

COVID-19 Quarantine Protocol & Expectations

Christian Brothers University Campus Houses

In accordance with the Center for Disease Control (CDC), quarantine is necessary when you have been in close contact (within 6 feet of someone for a total of 15 minutes or more) with someone who has COVID-19, unless you have been fully vaccinated. People who are fully vaccinated do NOT need to quarantine after contact with someone who had COVID-19 unless they have symptoms. Quarantine helps prevent spread of disease that can occur before a person knows they are sick or if they are infected with the virus without feeling symptoms. People in quarantine should stay home, separate themselves from others, monitor their health, and follow directions from their state or local health department.

Christian Brothers University (CBU) is following the guidelines outlined by the CDC and the Shelby County Health Department. As such, your quarantine period will last a period of seven to ten (7 to 10) days from your date of last contact to a COVID positive individual. Between days three and five of your quarantine, a COVID test will be scheduled for you in Health Services.

Bettye Durham, Coordinator of COVID Operations, will be your primary point of contact during your quarantine period. Please add her number to your phone. She can be reached via cell phone at (901) 409-4635, work phone at (901) 321-3254, or email at Bettye.Durham@cbu.edu. She also utilizes WhatsApp.

If you find that you need anything during your stay, contact Bettye Durham. Additionally, you can call Student Development & Campus Life (SDCL) at (901) 321-3531 or Campus Safety at (901) 321-3550. If maintenance issues arise during this time, contact Bettye Durham and Campus Safety.

DO NOT LEAVE THE HOUSE UNLESS FOR A MEDICAL EMERGENCY.

During your time in quarantine, Christian Brothers University expects the following:

- **Do not leave the house that you have been assigned.** Also, no one is allowed to enter the house or visit without prior authorization from Christian Brothers University staff. This is for your safety and the safety of others. If you decide to return to your home to complete your quarantine, please notify Bettye Durham or the Office of Student Development and Campus Life.
- CBU will make welfare checks to check your physical and mental well-being during your time in quarantine. Make every effort to answer your phone or the door when a CBU staff member calls or visits. **MAKE SURE TO WEAR YOUR MASK WHEN INTERACTING WITH ANY CBU PERSONNEL**
- Trash pickup for the area is on Thursday. Please remove all trash from the house and place in the trash receptacle provided by the City of Memphis.

I, _____, understand that due to exposure to a COVID positive case, I must complete at least seven to ten (7 to 10) days of quarantine. I understand that the rules and expectations set forth in the CBU Compact for Residential Students will be applicable during my time in quarantine; henceforth, I understand that if I am found in violation of any of these rules, disciplinary action can and will be taken against me by the University.
