The mission of providing hope, help and healing through professional counseling and psychiatry has motivated Samaritan Counseling Center to serve over 3,000 clients since 2008. Many of our clients struggle with depression, grief, anxiety, compulsions, trauma, suicidal thoughts or the ongoing challenge of bi-polar disorder, paranoia, psychosis or other brain illnesses. We help those dealing with the many challenges of growing up in today's world.

Samaritan Counseling Center's clients range in age from 3 to 98, and are helped by 13 seasoned, compassionate, licensed providers. No one who Samaritan is turned away due to the inability to pay, which means we must raise enough funds through grants and contributions to cover \$100,000 of charity care annually.

THANK YOU FOR YOUR SUPPORT!

We look forward to seeing you on June 9th.
