SCS Property Virtual Community Meeting 1

Please join us for our first Virtual Community Meeting on August 25th at 7:00 pm!

The City of Dublin would like to hear your thoughts on the 77 acre SCS Property at Tassajara Road! This will be the first of three virtual community meetings to envision a new land use plan for the site. The City has contracted with a design team led by ELS Architecture and Urban Field Studio to conduct the outreach efforts and develop your ideas into an exciting and feasible plan. In this first meeting we will cover background research about the site and host an interactive brainstorming session. The meeting will be held in a Zoom format, please see the link below.

See you soon!
