True Brands Ltd are distributors of:

NEBO® WELCOME

Welcome to NEBO Tools®, one of the world’s best-selling lines of innovative, consumer-friendly flashlights and tools. **With over 30,000 customers in the USA alone, and 4 million plus flashlights sold per year, NEBO Tools® is a leading supplier of technologically advanced and innovative LED lighting products and tools.** We create a value proposition most don’t achieve without cutting specifications and compromising quality. NEBO Tools® is a division of Alliance Sports Group (ASG), with headquarters in Grand Prairie, TX, USA.

This year, ASG will ship over 10 million products in the USA to both mass retailers like Wal-Mart, Dicks Sporting Goods, Bass Pro Shop, Academy Sports, and over 30,000 independent retailers. Here at NEBO®, we bring unique cutting edge design and extreme brightness along with a variety of features to our products which set us apart from most suppliers.

Our new items keep getting better and better! We’ve got brand new additions planned for release throughout the year including our latest release, the cutting edge SLYDE, which offers the best of both worlds by combining a powerful flashlight and an ultra-bright work light...all into one product! We also have a new addition to our Larry™ work-light series. The Larry™ 2 comes packed with more Lumens, an improved magnetic swivel clip, and a secondary 15 lumen LED light at the top.

With the same passion and energy that produces NEBO® lighting, comes a new approach to the flashlight industry with Outdoor fanatics, Camping enthusiasts, Car owners and Home owners around the world are enjoying our innovative flashlights that are designed to “light the way” toward a more enjoyable and effective hand held lighting experience.

NEBO® ...BRIGHT IDEAS

Welcome to NEBO® Bright Ideas, one of the world's best-selling lines of innovative, consumer-friendly flashlights and tools.

We bring unique cutting edge design and extreme brightness along with a variety of features to our product lines which set us apart from most suppliers.

Every product comes with a TRY ME button and a spare set of Duracell batteries. Customers love to TRY before they BUY.

NEBO® Bright Ideas are well suited for Outdoor Enthusiasts, Camping, Travel, Auto, Garden, Home and Gift. NEBO® Bright Ideas range offers a perfect product to your every customer.

SLYDE™

Combining the best that NEBO® has to offer, the SLYDE™ features a powerful LED flashlight and COB worklight all in one. At first glance, the SLYDE™ appears to be a simple strong flashlight, emitting 250 lumens of intense white light...and it is! However, you will see the SLYDE™ is much more. The body of the SLYDE™ conceals a powerful 190 lumen work light. To reveal the COB work light, just SLYDE to open! Also boasts a powerful base magnet for hands free light.

COB (Chips on Board)
A new innovation in LED technology. COB features smaller, easier clustered LED chips that are mounted directly to the circuit board. These LED chips work together as one lighting module. Because of the compact design, COB outperforms traditional lighting by up to 50 times the light output per centimeter of light surface.

HIGH-POWER TACTICAL LIGHT

The REDLINE[®] OC™ outputs 600 LUX of pristine white light. 600 LUX is bright, but what makes the OC™ so special is the OC™ (Optimized Clarity) Technology. Coupled with the convex lens, the OC™ Technology creates optimized clarity with a perfectly dispersed beam of light while in flood mode. This sophisticated technology provides the intensity of a 600 LUX light that is easy on the eyes. The REDLINE[®] OC™...optimized clarity.

iPROTEC™

Welcome to iPROTEC, one of the world's best-selling lines of consumer-friendly flashlights.

This year, ASG will ship over 10 million products in the USA including 4 million plus flashlights to both mass retailers like Wal-Mart, Dicks Sporting Goods, Bass Pro Shop, Academy Sports, and to over 30,000 independent retailers.

With the same passion and energy that produces NEBO® lighting, comes a new approach to the flashlight industry with iPROTEC™. Outdoor and Camping enthusiasts, Car owners and Home owners around the world are enjoying our innovative flashlights that are designed to “light the way”.

Here at iPROTEC we understand that no one knows what our customers want more than our customers. Our products are what they are today because of the constructive feedback we get. As a result, iPROTEC flashlights are practical, enjoyable to own, and far exceed expectations relative to their price.

They are “MADE TOUGH”, ensuring each of our flashlights are rugged and highly dependable whilst also being compact and easy to pack away. iPROTEC flashlights have lumens outputs that are equal to those of much more expensive products.

iPROTEC is a division of Alliance Sports Group (ASG), a family owned company with headquarters in Grand Prairie, TX, USA.

TESTIMONIALS

PRO220LIGHT

Performs like much more expensive products...

"This product far exceeds expectations relative to its cost. IT IS RUGGED AND HIGHLY DEPENDABLE. The lumens output is equal to that of much more expensive products. This is an excellent value. It is also small enough to easily pack away. If you are going to be on an extended trip, be sure to carry extra batteries. Overall, this light performs as well as lights costing well over £70.00."

PRO100LIGHT

5/5 STARS

The Protec Pro 100 Flashlight is a great compact flashlight with a strong tactical look and feel - "All in all, you **CAN'T GO WRONG WITH THIS FLASHLIGHT** if you want a **HIGH POWERED** compact light that can take both weather and rough handling."

SLYDETM

My customer was using a Slyde working underneath his customer's trailer and he forgot to remove it when the job was complete. He called his customer a day later, and the trailer traveled 200+ miles, his customer found the Slyde fully in tact and actually was able to return it to him when he got back in town. They love the magnet!!
