

# RESILIENT WASHTENAW

WORKING CLOSELY WITH RESIDENTS TO CREATE A COLLABORATIVE VISION FOR  
CARBON NEUTRALITY BY 2035

## WHAT IS RESILIENT WASHTENAW?

It is Washtenaw County's climate action plan. This living document will guide community goals and county operations for years to come.

Washtenaw County will use a just transition framework to create an ecologically sustainable economy and improve quality of life.

The County has set a goal to achieve:

- Carbon neutral county operations by **2030**
- Carbon neutral county-wide emissions by **2035**

## HOW CAN I GET INVOLVED?

- Attend a community meeting
- Visit ***ResilientWashtenaw.org*** to:
  - Learn more about the project
  - RSVP for a community meeting
  - Subscribe to email updates
  - Drop a pin on the map to share:
    - Where & how you experience climate impacts
    - Your vision for climate action
  - Existing climate action projects
  - Explore our Partners & Resources pages
- Share ***ResilientWashtenaw.org*** with your neighbors, family, and friends
- Request a presentation for your local organization or group

The Resilient Washtenaw team  
◦ wants to come to you to gather your input!

Text **"YES"** to **(248) 617-2916**
