QUICK REFERENCE DANCE GENRES

Take **TAP** if you like rhythms and sounds

Tap develops a strong sense of rhythm, coordination and agility by creating sounds with the feet.

Take **BALLET** if you like feeling royal and poised

Ballet develops discipline and technique that is essential to all forms of dance, as well as proper posture, placement, alignment.

Take **JAZZ** if you like to move and groove

Jazz is stylized dancing that is energetic and fun. It focuses on developing proper technique, flexibility, leaps and turns.

Take **LYRICAL/CONTEMPORARY** if you like to dance from your soul

Lyrical/Contemporary combines the technical elements of dance with feelings and emotions. It tells a story through fluid and smooth movement.

Take **ACRO** if you like to tumble and stretch

Acro focuses on tumbling, cartwheels, bridges, and walkovers. It focuses on flexibility, strength, balance, and agility.

Take **HIP HOP** if you like trendy music and dances

Hip Hop is a freestyle form of dance that stems from the roots of jazz, but incorporates modern urban movements and is performed to modern music.

Take **Theatrical Jazz/Ballet** if you like Broadway

Theatrical Ballet/Jazz mimics Broadway performances and is fun, energetic, showy and stylized. Focus is placed on connecting with the audience and facial expressions.

Take **ADULT CLASSES** if you want to learn a new skill or brush up on our technique

Our Adult Program is designed for novice to experienced dancers. Dance is a great form of exercise and socialization in a fun, energetic, and welcoming atmosphere.

NEW THIS SEASON RECREATIONAL DANCE LEVELS

DISCOVERY LEVEL - Grades K-12

Classes in our **DISCOVERY** Level are designed for dancers of all ages who are new to that genre of dance and/or new to dance all together. These classes will focus on the terminology, fundamental movement and history for that genre of dance. We also recommend the **DISCOVERY** Level for any dancers who are moving from PreSchool to Grade School classes. While our PreSchool Program does focus on genre specific skills and terminology, we have found that dancers feel more confident and retain more knowledge in this type of class environment versus being in a class with older dancers who may have already had experience the previous season. If your dancer does excel beyond the **DISCOVERY** Level, your dancer's teacher may opt to move them to a **DEVELOPMENTAL** Level class once the year gets started.

DEVELOPMENTAL LEVEL - Grades K-12

Classes in our **DEVELOPMENTAL** Level are designed for dancers of all ages who have experience in that genre of dance. These classes will focus on continuing terminology, movement and history for that genre of dance. The **DEVELOPMENTAL** Level classes will be taught at a more accelerated level so that dancers can remain challenged and engaged in the genre. While these classes will be more curriculum based, dancers will still enjoy a fun atmosphere that is centered in the Recreational Department. **DEVELOPMENTAL** Level classes are a stepping stone into our Performance & Competitive Teams.
