# From the Driver's Seat - Harvey Yancey, President

Looking Ahead in 2009

This year certainly has gotten off to an interesting start. By the time you read this we will have said farewell to a two-term President (ummmm ... that would be George W. Bush not Bob Saville btw) and inaugurated a new President with obvious historical significance. This all occurred in a very orderly and structured manner, making our system of government very unique in the world. Regardless of who you voted for or your political affiliation, this is something to be celebrated and cherished by all Americans.

Speaking of celebrating, another headline of this young year is the story of US Airways Flight 1549 that ditched in the Hudson River on January 15th. I read one article that stated there had only been four other 'successful' intentional water landings in the modern jet era. Incredible. I know we have many pilots, flight attendants, ground crews and other airline employees that are Carolinas Region PCA members. Hats off to all of you for keeping us safe when we are enjoying our second most favorite form of transportation!

Now that we are up on current events, let's turn our focus to the Carolinas Region. As I said in last month's article (which was WAY longer than I had realized) we as a Region are in good financial shape. With that in mind and keeping an eye on the current economic climate we as a Board will do our best to hold the line on any increases in event costs to our members even though the Region will incur increased costs at both of our traditional track venues, namely CMP and VIR.

Speaking of events, the Mid-Winter Track Seminar was a sell out! I am hoping that those of you that attended enjoyed the class and that you have been inspired to try out your newly found knowledge at our first Driver's Education event of the year at Carolina Motorsports Park in Kershaw SC (February 28th - March 1st). You can sign-up for the event at <http://register.pca.org/>. Details for the event can be found in this issue of TR and on the Carolinas Region website at <http://www.carolinas-pca.com/>.

I hope that our fellow members in the Triangle Area enjoyed their Holiday Party that was held on January 24th and that everyone in the Upstate Area had a great time at their annual Chili Cook-Off held at Protech Motorsports on the same date. Check the Calendar on the Website and TR for upcoming events in and around the Region.

As I mentioned last month we are in need of assistance with a few positions. One open position is Archivist/Historian. This person will be in charge of collecting and organizing our Re-

gional artifacts as well as acting as a detective to fill in the gaps in our Regions early days. With our 50th Anniversary coming up next year this position takes on even greater importance. Another duty that Archivist/Historians take on in other regions is putting together a Year Book. I do not think this has ever been done in the Carolinas Region before but I think there is interest. I know I would like one.

The next need is twofold. I want to have someone be in charge of Regional Photos (collection and documentation, but not necessarily taking photos) and also have someone handle/coordinate Classified Ads. Both of these positions would liaise with both Tobacco Roads (Alex Galloway) and the website (Paul Lueskow). This person would also work closely with the Archivist/Historian.

I am envisioning two people for these duties with but both jobs could potentially be handled by one person who is really organized and computer savvy. If you are interested in any of the above positions just email me at [president@carolinas-pca.com](mailto:president@carolinas-pca.com) or call me at 704-906-0343.

Speaking of computer savvy ... did you ever get any of Bob Saville's regional emails? PCA National has this really cool email system that allows Region President's to automatically send out emails to everyone in their region based on their information in the PCA National database. This is very effective on getting info out very quickly but it is dependent on one thing ... the accuracy of your email address.

When I was Membership Chair I would periodically send out email blasts based on the addresses I manually downloaded from National. Invariably 40%+ of the email address would bounce. Is yours up to date?

Just to be sure please take the time to check. You will need your PCA User Name and Password. If you do not have that information call PCA National at (703) 321-2111 and they will be glad to help. Below are the steps you need to take:

- 1) Go to: <http://www.pca.org/login.asp>
- 2) Once you login you will be taken to the Forms page. Click on the Home Page link at the end of the first bullet.
- 3) In the top right hand corner you will see your personal information, including your email address. If it is wrong just click on the email address and it will take you to the 'Update Your PCA Record' page.
- 4) The 4th item down is your email address. Once you edit it just hit the 'submit' button found above the editable area.

