## Art Dubai This Weekend

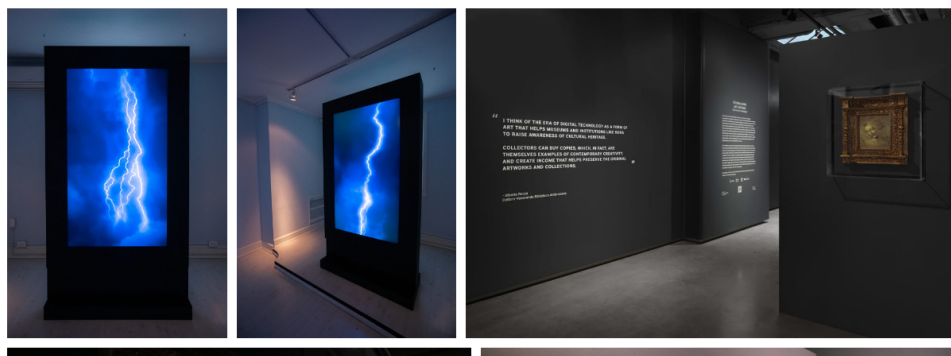

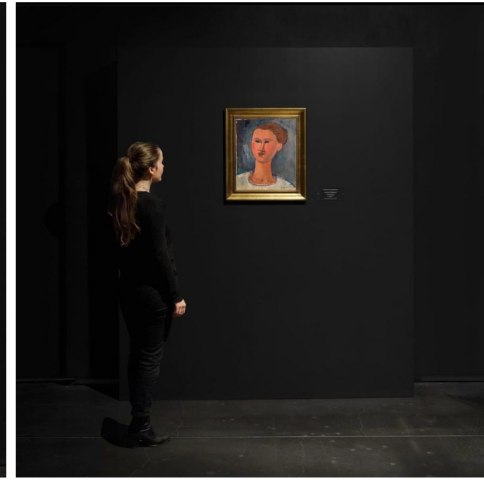

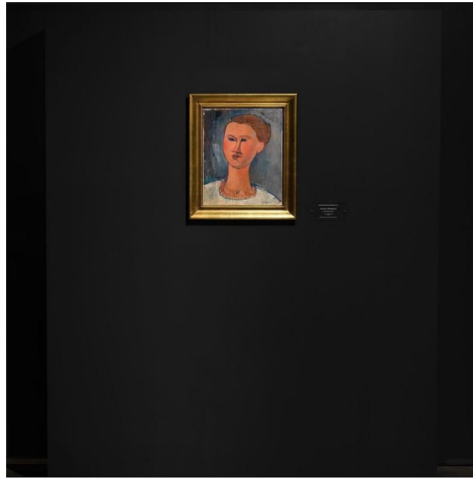

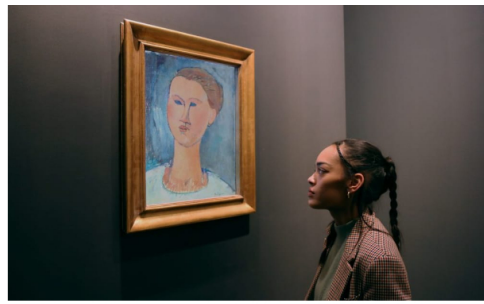

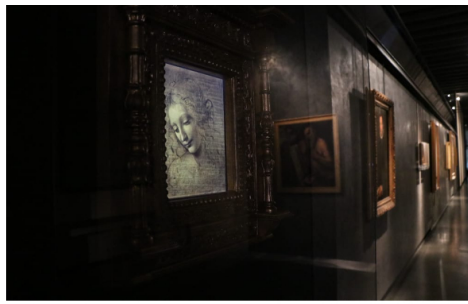

Heading to Dubai for the weekend? Then check out Art Dubai and make sure to see Italy's [Cinello](#) and immerse yourself in the captivating world of art as Cinello unveils its Digital Artwork (DAW®) initiative at ART DUBAI 2024. Experience the magic of iconic Italian masterpieces by Da Vinci, Raphael, Modigliani, and more, brought to life digitally with meticulous precision and authenticity.

In an exclusive collaboration with leading museums worldwide and contemporary artists, Cinello introduces a groundbreaking experience for art enthusiasts, collectors, and heritage aficionados. Each DAW® serigraph is meticulously numbered, authenticated, and framed, representing a harmonious fusion of heritage and technology.

At the fair (by IMMATERIKA booth), Cinello will also showcase contemporary digital artists who have fully embraced DAW® technology to seal their pieces. From internationally acclaimed masters like Fabrizio Plessi to emerging talents like Matteo Mandelli and fuse.

Rumor has it that Qatari collectors are already putting their hands on some of the masterpieces, classic and contemporary, here in Doha but also in their houses in London and Miami. While we hope Cinello will come to Doha soon, let's get a taste of Italy at ART DUBAI 2024.
