

# make **healthy** happen

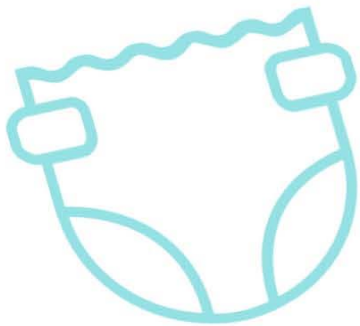

## Diaper Drive!

**February 2020**

One in three American families struggle to provide their babies with a basic essential need – diapers. This is called diaper need, and there's very little help or public resources for it. Additionally, American senior citizens of fixed low income also have diaper needs that are not met. We are helping moms and dads as well as seniors in the community provide for one of their basic needs – diapers.

Please bring in the following size diapers, and place them in our drop box located at:

- **Main Entrance Lobby**
- **West Pavilion**
- **Testing Center**
- **Cardiac Pavilion**

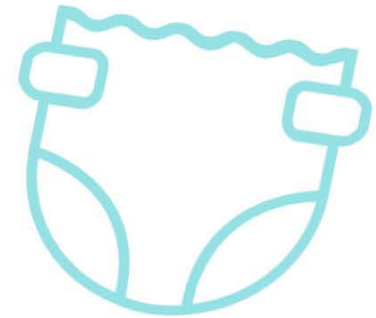

INFANT, TODDLER, ADULT DEPENDS

**WE NEED:**

**SIZE 5 & 6**

**Boys and Girls Toddler Sizes**

**All Adult sizes “no” tabs**

### ***Why are we helping?***

- Food assistance programs focus solely on food and nutrition and don't cover diapers
- Babies kept in dirty diapers for extended periods of time may lead to babies suffering not just physically but emotionally
- The majority of licensed day care centers require a full day's supply of disposable diapers and most Laundromats do not allow cloth diapers for sanitary reasons.
