Nether Edge Active Neighbourhood

Traffic Monitoring Data

| Controlled crossing overview - Introduction

In order to monitor and evaluate the success of the Nether Edge Active Neighbourhood, we have conducted a range of traffic monitoring surveys at a number of locations across Nether Edge and the surrounding areas.

The findings of all these surveys have been compiled and presented in 9 separate documents.

This is document 5 of 9, and provides an overview of the people using the temporary controlled crossings installed as part of the Nether Edge Active Neighbourhood measures.

These documents have been created to illustrate changes in travel before and after the Nether Edge Active Neighbourhood scheme came into effect. The full committee report on the scheme will provide context to the data presented in this document, and how it informs the recommendations on the future of the scheme.

Psalter Lane temporary crossing usage

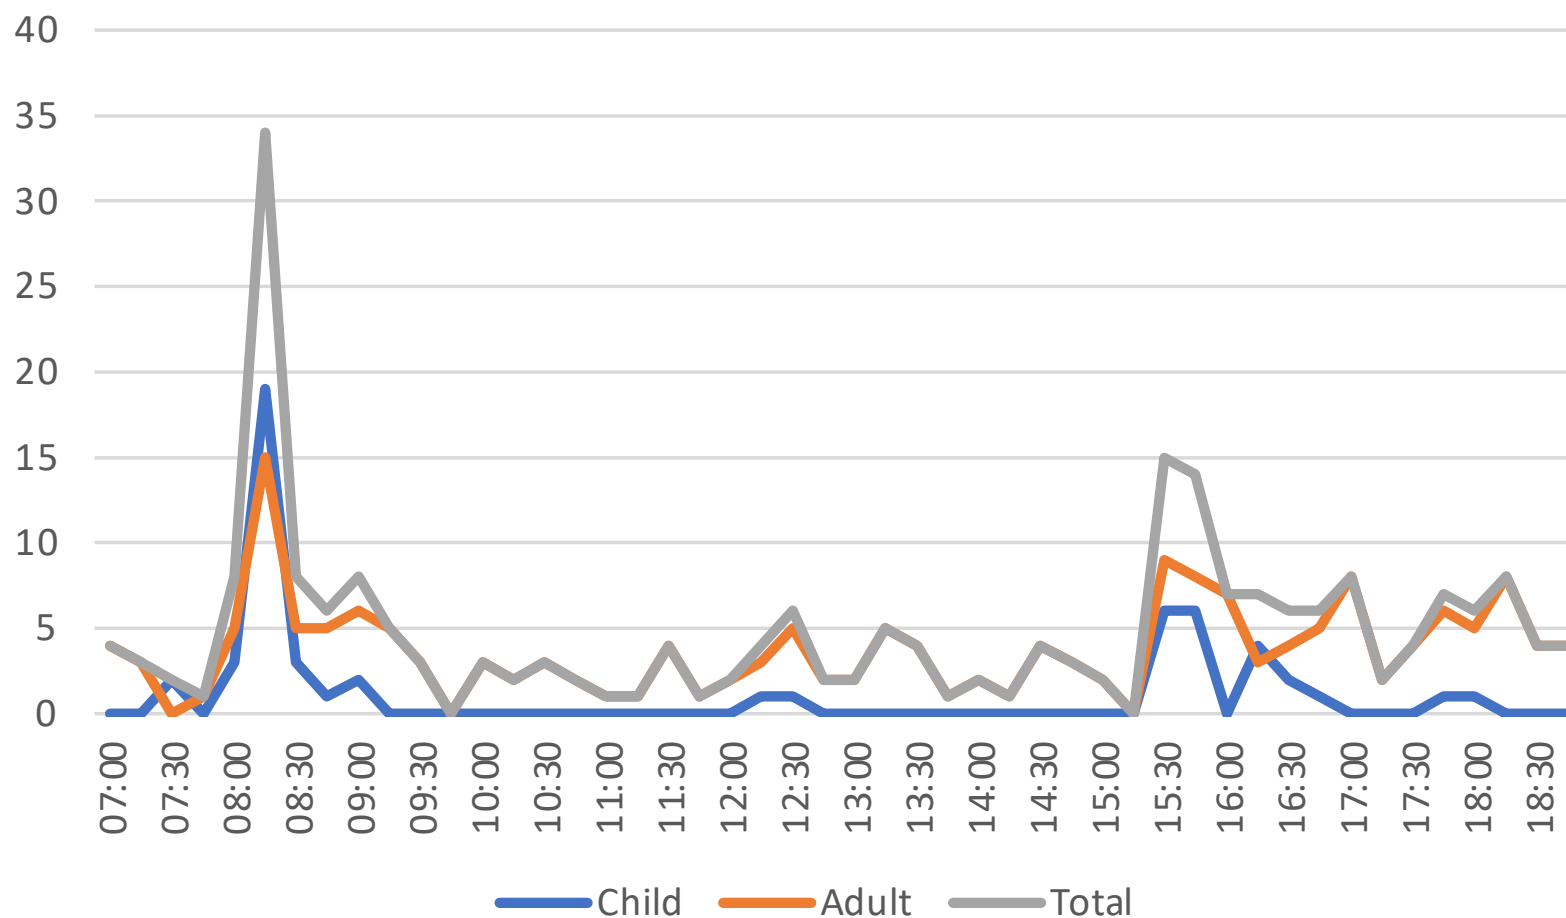

We counted the number of people using the pedestrian crossing on Psalter Lane. This graph shows the number of people we counted using the crossing during the 12 hour survey we carried out in May 2023.

We recorded two spikes in usage throughout the day, one in the morning at 8:30am, and the second in the afternoon at 3:30pm. These spikes align with the school opening time peaks, which is supported by the presence of schools and colleges along the length of Psalter Lane.

| Psalter Lane temporary crossing usage - Tuesday 9th May 2023 | | | |
|--|----------|----------|-----------------|
| Adults | Children | Cyclists | Total crossings |
| 222 | 64 | 4 | 290 |

Osbourne Road temporary crossing usage

We counted the number of people using the pedestrian crossing on Osbourne Road. This graph shows the number of people we counted using the crossing during the 12 hour survey we carried out in May 2023.

There was one noticeable spike, in the morning at 8am.

| Osbourne Road temporary crossing usage - Tuesday 9th May 2023 | | | | |
|---|----------|----------|----------|-----------------|
| Adults | Children | Cyclists | Elderley | Total crossings |
| 182 | 54 | 1 | 5 | 241 |
