcement fitting and push it away.

Care instructions

Your Castlery piece is built to last. Treat it with love and respect—it will reward you for years to come.

Upholstered Sofa Care

General Care

01 Always move the sofa by lifting it at the base, do not drag.

02 Avoid prolonged exposure to direct sunlight and keep furniture away from any heating source to prevent fading or discoloration.

03 Vacuum the surface regularly to remove any dust particles.

04 Blot spills immediately and gently with a clean micofiber cloth. Do not rub.

05 Professional cleaning is advised for tough stains

06 Avoid abrasive cleaners and placing rough or sharp objects on the surface.

Fabric Care

01 Pilling may occur because of wear and tear and can be easily removed with a fabric comb or fuzz remover.

Leather Care

01 Use a leather conditioner to keep the leather soft and supple — let dry before sitting.

02 Avoid placing sharp items on the sofa, like keys or scissors.

03 A patina or slight sheen will develop on the surface of the sofa over time and is part of normal wear and tear of leather that adds character to the sofa.

Follow the care instructions and look after your furniture. In return, your furniture will look after you. For more information on our care instructions, visit our product website at www.castlery.com.
