

Young Musicians Program 2023

Young Musicians New York City Regional Concert at Daniel and Joanna S. Rose Studio

for advanced high school chamber ensembles

4th Annual Young Musicians New York City Regional Concert

Young Musicians Program is excited to continue holding a New York City regional concert in 2022! This competition will afford the opportunity for many more ensembles from NYC to receive coaching by CMS artists, and to be presented in a concert professionally produced and live streamed in the Rose Studio at Lincoln Center by CMS. High school grade ensembles from homeschool consortiums are eligible to apply.

The 4th Annual Young Musicians New York City Regional Concert will take place on **Thursday, March 9, 2023 at 11:00 AM** in the Daniel and Joanna S. Rose Studio at Lincoln Center.

Selected ensembles from the Young Musicians New York City Regional Concert are eligible for an invitation to the 39th Annual Young Musicians Concert at Alice Tully Hall at Lincoln Center on **Thursday, May 4, 2023, at 11:00 AM**. Students attending school in NYC **must apply** to the NYC regional competition to be considered for the Lincoln Center event.

ELIGIBILITY

All students must attend school or home school consortium in New York City to be eligible for the New York City regional competition. Applications must be **submitted through the school music department/coordinator** on behalf of the students.

Instrumental, vocal, or mixed ensembles with only one performer per part may apply. A school may submit no more than three ensembles for consideration. To best support chamber music instruction in school music programs, the Young Musicians Program is only for ensembles meeting the following guidelines:

- ❖ All students in the ensemble must attend the same high school at the time of application as well as at the time of performance.
- ❖ All students in the ensemble must actively participate in their school music program (eg. orchestra, band, chamber music club).
- ❖ The application must be submitted by the school music teacher on behalf of their students.
- ❖ The program is open to students in public or private schools, but not pre-professional or community music schools.

COVID REQUIREMENTS

Selected students and attendees of the Young Musicians Program will be required to follow all COVID-19 guidelines in effect at the time of events.

For everyone's safety, attendees of the Young Musicians New York City Regional Concert and Young Musicians Concert will be limited to teachers, parents, and school administrators of ensembles selected to appear on those programs only.

Attendees at both events must show proof of full COVID-19 vaccination to attend these events as stated above. All guests must maintain appropriate face coverings in accordance with current CDC guidelines.

REPERTOIRE

Select a single movement, or single movement work, from the chamber music repertoire. **No arrangements or instrument substitutions will be accepted without prior approval by the Department of Education and Community Engagement.** Original student compositions are also acceptable. The difficulty of the music chosen should reflect the ability of the players.

Duos and Sonatas (piano with one instrument) should feature equally challenging parts. Please note these ensembles are judged to a higher standard than larger ensembles that are more inclusive of students from the school music program.

Ensembles with percussion must be able to provide and transport their own percussion instrument(s) and equipment if selected.

The Handel/Halvorsen Duo and any work for two pianos will not be accepted.