That's it for this month. I hope to see you at an upcoming event and keep the suggestions coming!

- Harvey

## Hickory Area Report

### Delmar Kiser, Area Director

It's the New Year and it's getting off to a cold start. As I write this report the world outside is covered in snow, and it's the kind of cold that goes right through you. It's definitely not prime Porsche weather, but soon the winter will be gone and it will be time for spring and another season of fine driving.

We did not have a January meeting for Hickory area so there is not a lot of news to pass along. One bright spot is our new meeting place. I'm very happy to let our members know we have a nice place to gather each month. We will be meeting at Flat Rock Grille 1350 Hwy. 321 NW. Hickory NC phone 828-324-7339... next meeting will be Tuesday Feb. 10 at 6:30 pm. The new venue will be more centrally located to most of our members with a private room that will be much better suited for club meetings. Come out and join in and help us plan our activities for 2009.

See you Feb. 10.

Delmar

## Interested in becoming a PCA National Drivers Ed Instructor?

### Carolinas PCA Instructors:

PCA national DE instructor training certification will be held on Friday, May 15 at Carolina Motorsports Park (CMP) in Kershaw, SC. Instructors who have not been certified are encouraged to attend. If you have thirty track days and are interested in participating you are welcome; however, you will not receive PCA instructor certification until you have one year of instructor experience.

Those participating must contact **Marty Barrett** by **May 1** so that adequate materials can be prepared. Although there is no cost for the training classes, participants must register with TurnOne at CMP for the track day in order to complete the on-track portion of the training.

Contact Marty at: [barrett996@earthlink.net](mailto:barrett996@earthlink.net) or 910-295-1955.

## Carolina Blonde Brewery Run- March 21st

Join us for a beautiful drive through the countryside en-route to a much anticipated stopover at the Carolina Blonde Brewery. The beer aficionados in the group will greatly appreciate the variety of brews and would likely enjoy a tour of the facility. Once we have had our fill of barley and hops the procession will move lakeside. At which point, you can satisfy your hunger at the Rusty Rudder. Times and starting location to be determined.

## **Upstate Area Report**

### **Jim Horner, Area Director**

Greetings from the Upstate!

Our group enjoyed our first meeting at a new location in January. There were about 40 of us at Brick City Grille, and the new spot got a lot of favorable comments from those attending. Especially popular were the ability to have a “girls’ table” and the great Happy Hour drink prices that we enjoyed until 8 PM. Based on the favorable comments that night, we’ll continue to meet here for 2009. Thank you to the members who researched other locations and especially to **Karla Kuhn**, who suggested Brick City Grille and arranged for the \$50 room fee to be waived for our group. It’s great to have such “in the know” members!

At our raffles at each meeting and especially at our auction at the Christmas party, our group raises money for charity. We ended up at just under \$4,600 in 2008. This was distributed through the St. Vincent DePaul Society, coordinated by **Gail Hediger**. Since she and Gary couldn’t be at our January meeting, she sent an email with an outline of how the funds were distributed. Our club kept 9 families from having their water cut off, 13 families from losing their power, 3 families from having their gas shut off, and provided food for a struggling family of 17 living in a 2-bedroom home. It’s what the holidays are really about. And in difficult economic times, when the need is even greater in our community, it is especially gratifying to be part of such a generous and kind-hearted effort.

Speaking of hearts, we had a lovely announcement at our meeting. After 6 or so years of dating, **Shane Tisdale** proposed to **Sandy Liles** on Christmas Eve. And she accepted (though **Ken Padgett** told her she could do better!) After the applause and blushing died down, Sandy announced to the girls’ table that she would be registering at Protech! All kidding aside – difficult to do with our group – both Shane and Sandy are wonderful people who have come to mean a lot to many of us, and we all wish them every happiness.

