Office Quote: "December, being the last month of the year, cannot help but make us think of what is to come." — Fennel Hudson

Comfort Keepers Kudos:

CL Peter V. called and said his caregiver Alycia is very good and hopes she got home alright.

CL Sharon G. said "Ma does exactly what's best for me."

CL Bob A. daughter Deb said "Derek is very outgoing and personable. He is a great fit for dad."

CL Patty C. daughter wrote "From your visit, you made it easy to process the paperwork and working with Comfort Keepers regarding all our needs. Then there was Peggy. Mom was very hesitant to have someone new come in and help with things, but Peggy was the best! Mom was very comfortable with Peggy from the very beginning. She really took good care of mom from driving her to her hair appointments to going to get mom a special lunch and latte. Peggy earned a GOLD STAR from mom! Thank you again.

CL Thomas K. wife said "Leslie exceeds needs and goes above and beyond".

Thank you all for Elevating the Human Spirit!

Spotlight Questions from Lindsey

Why Comfort Keepers?

I chose Comfort Keepers after reading many reviews from other team members and/or Clients. I shared common morals and ethics, so I knew being a part of the Comfort Keeps team was something I wanted to do.

What I love about my job is being able to make a difference in the life of my client and their family.

What makes you a successful CK?

I believe my ability to relate to my clients, and my life experiences has helped me be a successful CK

Words of wisdom you'd like to pass on to your TEAM members...

To my teammates I would say "that no matter how big or small your duty to your client is, you're making an impact in their lives. This is something that they themselves, and their families will cherish."

Now that the weather is cooler, it pays to be prepared for the unexpected. Plan extra time to allow for weather conditions and holiday/shopping traffic! We recommend all weather tires, an extra blanket, have emergency car kits, and ice scrapers. **Your clients depend on you! PROCEED WITH CAUTION**

Maintenance Tips and Advice for Safe Winter Driving:

1. Check your battery level and tire tread.
2. Check your antifreeze
3. Replace wiper blades
4. Keep your gas tank at least half full
5. Practice cold weather driving in an empty parking lot. Steer into a skid
6. Don't get overconfident with four-wheel drive. It won't help you stop any faster.
7. Leave plenty of room for stopping and brake early. It takes more time to stop when the roads are wet or icy.
