

Phase 1 works on Down Lane Park

Work will commence on 15th January 2024.
Phase 1 is likely to finish in May / June 2024.

SUPPORTED BY
MAYOR OF LONDON

Phase 1 works area

Phase 1 complete

1. Works to Park View Underpass may be underway which will close the footway from the Underpass to Ashley road
2. Park View Road eastern highways footpath (outside of the park) will always remain open.
3. Ashley Road western highways footpath (outside of the park, adjacent to Harris Academy) will need to be closed temporarily during limited periods of the phase 1 improvement works.
4. We anticipate the pathways within the Phase 1 works area being closed for the duration of the Phase 1 works but, to minimise disruption, if they can be reopened safely at an earlier date we will do so and provide an update.

- Open pedestrian access routes (weeks 01 to 23 inclusive)
- Work area - fenced
- Existing pedestrian entrance remaining open
- Temporary closure of existing entrance
- New entrance opened