Here are some upcoming events to add to your shiny, new 2009 calendars:

#### **Saturday, April 18 – Blockhouse Steeplechase in Tryon, NC.**

Our group is again invited to share in this springtime equestrian event as guests of **Chris** and **Mandy Creaseman**. **Karla Kuhn**, who is usually the coordinator for this event for our group (and the creative force behind our award-winning hats) is requesting volunteers to help organize. More details to come.

#### **Saturday, July 18 – Carolina’s Region Pool Party in Spartanburg, SC.**

Don’t miss this family-friendly Party-of-the-Summer at the beautiful home and garden of **Gene** and **Paula Kendrick**. As in years past, there will be a People’s Choice Concours, BBQ, swimming, sitting in the shade, and in the evening, a DJ to keep the party going.

## **Metrolina Area Report**

### **Steven Zakely, Area Director**

In general we can learn a lot by looking into the proverbial "rearview mirror", and I'm sure the pundits will analyze and the historians pontificate on the significance of 2008. Personally, this is one instance where I'd prefer to focus my attention on what lays ahead- a new year with a new president setting an unbelievable historical precedence. The world is bracing for change, hoping that with it comes a new world order, a calmer more empathetic and sympathetic humanity. Like many others I'm looking to 2009 with renewed vigor and greater hope.

As the new area director I want to channel that enthusiasm in many ways. I want to embrace the spirit of friendship that comes with belonging to our club, foster it and expand it. Work to bring greater diversity and create an ever engaging environment. I believe Einstein once said that the "only thing permanent is change". In keeping with that thought there may be a change or two in store for the Metrolina area as we head into 2009.

We are looking into possibly changing the venue for our monthly meetings. As I write this I am hashing out details with several new establishments, weighing the pros and cons. Hopefully, whatever decision that is ultimately made will be met with the spirit of its intentions- to keep the meetings fresh, fun and engaging. I'd also encourage members to reach out to other Porsche owners who may not belong to the club. Your enthusiasm for the club has the power to be infectious.

I am working hard to make 2009 a busy fun-filled year. Aside from the events already scheduled be on the lookout for such things as the first annual "Marquis Challenge"- a rally type event that will pit car clubs against each other; possible Queens Cup Steeplechase event in April, a first annual Prancing Horse Concours and Drive-In; a Carolina Blonde Brewery Run (first Saturday in spring/ March 21st 2009); a drive and taste winery tour; and a Knights baseball game and drive.

At our first meeting in 2009 there were roughly 50 die-hard members in attendance, which was a great way to start the New Year. During the meeting everyone had the opportunity to meet JP, General Manager for Woodies/Pas Automotive located near downtown. Woodies/PAS specializes in Porsches, BMW's Mercedes and Audi's. We also had a short presentation by David Salama, Executive Director of Supercar Sensation. If you ever wanted to drive a Ferrari, Lamborghini or Aston Martin, Supercar Sensation provides you with the best and perhaps cheapest opportunity. Check out their website at [www.SupercarSensation.com](http://www.SupercarSensation.com). If you or somebody you know is interested in a drive please call one of their **MARKETING SPECIALISTS** (which just so happens to be myself) at (704) 293-0682 or schedule an appointment via the website.

Hope to see everyone at our next meeting!! (site to be determined).

## **“Register for Parade - 101”**

### **54<sup>th</sup> Porsche Parade**

**Keystone. CO. June 29<sup>th</sup> – July 4<sup>th</sup>, 2009**

While talking with some of our PCA members during the regional Holiday parties, it occurred to Kathleen Lennon and I that some of you really didn't have a good idea of what registering for the Porsche Parade is all about. We thought we should take a moment to explain just how the process goes. Here are some of the basics for you to think about:

When you register for Parade 2009 online, you must first have access to the PCA National website. Some of you may already have access to [www.pca.org](http://www.pca.org) and have a password set up for its access. For those of you who do not, please contact Vu Nguyen, PCA Executive Director at [vun@pca.org](mailto:vun@pca.org). He will assist you in gaining access to the National site, where you will be registering for our 2009 Porsche Parade.

