Congratulations August 2020 Comfort Keeper of the Month!

Leslie G.

Leslie has been with Comfort Keepers for 12 years and she brings a sense of humor and some fun to her clients thus "Elevating the Human Spirit". She is empathetic, never complains and has a mindset that every day she is going to make a difference in the lives of others.

Why Comfort Keepers?

Comfort Keepers has a high standard for us to meet which ensures our clients are more than satisfied with the care they receive. I always put forth my best and do all I can and I know other Comfort Keepers do as well. When I work with a client who has other Comfort Keepers in their home they always have the most wonderful things to say about them and it brings me joy knowing I work with such great people.

What makes you a successful CK?

I care about my clients and want them to be happy and healthy. I try to be observant and work hard to help them be able to live their life to the fullest.

Words of wisdom you'd like to pass on to your TEAM.

A smile can be contagious and sometimes that's all someone needs to make their day better.

Celebrate Little Victories

It is easy to rush through your day, from home to work to errands and back again to start the cycle over. Working with senior clients can remind you to view small successes with gratitude. When your clients succeed in simple activities such as transferring from bed to chair without help, you can help them to celebrate their maintenance of these small acts of independence and strength.
