

Site Progress

Greetings from the Alexander James Contracts Team! We are delighted to have been appointed by Haringey Council as the principal contractor for the White Hart Lane project.

You may have noticed some increased activity around the site over the past few weeks. We are progressing swiftly with the development of 6 homes at 318a White Hart Lane.

Haringey Council makes it clear to all its contractors that resident safety and wellbeing should be at the heart of their work – to which we are committed to upholding as part of our Considerate Constructors Scheme registration and membership.

The Project

This scheme is part of Haringey Council's commitment aimed at delivering a new generation of council homes for local residents.

The development will consist of 6 new high-quality council rent homes on the corner site at 318a White Hart Lane.

There will be a mix of 1, 2 and 3-bedroom homes within a 3-storey building. Each home will either have a private outdoor space, balcony or terrace and access to an attractively landscaped communal garden to the rear.

Project completion is expected in the late summer 2024.

Scheduled Works

Over the coming weeks, we are aiming to complete the structural timber roofing works which will allow us to install our roof coverings.

Following the roof completion, we will commence works on the internals within the homes. This is a significant milestone for the project.

We will keep you regularly informed about the project as it progresses at every key stage.

Meet the Contractor Event

A "Meet the Contractor" event will be held on Thursday 28 March 2024, between 5.30pm - 7.00pm at:

Selby Centre, Selby Road, Tottenham, London, N17 8JL
– Room 1

The event will provide residents the opportunity to meet the site and project team, hear updates on the works being carried out on site and ask any questions they may have.

We hope to see you there!

Contact the Team

If you have any queries, please do not hesitate to contact the team at Alexander James Contracts Ltd:
