CHRISTIAN BROTHERS UNIVERSITY STUDENT HEALTH FORM

TENNESSEE STATE LAW requires all students entering Christian Brothers University to provide documentation showing their immunizations are up-to-date. Documentation must contain proof of 2 MMR and 2 Varicella immunizations or proof of immunity. The MMR is the combination immunization for the Measles, Mumps, and Rubella and the Varicella immunization is for Chicken Pox.

Every fall semester, enrolled students must provide proof of the seasonal flu vaccination by October 15. If the student is starting in the spring term, proof must be received prior to the start of the semester. For more information, visit www.cbu.edu/flu.

IMPORTANT NOTE: Acceptable documentation of immunizations must be submitted to the Office of Admissions — or Graduate program administrator — before a student can attend as a full-time student. This form is required for all students. Forms missing personal information, such as the Student ID number, will take additional processing time and will delay the student’s ability to register for full-time credit hours. For questions concerning immunization requirements, please call the Health & Prevention Services Office at (901) 321-3260.
