

Portfolio Management Associate – Infrastructure Fund

DUBLIN - IRELAND

Join our Portfolio Management team in our Dublin office. You will be part of a team that manages, on behalf of funds and corporate clients, the financial affairs of their asset portfolios. You must be fluent in both French and English, to business-level.

You will contribute to the operation and optimisation of Conquest's investments in Europe and across a variety of energy infrastructure assets and businesses including onshore wind, waste to energy and solar PV. You will work closely together with our talented Portfolio Management team in an international and dynamic environment.

You will report to the Portfolio manager in Dublin and your key responsibilities will include:

- Visualization and presentation of technical and financial data to stakeholders
- Analysis and reporting on investment performance
- Support with investment optimisation initiatives across the asset portfolio
- Working together with industrial partners and advisors
- Ad hoc analyses in close cooperation with the Investment team members
- Management of portfolio's financial affairs (annual audit, budget process, distribution)

To be successful, you will have the confidence, drive, and problem-solving skills to innovate and deliver great outcomes.

You will also have:

- a tertiary qualification, in business/finance/economics or related discipline, with a minimum of 5-7-years of experience in operational financial controlling as part of a leading multi-national infrastructure company or infrastructure funds, plus initial Big 4 experience/training
- advanced software skills (MS Office) and other management reporting applications, knowledge of accounting and reporting systems
- strong interpersonal, verbal and written communication skills, including the ability to understand and succinctly explain complex data and models
- interest in corporate finance, strategy, engineering and renewable energy
- experience with energy and infrastructure is an advantage, but not a requirement
- is comfortable interacting with business staff and resolving competing priorities
- creative and innovative thinker – a self-starter
- attention to detail
- highly motivated and flexible team player

If this sounds like your next role, we look forward to hearing from you.

ABOUT CONQUEST

As an alternative asset management firm, we invest in and operate long-life, high-quality assets and businesses on behalf of our clients, which range from large pension funds to single-family offices. We provide global commerce with critical infrastructure and drive tomorrow's economy with sustainable power.

Over the past years, Conquest has evolved from a four-person financial advisory start-up to a European asset management firm. Since our inception, we have shown our commitment to our principles, our people and our technology enabling us to keep delivering long-term, sustainable value for our clients and our shareholders.

Are you curious and willing to learn from different views and perspectives? Are you brave enough to go beyond your comfort zone and explore other ways of thinking? Are you passionate about bridging the gap between finance and responsible investment?

We are looking for highly skilled, efficient collaborators that thrive on having a positive impact on society. We offer the opportunity to be empowered quickly.
