		9 (Flared Wall Box - Tier 22)	1517	12	J (Pow er Marker)	
		A (Corrugated Wall Box - Tier 8)	1527	18	K (Sanitary Marker)	
		B (Corrugated Wall Box - Tier 15)	1622	22	L (Telephone Marker)	
		C (Corrugated Wall Box - Tier 22)	1730	24	M (Water Marker)	
			2424	30	N (Round Cover Insert)	
			2436	34	P (Touch Read)	
			2460	36	Q (1/2" x 1" Pick Holes)	
			3048	42	R (Radio Read)	
			3060	48	S (Split Cover (24x36 and smaller))	
			3636		T (6" x 9" Polymer Drop-In Lid)	
			3660		U (7" x 13" Polymer Drop-In Lid)	
			3672		V (9" x 15" Polymer Drop-In Lid)	
			3696		Y (1-Piece Panel Cover (30x48 and larger))	
			4848		Z (2-piece Panel Cover (30x48 and larger))	
			4872			
			4878			
			4896			
			4814			
			7896			
			9696			
					Modification - Box*	
					A (Standard)	
					B (Integral Bottom)	
					D (Divided)	
					G (Gasket)	
					L (Oversized Shell)	
					M (Standard Mouseholes)	
					P (Intercept Panel)	
					R (Collar for Round Cover)	
					X (Separate Base)	

LARGE ENCLOSURES WITH DIMENSIONS
IN INCHES OVER 99 WOULD USE THE FIRST
2 DIGITS OF THE NUMBER EXAMPLE:
48 X144 = 4814

Special
5, 0

*Assemblies with both a standard box
and cover will receive an "A" in the 10th
digit. The same applies to "G". All other
special modifications or combinations
will be assigned a 500#.

0

- The diagrams explain how our catalog number system works and allows you to "design" your own box, cover or assembly from the options available.
