

# Your input needed

to imagine the future Lowline, an underground public space in your area!

## Participate in community engagement:

**What?** A series of public workshops to hear input from residents, businesses, and organizations in Community District 3 on Lowline programming, design, and governance.

**Why?** Help shape this new space in your backyard so that you can use it in the years to come.

**Where?** Meetings will be held across Two Bridges, Alphabet City, the East Village, the Lower East Side, and Chinatown.

**How to get involved?** Participate in this exciting process by:

**Visiting the Lowline Lab through March 2017** at 140 Essex Street: Free and open to the public, Sat & Sun 11am-5pm, near the J/M/Z and F Essex/Delancey Street stops.

**Joining the Community Advisory Board** and attending quarterly meetings with neighborhood leaders to provide guidance to the Lowline on how to best reach community stakeholders.

**Attending and participating in outreach events**, like public workshops. Translators will be present!

**Hosting an outreach event** at your space in the neighborhood.

**Giving feedback online at anytime** via CoUrbanize, an online platform.

**Contacting the Lowline** with any questions or ideas we want to hear from you! [info@thelowline.org](mailto:info@thelowline.org)

OVER →

**About the Lowline:** The Lowline seeks to transform an unused underground historic trolley terminal space into a community-oriented hub in the Lower East Side. The Lowline will use innovative solar-technology to bring natural light underground - providing an exciting opportunity to build a green space, and provide programming and activities that are accessible year round. The organization is kicking off a community engagement process to find out what local residents want to see in this unique place. Now is your time to get involved!

**Community Engagement Timeline:** You are invited to submit feedback or attend an event any time between December 2016 and June 2017. For specific events, refer to the timeline below. Details about timing and location will be posted on [thelowline.org/community](http://thelowline.org/community), coUrbanize, and announced at every Community Board 3 meeting.
