Why Comfort Keepers?

Why Comfort Keepers, because I love the idea of working in different places instead of just one place. I love the people who work at Comfort keepers and that’s what makes me want to work with the TEAM, it’s just wonderful and perfect.

What do you LOVE about your job?

Because I like people a lot, and I like to hear their stories about what they’ve been through. They will tell you their Life story and then you are more than someone to them, you are family.

What makes you a successful CK?

Self-belief and hard work, focus on goals, ignorance and confidence.

Words of Wisdom you'd like to pass on to your TEAM members:

The little things in life can give HAPPINESS!
