

## Introducing Elizabeth Wilson!

Please join me in welcoming Elizabeth to our team—both in Bend and Portland!

Elizabeth is the new General Manager of Comfort Keepers Bend and Portland, as Krista re-shapes her role on the corporate side. She is accountable for the staff and overall operations and will help us continue to ensure extraordinary client experiences through our team of engaged caregivers.

Originally from St. Charles, Missouri, Florida was home for most of her life. She attended

the University of Florida and received a BA in Animal Sciences. With a background in animal care and, most recently, retail management, she was involved in caregiving early in life when she provided love and support to her grandparents as they aged at home on their family farm.

Happy to now be in Oregon where it's "absolutely beautiful", she looks forward to bringing honesty and kindness to her new role. We welcome her to the Comfort Keepers family, sharing in our philosophy of providing compassion, respect and dedication to the welfare of our clients.

In her spare time, Elizabeth enjoys exploring the Pacific Northwest with her loved ones, including her puppy Kenobi (yes - Elizabeth is also a Star Wars fan!).

"I am very excited to work with this company and all of our wonderful caregivers. My goal is to provide additional support to our team and the exceptional services you all provide to our clients." - Elizabeth

## COMING UP MAY TRAINING Tuesday, May 10th DEMENTIA CARE

In May, we welcome **Jane Jarman**, a certified trainer and consultant in dementia care. Jane will lead an interactive workshop focused on two specific areas:

- **How to Communicate Effectively**
- **Positive Physical Approach, Supportive Stance, Hand-Under-Hand**

This will be a hands-on approach in training and a very valuable session for all involved. The office staff will reach out to specific employees as the date approaches to schedule you for this workshop. If you are unable to attend due to your work schedule, session notes will be made available.

Thank you!
