Helen

We are happy to name Helen our September Comfort Keeper of the Month!

Since joining our team 10 years ago, Helen has proven to be a reliable, flexible, and dedicated Comfort Keeper. Helen strives for excellence and takes her responsibilities seriously. We can always depend on Helen to be on time, including updating us on traffic delays.

It is clear that Helen demonstrates high standards and values, which provide our clients with the respect they deserve as she consistently offers our clients the highest level of care available.

She always has her clients' best interest at heart. Helen communicates great with the office staff, always ensuring the plan of care is updated.

Thank you Helen for your outstanding work ethic and for treating our clients with the dignity and respect they deserve. We are glad to have you on our Comfort Keepers team. Congratulations!

Comfort Keepers Kudos:

Greg stated that Lindsey always does a great job. Carol never stops, she is on the go the entire time she is in the home. She is wonderful.

Cindy is happy with service and CK's placed on the schedule. She stated they have all been very nice. No one beats Nadine though. If Cindy says let's go, Nadine is ready to go. She really enjoys her company.

Client called in and stated that Luca did a wonderful job. Very patient and he was exactly where he was supposed to be when he was supposed to be there.

Thank you to all of our Comfort Keepers for all that you do, your clients really appreciate you.

You are the BEST!

Please complete any courses before your October birthdate and let the office know when completed.

****One of the qualifications for being considered for Paid Personal Time-Off (PPTO) and Comfort Keeper of the Month is that you complete your annual required training before your birthdate. ****

Care Academy will drop the courses 60 days before your birthday.

Please let us know if you have any questions.

One of the best things an in-home care provider can offer is consistent monitoring. If your client starts to experience confusion, memory troubles or has trouble talking, you may well be the first to notice.

Quality senior care enables you to closely monitor the condition of your senior clients. From the condition of their skin to any changes in cognition or speech, you can let their family and physician know of any changes.

Enjoy the beautiful fall foliage with your clients, take a nature walk or just look out a window at the color changes.

October Fun Facts

October in the Northern Hemisphere is similar to April in the Southern Hemisphere.

The leaves of trees often begin to change their colors during **October**.
