# CONVENIENCE AND ELEGANCE BLEND SEAMLESSLY IN EVERY REMODELINE PRODUCT

Flexible configurations combine with an array of innovative features to make Remodeline bath products the perfect choice for your project:

- Shower and tub-shower configurations
- 2-, 3- and 4-piece models in 32" – 60" widths
- Front fastening system for easy installation
- Smooth and simulated tile wall finishes
- Slip-resistant, textured floor
- Integral soap shelf, acrylic grab bar and comfort-molded seat\*
- Bright and glossy Aquatic white finish
- Wide choice of finishes to complement any bath design

## Standard colors

White Almond

## Upgraded colors

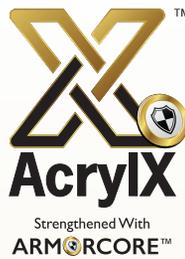

Biscuit/  
Linen Bone

## Premium colors

Sandbar Mexican  
Sand Black Sterling  
Silver

### Superior Finish.

AcrylX™, Applied Acrylic offers a high gloss, truer white finish. The finish material is less porous which creates an easier to clean surface. The high luster and longer lasting finish means a factory new look years after installation.

### Exceptional Strength.

Aquatic's Everyday baths are reinforced with exclusive ArmorCore technology, which turns layers of material into a solid structure that withstands pressure, impact and abuse like never before. What does this mean for you? Quite simply, a better bath-one that's sure to be as brilliant after years of daily use as it was on the day it was made.

## What makes an Aquatic bath great? It's more of a question of 'who?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone.

So when you choose Aquatic, you're choosing more than a shower, tub or other bath product.

You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific project.
