Discover to Leonardo da Vinci

In Florence, Museum dedicated to the life and inventions of the great Genius

Saudi Arabian Airlines is co-sponsoring the first-of-its-kind exhibition by the Italian artist Leonardo da Vinci on aviation works and machinery. The participation of Saudi Arabia comes within the framework of cultural cooperation between the Kingdom and Italy.

The exhibition, which opened its doors to visitors starting last Saturday, is organized at Dar Sharbatly in the historical area of Jeddah, under the auspices of the Italian Consulate in Jeddah in cooperation with the Organization for the Preservation of Artistic Heritage.

The exhibition's artworks and paintings were transported from Milan to Jeddah on a 747-400 aircraft, one of Saudi Airlines Cargo, the cargo arm of the Saudi Arabian Airlines Group. The cargo, weighing up to 4 tons, contained From designs developed by the international artist to pieces symbolize the flight.

For his part, Stefano Stucci, Italian Consul General in Jeddah, that the Kingdom's choice to organize the exhibition of the international painter Da Vinci; "Da Vinci"; who enjoyed the unique creative side in the work of this artist.

Stoche confirmed that the exhibition will remain open for a month, where the paintings and designs of the international artist with digital technology and a high quality encryption system, with the approval of the museum that owns the original works, pointing out that this event comes within the programs of cultural cooperation between the Kingdom and Italy, which is the first exhibition of its kind In Saudi Arabia to showcase the work of the international artist Leonardo da Vinci; 500 years have passed since his departure.
