

CAREGIVER OF THE QUARTER

Please join us in congratulating Julia McCarley as our Caregiver of the Quarter for Q3 2022!

Julia works with one of our clients at Touchmark and has been a leading member of his care team, including traveling with him for a family vacation! Not only does she go above and beyond for her client, but she genuinely cares about his health and happiness. Julia has the trust of her teammates and office staff to ensure only the best of care for those she works with.

In her free time, Julia enjoys going rockhounding, visiting hot springs and drawing. As well, she's got an upcoming trip planned to Costa Rica with her family this summer.

Thank you Julia for being a part of our care team! We admire your passion and dedication and appreciate all of your hard work!

Christina—Moving On

The time has come for me to say goodbye as I leave the Comfort Keepers family. It's been an amazing experience getting to know so many wonderful people within our Central Oregon community.

This job has been the hardest I've ever had, but also the most rewarding. I've learned so much about myself and have seen such kindness from others.

I can't say enough about you all—the Bend caregiving team has such passion, dedication and spirit. I admire you all so much and the work that you do in taking care of our valued senior clients. They are so lucky to have you!

Thank you so much to Krista for giving me the opportunity to help run the office and manage client care. She had more faith in me than I had in myself and I appreciate her ongoing support.

Liane has become a good friend—no just a co-worker—and you all will be in good hands. Not only does she understand how valuable you are as employees, she respects you as individuals. Liane is a gifted lady and I will miss working with her.

My official last full day is Friday, July 8th, but I will be around until the end of the month to help as needed with the transition. From there, I'll travel with my husband and pups to North Carolina to begin our next chapter. It's a big move, but I'm ready for the next adventure.

Thank you all so, so, so much... your imprint on my life will be ever-lasting...

With love, Christina
