[Find out more](#)

30
Support your local small businesses.

31
Make time to enjoy the activities you missed - or relive your favourites once more!

2026

What is Commonplace?

Commonplace is a digital space created by the council for residents to see what's happening locally, give feedback on plans, and take part in shaping improvements across the district.

Place a pin on the interactive map to tell us what activities you've enjoyed this January and help inspire others.