Have a copy of the 2009 Porsche Parade's full schedule of events at hand. It will help you when you are in the registration process, and you can find the full Parade schedule on [www.porscheparade2009.com](http://www.porscheparade2009.com). It will list the four major competitive Events, Special Activities and Banquets plus all their dates and times for your convenient selection. The Parade registration process will take you approximately 30 minutes on line.

The 54<sup>th</sup> Porsche Parade registration fee is \$165.00, and covers basic admittance to the Parade for the entrant, a co-entrant, and one car. The co-entrant may be an unaffiliated PCA member, but must share the same car with an entrant. An exception applies if the registered Porsche is not legal for street use, in which case a second Porsche may be registered for use in the TSD rally only.

Beginning with the 54<sup>th</sup> Parade, we have lowered the registration fee, but will be charging entrants additional fees for the four major competitive events, if you choose to enter any or all: Concours - \$20 per car; Autocross - \$20 per driver; TSD Rally - \$10 per car; and Tech Quiz - \$10 per person.

Additional fees apply for banquet/meal tickets and for selected other activities such as the spectacular driving tours, golf tournament, 5K walk/run and some Parade kids' activities.

#### **There are three ways to register for the Colorado Parade and all its activities:**

- The fastest, easiest way to register is online at [www.pca.org](http://www.pca.org)
- Before you can do that, you must be a registered user on the PCA website, as I have stated above. If you aren't already registered, please do that now so you are ready to go at

Registration time. If you are already registered, please make sure your information is up to date.

- If you are not comfortable using the online method of registering, please go to the Colorado Parade site directly at [www.porscheparade2009.com](http://www.porscheparade2009.com) to download the registration form. Fill it in and mail it on or after March 3, 2009.
- If you do not have Internet access, call Kathleen Lennon, Parade Registrar, at 719-487-2842 or 719-330-1525 and request that a paper registration form be mailed to you. Requests for paper registration forms will be accepted beginning February 14th.
- Mailed registrations and online registrations will be treated alike. There is no advantage to registering either way, beyond your own convenience.

As in the past, there is no early registration. The online registration site will be available starting **Tuesday, March 3rd**. All online registrations submitted on **March 3<sup>rd</sup>, 4<sup>th</sup>, or 5<sup>th</sup>** will be treated equally as first day registration and paper registrations postmarked the same days. Paper entries received with an earlier postmark will be rejected. There is no rush to register on a single first day as in past Parades. You may also register later but your options may be somewhat limited.

As you can see, Parade registration has its rules, as do many regional events we all register for. If you are still confused or simply worried you won't do it right, please feel free to call Kathleen Lennon. She will hold your hand through the process **prior** to our actual registration dates.

Kathleen and I hope these hints and things to think about will help you with your registration for the 2009 Parade. Once you are registered, you will receive a confirmation of registration from the registrar and the Parade code to help you with your selection of Keystone Parade lodging. Whether you choose a hotel or a condominium, you will need this Parade access code to obtain the Parade rates. Check our regional Parade website for a lodging map of the Keystone area [www.porscheparade2009.com](http://www.porscheparade2009.com)

Walt and I will also be available to answer any Parade questions you may have. Our e-mail is [katfricke@msn.com](mailto:katfricke@msn.com) or call 303-499-6540.

Welcome to the registration process for the 2009 Porsche Parade.

Kathleen Lennon - Parade Registrar

## CABIN FEVER DRIVE TOO!

.....Ride

Join the Triad Area PCA for a 142\* mile, Saturday March the 7th, ride over the two lane roads of northwestern North Carolina. Beginning in Wilkesboro, NC we will travel north and traverse the Continental Divide multiple times at elevations over 3000 above sea level. Seldom will the non-Blue ridge parkway roadways be straight for more than one mile at a time.

For the eastern attendees...

