

**Model P3067**

**Eden Park**  
PARIS

A new range of products combining technology and design, even more daring, energized by a play of colors between bi-injected temples and carbon fiber.

Acetate front top, mat black with fun temple color a detail that gives a resolutely masculine style, sportswear, The Eden Park French Flair. Absolute comfort guaranteed thanks to the natural flexibility, the soft touch finish of the temples, robustness and pin's decoration on top with double functionality technical hinge.
