**Comfort Keeper of the Month!**

**Tiffany T.**

Tiffany joined our Comfort Keeper team 6+ years ago and approaches caregiving from a nurturing perspective that exudes thoughtfulness and great attention to each client she cares for. She has shown an exceptional level of skills, compassion, commitment, willingness to help, and reliability to our clients and our company. Tiffany continually demonstrates that she will go above and beyond for each of her clients.

Whether it's talking about football, the weather or whipping up a meal, Tiffany makes an effort to develop a relationship with each client she serves. We hear nothing but the highest praises from each client.

Tiffany holds herself accountable not just for the client's care and safety, but also for their happiness. Her gracious personality, her commitment to Comfort Keepers, and the pride she shows in her job are just a few reasons we are lucky to have her on our team. Congratulations Tiffany!
