GRANALU WILL ATTEND SOLUTRANS 2023

One more year, Granalú will participate at Solutrans, The Global Hub for Heavy & Light Commercial Vehicles (booth 5B140).

Solutrans is one of the most important international transport trade shows across Europe and it will take place from the 20th until the 25th of November, 2023 at the Eurexpo Venue in Lyon (France).

At its booth 5B140, Granalú will be exhibiting:

- Granalú Moving Floor. Granalú Moving Floors are semi-trailers that symbolize the constant research for excellence. It is the most versatile vehicle allowing the customers to transport different types of loads, always guaranteeing maximum safety and ergonomics. They are perfect for bulk and palletized loads. Granalú moving floors ensure a more profitable transportation thanks to their reduced tare.
- Bulk Range. Granalú Bulk Range is perfect for all types of bulk cargo to achieve profitability without losing toughness. At Solutrans 2021, the new G-Aero model was exhibited, the perfect combination of aerodynamics, robustness and payload; at Solutrans 2023, the improvements of the G-Aero will be presented, as it has been consolidated as one of the best-selling semi-trailers.

In particular, Granalú stands out for its passion in developing solutions thinking of a more profitable and sustainable world, always offering the highest quality. In Spain, Granalú continues to be the leader in the manufacture of aluminium semi-trailers, and also a benchmark at the European level.