The Big Shots restaurant located in Clemmons/NC (780 ft above SL), on the west side of Winston Salem where we have held our monthly meetings of PCA, is our meeting place for those that wish to drive together to Wilkesboro (1100 ft above SL). We will depart at 9:00 AM proceeding north on 421 and take exit# 285 to Screen Printers Unlimited where our PCA event formally begins.

\* From Big Shots/Clemmons and back is estimated to be 236 fun miles.

The round trip drive time from Big Shots, including multiple stops and a 1 PM lunch at "The Pines" in Sparta, is estimated at eight hours.

Then say so long to the four lane roadways as we experience the road elevations to increase to that of 3000+ feet over the paved two-lane back roads of NC.

Watch out again for those black snakes along the roadway. These snakes will make you smile and will only bite if you are careless. The black snakes are the yellow roadside signs with the black S shape and have a black pointed head.

We will honor the posted speed limits. Considering the terrain and duration of this enjoyable ride.... you will not be bored. Get those forearms toned up.

Remember to bring your camera for some wonderful photo opportunities to capture nature in its purest form, photos of your friends ...and maybe a Porsche or two as well.

No registration or entrance fees are necessary but it would be helpful to know prior to the drive approximately how many vehicles may participate. If you wish to join us drop an email to [targa197432@aol](mailto:targa197432@aol) and please enter PCA ride in your subject line so it will not be filtered out as spam. Please inc. your starting point city name, cell number, model of vehicle, and if you will be bringing along a second person.

Just bring along a "spring smile", a spring in your step, and proper tire pressures.

## **Sun Fun Area Report**

### **Rock Webb, Area Director**

Our next meeting is the Doc's Grrrage Chili cook-off, Tuesday, Feb 17 at 6:30. Bring your favorite chili or dessert and we will have a great time. We may even have some live music.

BTW Troy Bostick the owner of Doc's Grrrage is having some medical issues so wish him the best. Hope to see you there Troy.

Events coming up are the 12 hours of Sebring and The Amelia Island Concours in March. The Pine Island Concours is on Saturday April 18, please plan to attend, it is a great event.

Plans are being made for summer activities including a LeMans Pool Party- 24hours - maybe!

**SUGGESTIONS ARE WELCOME!**

ROCK

Anyone interested in attending the Daytona 24? Here is an invite from the Atlanta folks:

Subject: Daytona 24 hr Race – From the Atlanta folks in the Peachstate Region

If you are going to Daytona, this is where we are staying. We stayed there last year and it is very good. It is about 3 miles south of the Ocean Deck but much nicer than any hotel in that area.

Let me know if you are going so we can get together for drinks and dinner.

Danny Saxton

### **RACING AND RAMBLING**

Ok, our next race opportunity is Road Atlanta, lets do it. I am skipping the Sebring PCA race but will work the sandblastrally.com being held in Cheraw SC. This is a car bike Dakar style off road rally! Check it out!

Speaking of Dakar it was awesome with daily coverage from VERSUS. SPEED blew it, they would rather show 24 hours of Barrett Jackson Auction crap!

Yes, the Dakar was held in Argentina this year and really covered some rough terrain jungle, desert, and the Andes. Porsche finally had an entrant and finished 20. The VW Touareg's dominated finishing 1, 2 with good old USA 3rd. Robbie Gordon in a hummer!!!

With the economy down racing may be curtailed but we still have Daytona, the Sebring 12 hours, F-1, the Petite Lemans and Club Racing on the calendar.

## **Porschefest in Asheville, NC this May 23-24**

The Carolinas Region announces its 12th annual Porschefest, sponsored by Deal MotorCars and German Motor Werks of Asheville, scheduled for Memorial Day weekend May 23 and 24, 2009. For the first time, this multi-event tradition will be hosted in and around beautiful Asheville, NC. The essence of the Porschefest is three judged events; an Autocross, a Concours and a (gimmick) Rally, followed by an evening awards banquet. A highlight of this special weekend will be a unique shoot of attendees and their Porsches on the grounds directly in front of the Biltmore House, the largest private residence in North America and Asheville's crown jewel. Brunch at Biltmore's Deer Park Restaurant (included in the registration fee) and a Concours on the Biltmore estate grounds will follow. Customize your participation to create your ideal weekend getaway. Choose from our mountain-top Autocross and ample opportunities to tour area roads. And don't forget to leave plenty of time for socializing with others that share your passion for Porsche. Enjoy the cool mountain air and easy access to the Blue Ridge Parkway.

