Did You Know?

THE REASON LEAVES
CHANGE COLOR ISN'T
BECAUSE TREES ARE
PRODUCING NEW COLORS.
AS DAYLIGHT DECREASES,
TREES STOP PRODUCING
CHLOROPHYLL, THE PIGMENT
RESPONSIBLE FOR GREEN
LEAVES ALLOWING YELLOW,
ORANGE, AND RED
PIGMENTS TO BECOME MORE
VISIBLE.

CONGRATULATIONS TO OUR SEPTEMBER 2026 COMFORT KEEPER OF THE MONTH!

LISA GALLEGOS

Our team is proud to highlight Lisa, a truly outstanding caregiver. She consistently goes above and beyond to support her clients. Her incredible flexibility makes a daily difference. Lisa regularly adjusts her schedule to meet client's needs. She does this even when given very short notice.

No matter what the changes are, Lisa keeps a positive attitude. This bright energy stays the same with everyone. She brings joy to her clients; she shows kindness to her co-workers and maintains excellent communication with the office staff. Lisa is a reliable and helpful team member.

CONGRATULATIONS LISA!

Quote of the Month:

*"What we once enjoyed
and deeply loved we can
never lose, for all that we
love deeply becomes part
of us." - Helen Keller*

World Alzheimer's Day, observed each year on September 21st, is an opportunity to raise awareness about Alzheimer's Disease and other forms of dementia, while recognizing the individuals, families, caregivers, and communities affected by them. Alzheimer's is more than just memory loss. It can affect a person's thinking, communication, behavior, and ability to manage everyday activities. For families and caregivers, the journey can bring many challenges, but compassion, understanding, and support can make all the meaningful difference. This World's Alzheimer's Day/Month, let's take a moment to learn more about the disease, challenge the stigma surrounding dementia, and remember that behind every diagnosis is a person with a lifetime of memories, relationships, experiences, and stories.

Whether it's checking on a loved one, supporting a caregiver, volunteering, or simply taking the time to learn more, every act of understanding and kindness matters.
