

COLLARROY TENNIS CLUB

At Collaroy Tennis Club, our tennis centre offers coaching, social, and member playing services to those on the Northern Beaches. With a community-focused approach to tennis, we see over 1000 regular participants at least twice a week enjoying social and competitive tennis on our courts.

As a part of the Collaroy sporting mecca, our tennis club rests adjacent to Long Reef Golf Course. From our courts, you can access Pittwater Road with ease, while enjoying high visibility of the surrounding area.

BRINGING TENNIS TO THE VIBRANT COLLARROY COMMUNITY

At Collaroy Tennis Club, our managers and staff feel passionate about making tennis accessible to the local community. We're constantly reinvesting into our facilities. Our ethos involves ensuring our members enjoy a cost-effective membership, underpinned by rejuvenated courts, a multifunctional clubhouse, and lighting for evening matches.

By providing the Collaroy community with high-end tennis facilities, we aim to encourage participation in the sport no matter what your abilities are. Whether you want your children to benefit from lessons or you're exploring the world of tennis as an adult, there's a place here for you. With an expert team of coaches, we're able to spot and encourage talent, increase participation and enjoyment of tennis in the Northern Beaches.

In order for us to achieve this we are looking for 10 local business owners who are willing to help us on our journey towards delivering our vision:

- To provide a vibrant and desirable tennis club environment for all members and guests.
- To create a sustainable, local community and club model that will help to grow participation