Asheville, known as the Paris of the South, is a great choice for the event – its compact downtown features a unique mix of Art Deco architecture, arts and crafts heritage, shopping, restaurants and unmatched people watching, all surrounded by the beautiful Blue Ridge Mountains to the east and the Smoky Mountains to the West. Area roads offer the finest twisty tarmac east of the Mississippi for enjoying your Porsche and the scenery is beautiful. Our headquarters hotel offers a relaxing resort setting with full range of amenities yet is just a 5 minute shuttle ride to downtown.

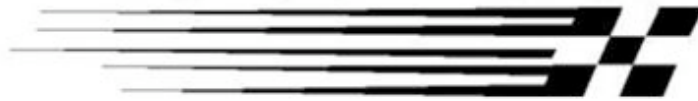

Early check-in and registration is Friday May, 22. Events begin with an Autocross at Scenic Wolf Resort at 9am on Saturday May 23. A Touring session on area roads is also scheduled for the afternoon, overlapping the Autocross. Sunday morning dawns with our Porsches assembling for the Biltmore House photo session, followed by an expansive brunch and Concours on the estate. Complimentary lunch and tour at The Winning Collection follows. This is your opportunity to tour one of the finest exotic car showrooms and award-winning restoration shops in the eastern US. Our lunch venue also functions as the starting point of the Gimmick Rally. The Rally ends at our headquarters hotel, the Crowne Plaza Resort, followed by hospitality, dinner, and awards and dancing later into the evening. An optional Touring session is available Monday morning May 25, Memorial Day.

Mark your calendars for May 23 and 24, 2009. This event is limited to 100 registrants and promises to be a sell-out. The deadline to register is Monday May 11, 2009. Registration forms can be found on the Carolinas website at <http://www.carolinas-pca.com>. Registration information may also be obtained from Registration Co-Chair Matt Pohsweg at [gewshop@windstream.net](mailto:gewshop@windstream.net) or 828.894.6194. For general Porschefest information, contact Jim Peterson, event Chair, at [mountain-ad@carolinas-pca.com](mailto:mountain-ad@carolinas-pca.com) or 828.654.6494. For hotel information and reservations guests should contact the hotel directly via [www.ashevillecp.com](http://www.ashevillecp.com) or call 800.733.3211 or 828.254.3211 and mention the Porsche Club of America in order to reserve a room at the group rate. A variety of room options are available including suites and free-standing villas.

## **Mountain Area Report**

### **Jim Peterson, Area Director**

January has started the year as a busy month for the Area and the Club. We had 28 attendees at the January 3rd meeting at American Garage where we toured the facility with Jerry Ansley. There we picked up some ideas on flooring alternatives, storage options, and automotive enhancements/detailing. By the way, for all those who attended the 1/3 session, the 10% discount offer has been extended to April 15, 2009 on the entire in store product line and lifetime warranted epoxy floors. If you are in the market for an epoxy floor, this might be the offer you need to help you with your decision.

Our Porschefest planning group is hard at it preparing for the event next Memorial Day weekend and hosted a productive session on 1/7 attended by Bob Saville (PCA Zone 3 Southeast Representative and Carolinas Region Past President,) Nadine Saville (Carolinas Region Membership Chairman and Drivers Ed Registrar) and Mike Jones (Carolinas Region Concours Chairman.) See information elsewhere in this issue on Porschefest 2009 including registration and schedule details. Our team is working hard to make this a special weekend for Club members. I encourage all of you to consider attending Porschefest 2009 (the weekend is designed to offer something for just about everyone with an interest in Porsche cars.) We have some fantastic venues and events planned for your enjoyment.

