

## SELECTION CRITERIA

Applications to be made via the online submission form found at

<https://caudit.questionpro.com.au/2025CAUDITawards>

You have the option to save your progress on the form and come back to it later by clicking on the '**Save and Continue Later**' text located at the bottom of each screen. An email will be sent to you containing a link that allows you to resume from where you left off.

**Warning:** The criteria responses are on the final page before completing the application. You cannot partially complete and return later using "Save and Continue" on this page. We suggest drafting your responses in a Word document and then copying them into the online application.

All criteria must be answered.

We encourage early submission to avoid any last-minute issues.
