WHO WE ARE

Veteran Caregivers of America helps Veterans and surviving spouses navigate the VA system to secure monthly financial assistance for in-home care and medical expenses.

Our Mission

To help Veterans across the country secure the benefits they've earned. They fought for us—now we fight for them through the complex VA approval process.

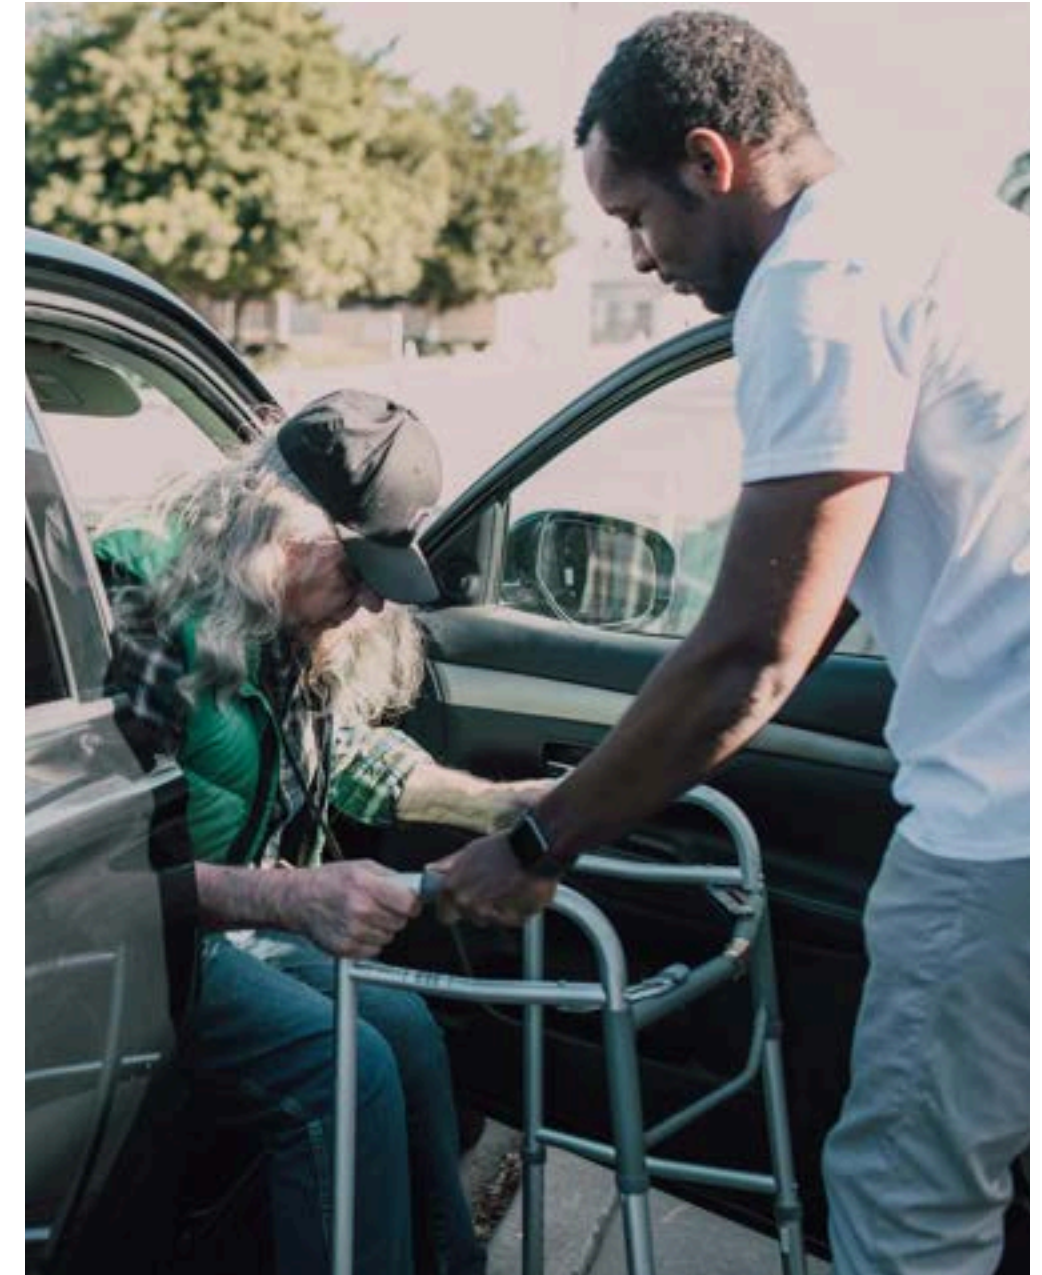

AID & ATTENDANCE PENSION

What Is It?

An enhanced VA pension providing monthly financial assistance to Veterans or surviving spouses who need help with daily activities. Eligible Veterans can receive up to \$2,795/month for in-home care costs and medical expenses.

Who Qualifies?

- 1 Veterans age 65+ or surviving spouses
- 2 Served during a wartime period
- 3 Need help with daily activities (bathing, dressing, eating, mobility)
- 4 Meet income-based requirements (determined by household income and medical expenses)
