

WORKSTORM™

Legal collaboration community.

Collaboration moves law firms forward.

Collaboration platforms will only take hold within the legal industry if the software is customized to the way law firms and legal departments work.

You have an exclusive opportunity to join a limited number of forward-thinking law firms in the Workstorm Legal Collaboration Community.

PARTNER

We will team up with law firms to identify the customizations needed in Workstorm to support the various litigation, transactional, and administrative workflows in a law firm.

FEEDBACK

Providing suggestions on new solutions and features, you will play an integral part in the future enhancements of Workstorm.

SOFTWARE

You will receive access to the Workstorm platform and updates, with aggressive pricing and other benefits only available to Workstorm collaboration partners.

Join us in shaping the future.

As an early adopter of Workstorm, you will help guide the future of the leading collaboration tool for the legal industry.

BUILD

We will build out workflows based on feedback from the Workstorm Legal Collaboration Community.

CUSTOMIZATIONS

Workstorm will be integration partners with established legal products, connecting Workstorm to business systems within your law firm.

SUPPORT

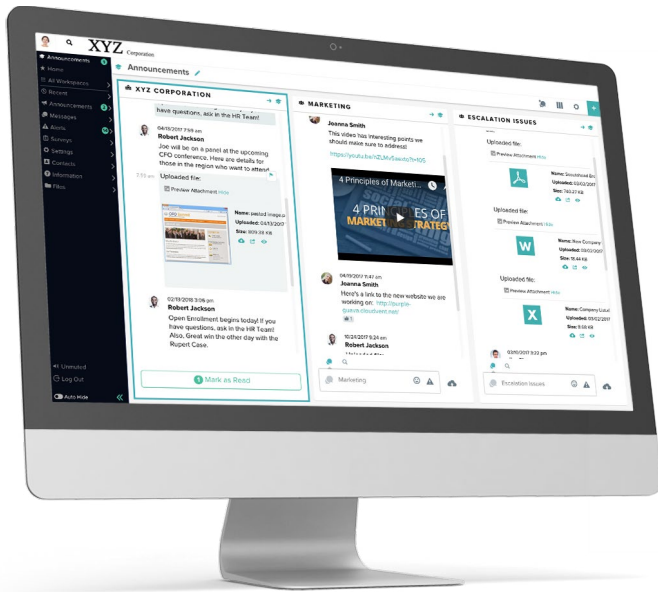

You will receive installation, support, and training over a two year deployment to ensure your firm embraces the platform at a pace appropriate to your environment.

NETWORKING

Across the Workstorm Collaboration Community, you will connect with other like-minded law firm leaders to gather feedback, get answers, and learn workflows within the product.

Create a Workstorm with us.

About Workstorm

Workstorm is a one-stop, user-friendly platform that combines all forms of communication including: email, video chat, screen sharing, and file sharing to name a few. So details are never missed, wires are never crossed, and everyone stays on the same page.

All-in-one communications platform

PLUS:

- DATA RETENTION
- REGULATORY COMPLIANCE
- PRIVACY CONTROL
- KNOWLEDGE MANAGEMENT
