CMS is pleased to continue the regional level competition for students in Westchester, Hudson Valley, and Connecticut high schools in 2022! The Young Musicians concert provides an opportunity for advanced high school instrumentalists to perform in a professionally produced concert by CMS and hosted by **Hoff-Barthelson Music School**. Selected ensembles will receive professional coaching by CMS artists. High school grade ensembles from homeschool consortiums are eligible to apply.

The 4th Annual Young Musicians Westchester-Hudson Valley-Connecticut Regional Concert Regional Concert will take place on **Thursday, March 2, 2023 at 11:00am** at **Hoff-Barthelson Music School**.

Selected ensembles from the Westchester-Hudson Valley-Connecticut Regional Concert are eligible for an invitation to the 39th Annual Young Musicians Concert at Alice Tully Hall at Lincoln Center on **Thursday, May 4, 2023, at 11:00 AM**. Students attending school in Connecticut or New York north of NYC must apply to the regional competition to be considered for the Lincoln Center event.

ELIGIBILITY

All students must attend school in Connecticut, and New York State north of NYC. Applications must be submitted *through the school music department/coordinator* of the students.

Instrumental, vocal, or mixed ensembles with only one performer per part may apply. A school may submit no more than three ensembles for consideration. To best support chamber music instruction in school music programs, the Young Musicians Program is only for ensembles meeting the following guidelines:

- ❖ All students in the ensemble must attend the same high school/home school consortium at the time of application as well as at the time of performance.
- ❖ All students in the ensemble must actively participate in their school music program (eg. orchestra, band, chamber music club).
- ❖ The application must be submitted by the school music teacher on behalf of their students.
- ❖ The program is open to students in public or private schools and home school consortiums, but not pre-professional or community music schools.

COVID REQUIREMENTS

Selected students and attendees of the Young Musicians Program will be required to follow all COVID-19 guidelines in effect at the time of events.

REPERTOIRE

Select a single movement, or single movement work, from the chamber music repertoire. **No arrangements or instrument substitutions will be accepted without prior approval by the Department of Education and Community Engagement.** Original student compositions are also acceptable. The difficulty of the music chosen should reflect the ability of the players.

Duos and Sonatas (piano with one instrument) should feature equally challenging parts. Please note these ensembles are judged to a higher standard than larger ensembles that are more inclusive of students from the school music program.

Ensembles with percussion must be able to provide and transport their own percussion instrument(s) and equipment if selected.

The Handel/Halvorsen Duo and any work for two pianos will not be accepted.
