

What things can I readily do in my community, especially if I team up?

Hold one-day Play Streets – half-day closure for neighbours to socialise/ have fun on the street

Hold regular temporary School Streets – parents & kids to walk/cycle with street closures at drop off- pick up

Hold one-off high street closures eg markets/ music etc

Carry out pathway clearing / barrier removal

Hold community speed watch events

Hold community litter picks – get to know hotspots

Organise social walks or rides

Organise community schemes – bike delivery, bike to school rides or walk to school weeks, wheels for all rides

Carry out community street / accessibility audits

Hold community street campaigns on specific issues

Work with businesses and local officers on better signage / wayfinding

Talk to your local police & councillors about road crime enforcement

Create posters in hot spots eg engine idling

Create a neighbourhood forum to discuss issues

Create community maps showing paths & benches

Create proposals for walking or cycling improvements in your community

Create a community masterplan with groups & businesses & councillors

Research funding pots and apply for grants
