NEW FALL / WINTER COLLECTION 2021

THE MIRROR OF THE SOUL

“The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides”, quote by the great Audrey Hepburn.

Ana Hickmann Eyewear is 100% feminine and represents timeless refinement and elegance mixed with return-to-work trends and workleisure dressing.

This collection has been created to empower woman, with a wide offer of the iconic duo-fashion that allows to have different looks thanks to a simple twist on the temple.

Rich in colours and textures it gives the chance to create a more classic look or a more daring one depending on the occasion.

A frame is not just a simple accessory but it is also a statement. It's the first impact when entering a room.
