WE BELIEVE that music is for the people and everyone should have access to quality products that let consumers experience how fun music can be.

WE BELIEVE that Crosley products should be an extension of our consumer’s unique personality, voice, fashion and lifestyle. #AmplifyYourStyle

WE BELIEVE that aligning ourselves with music industry professionals will lead to the creation of successful products.

WE BELIEVE in constantly stepping up to a new stage and whether it’s a budding vinyl enthusiast or a passionate collector, we’re listening and taking on the future with the heart of adventure.

WE BELIEVE that we have the responsibility to grow and protect the legacy of Powel Crosley Jr. as a visionary, pioneer and calculated risk taker. Inspired by his entrepreneurial spirit, we never rest on our successes and always strive to innovate.

why
Crosley exists to bring the joy of music to everyone

how
We activate the power of Crosley to ignite an emotional connection between our brand and music

what
We draw inspiration from the past to design and manufacture quality electronic products that will amplify your style

mission
Amplify Your Style. This is our mantra. With entrepreneurial spirit and music at our core, Crosley draws inspiration from the past to create products that are an extension of our consumer’s unique personality, voice, fashion and lifestyle. With over 30 years of bringing stylish music to the people, Crosley strives to innovate and continue to be the biggest trendsetter of the physical music resurgence.