Under the direction of Mike Jones (Regional Concours Chairman) we held a Concours clinic on 1/17 at German Motor Werks of Asheville in preparation for Porschefest. The primary purpose of the training session was to attempt to ensure that all judges share a common perspective and understanding when it comes to the Concours judging assignment at Porschefest 2009. (Thank you Scott and Liz Spence for making your shop available to us on Saturday 1/17 for this event).

Our next monthly meeting will be Saturday February 7, 2009 at 11 am at Deal MotorCars in Asheville and will feature a presentation on the Carolina Trophy Road Rally. This annual event is held on some of the best roads in the region and features exotic and collectible cars in a TSD rally that takes place over a number of days/stages. Paul Misencik, fellow Porsche owner and Carolinas Region PCA member, heads up the effort and will be with us on 2/7 for the presentation. Incidentally, Paul and Steve Zakley (Metrolina Area Director and 2008 Porsche Parade Gimmick Rally Chairman) have offered to assist us in the planning and staging of the Porschefest 2009 Gimmick Rally.

In terms of future planning and events for the Mountain Area the near term looks like this:

**March 7** - tour of The Winning Collection - a most impressive exotic car showroom and first class restoration facility located right here in Asheville.

**April 4** – drive and dine – an enjoyable drive to and from Hot Springs, NC for lunch.

**May 2** – Porschefest 2009 volunteer orientation session.

**May 23-24** – Porschefest 2009!

Last but not least, please see details in this issue on an exciting event planned for April 24-26, 2009 that combines rubbing shoulders and enjoying hospitality with TRG (The Racers Group) drivers and management while attending the Rolex Grand Am race at VIR/Virginia International Raceway. TRG has 5 cars entered for the 24 Hours of Daytona Grand Am race this January. This April event promises to offer an exciting behind the scenes interaction with a highly successful racing organization.

VIR AUTOCROSS  
November 22, 2008

**2009 Autocross Series**

Thanks to all 67 drivers who participated in the 2008 autocross series. I hope all had a great time and will join us again this year as we run our 2009 series. We hope to have at least 5 events this year with the first being hosted by the Triad area at Wake Forest in April. Details to follow as Jerry Kilcrease finalizes details with Wake. The second event would be the autocross at PorscheFest, scheduled for Saturday May 23rd in Ashville. A third event would be our annual event at the VIR DE in November/December. Details to come on the remaining two events.

Included in TR this month are the trophy winners from the 2008 series and the results from the 2008 VIR event.

Thanks again to all who helped make these events happen and to everyone who participated in 2008.

## **Porsche Wins Numerous Prizes and Awards**

**Stuttgart.** 2008 was yet another excellent year for Dr. Ing. h.c. F. Porsche AG, Stuttgart, in the truest sense of the word: once again, the 911, the Boxster, the Cayman, and the Cayenne brought home numerous prizes and awards for the German manufacturer of sports cars. In all kinds of contests, competitions and tests, both the public and the press, customers and connoisseurs confirmed through their vote that Porsche continues to outperform even the greatest expectations in the market.

Porsche has become a regular winner in the contest for the “Best Cars”, conducted each year by Germany’s leading motor magazine *auto motor und sport* among its readers. In 2008 the Overall Convertible Award went to Porsche’s proven 911 Carrera Cabriolet. The readers of *Sportauto*, another leading German car magazine, chose the Boxster in the Convertible/Roadster Category up to Euro 80,000 as the “Most Sporting Car in 2008”, thus paying their tribute to the enormous dynamic driving potential offered by Porsche’s lightweight mid-engine roadster.

The open-air 911 also convinced the readers of *Auto Zeitung* to choose this outstanding car as No 1 in the Convertible Category above Euro 30,000 for their “Auto Trophy”. And for the 15th time in 21 years, the 911 Carrera was chosen by the same readers as the “Best Sports Car”, winning its category by a wide margin. *Auto Bild Sportscars*, in turn, acknowledged the 911 GT2 as their most outstanding sports car, just as the 911 GT2 was also lauded by *Powercar*, another leading sports car magazine, as the winner in the Supersports Category above 450 bhp. The 911 GT2 is of course the top supersports model within the 911 model series. The editors of the same magazine also picked the 911 Turbo Cabriolet as their No 1 in the Convertible/Roadster Category and the Cayenne Turbo S as the best offroader.

The Cayenne successfully defended its leading position as the benchmark in the SUV market with several magazines. Readers of *Off Road*, a specialist magazine for vehicles of this type, chose the Cayenne in their “Off Road Award 2008” as the best luxury SUV. *Diners Club Magazine* lauded the Cayenne as the “Best Offroader of the Year”, and the internet portal *Autoscout24* presented the Cayenne with its “Internet Auto Award” as the best sports utility of its class throughout the whole of Europe. Porsche’s SUV also won the national competitions in Germany, France and the Netherlands, with *Autorecht24* placing the Cayenne Turbo right at the top in 2008 as the “Car of the Year”.

Porsche models were among the winners also on other continents, as is clearly borne out by two examples in particular: No less than two Porsche sports cars appear on the podium in the prestigious “Performance Car Of The Year” Award presented by *Motor Magazine* in Australia, with the 911 GT2 ranking right at the top and the new Carrera S with PDK receiving third place from the jury. And in the opinion of the US car magazine *Car and Driver*, Porsche’s Boxster and Cayman entry-level models are among the world’s “10Best Cars”, as in the previous year.

Porsche sets the benchmark not only in terms of products, but also through its vehicle concepts and technologies. As an example, VDI-Gesellschaft Mess- und Automatisierungstechnik awarded their “Ueware Prize 2008” to Porsche’s new PCM 3.0 Communication Management. PCM stands out in particular through its simple, rapid and safe operation, this special award presented once a year expressing the appreciation of the Verein Deutscher Ingenieure (Association of German Engineers) for particularly user-friendly systems based on outstanding methods of development.

**Mountain Top Condo - \$99 a night special rate!** - Relax in our beautiful, fully furnished home away from home after you've worked out the rubber on the twisty mountain roads in your Porsche. We are located at the top of "Echota on the Ridge" in the small town of Foscoe, just minutes from Boone, Banner Elk and Blowing Rock. Grandfather Mountain and the Blue Ridge Parkway are just a short drive away. And when we say top of the mountain, we mean the TOP of the mountain! "Echota on the Ridge" is beautifully situated atop the ridge-line where the views are as unforgettable as the memories! Located on 97 scenic acres, this gated community features breathtaking views of the Blue Ridge Mountains. Spectacular ridge-top views abound from our spacious 2 bedroom / 2 bath condo. We are in a top floor unit with a vaulted ceiling in the living area and a sleeper loft. Our unit will comfortably sleep up to 6 people. Please visit <http://www.vrbo.com/179869> for additional info and pictures, or email us at [top.of.echota@gmail.com](mailto:top.of.echota@gmail.com) (2/09)

**Weekend in Charleston:** Nicely renovated 2-bedroom town house on James Island. 5 mi to downtown Charleston, 8 mi to Folly Beach. Since I work in Charleston every Monday to Friday, I bought myself a town house on James Island located at a wonderful pond that draws all sorts of wildlife for everyone to watch. But then I go home to spend the weekend with my wife in Charlotte and my place sits empty. So I am ready to offer my home to friends from PCA who want to spend an enjoyable weekend in this most inspiring city. Each bedroom is equipped with a queen size bed, 1 1/2 bathrooms, fully equipped kitchen, Cable TV, wireless internet. Please no pets. \$150 for a weekend (Fr 8AM - Sun 8 PM). Contact me by phone (248)250-0519 or e-mail "[dirk.eybl@us.behrgroup.com](mailto:dirk.eybl@us.behrgroup.com)" (2/09)
