From the Driver's Seat - Harvey Yancey, President

Happy New Year and Happy 50th Anniversary!

It is the evening of December 19th and I just finished giving our two English Bulldogs a bath. Always the adventure but it is part of our pre-travel ritual when going out of town. As you probably guessed Vivian and I are preparing for the classic Christmas drive to my parents home in Greenville, NC. Normally that is about a 4 ½ hour drive but since this will be the furthest we have travelled with the twins, I am anticipating at least 2 stops along the way and an additional 1 ½ to 2 hours of travel time.

With the amount of luggage, baby stuff, gifts plus two dogs we are forced to drive both the Cayenne and the 530i. In an effort to retain some semblance of sanity we are also splitting up the kids and the dogs. We both get one of each to keep things manageable. There is nothing like two crying, hungry babies to rattle your brain. Luckily the dogs travel really well and sleep most of the way. I am hoping the babies do the same. Right.

To solve the storage issue next year so we can take just the Cayenne, I have looked at several solutions including roof racks, but it looks like we will go with a tow hitch cargo carrier. But before we can use one I have to retrofit a tow kit onto the Cayenne. BTW – If you have to retrofit a tow kit on a Cayenne be prepared for the \$1,500 price tag for parts and installation. And although you could do the installation yourself, your local dealership will have to reset some software in the vehicle in order for it to work correctly.

As I eluded to in last months' article we have indeed found a worthy Vice President. Dale Hewitt handed over the duties of Newsletter Editor in January of 2009 to Alex Galloway, but has kept involved with the club through attendance at many events this year. I spoke to him about the open position at the Holiday Party and he expressed interested in providing further

service for the Region. I then submitted his name to the Board and accordingly the Board unanimously voted Dale in as Vice President. Dale has already assumed those duties and we all are looking forward to working with him this year.

By the time you read this it will be after January 1st 2010, so please take a look at the Regional Calendar and start marking off dates on your own personal calendar. We have an exciting and PACKED schedule for you this year. Whether your interests revolve around Tours, Autocross, Driver's Ed, Social Events, Club Racing, Concours, etc ... we have you covered.

In addition to our regular events we will have some additional events celebrating a huge milestone for our Region, namely our 50th Anniversary. Yes, the Carolinas Region has been around since 1960. The original petition was sent to PCA National on November 25th 1960 and according to the reply letter our petition was to be discussed at the next Executive Council meeting in Pittsburgh on December 3rd. Apparently PCA National thought we were ok since our Charter was granted that day.

Our 50th Anniversary Committee is busy working on a couple of different events for you. One is a 50th Anniversary Tour that would encompass a drive through all 8 Areas in the Carolinas Region, with stops of interest along the way. This will be at least a 2 day event and will include an overnight stop along the way.

The other is a formal 50th Anniversary Celebration tentatively scheduled for the weekend of November 5th-7th. This event will include a top down, People's Choice Concours with Brunch and a Banquet in the evening. More details on that weekend as it evolves.

BTW - One item of interest that you may not know is that the Carolinas Region originally encompassed ALL of North Carolina and South Carolina. Over the years several regions spawned from ours, namely Coastal Empire, Hurricane and Palmetto. Accordingly we invite all our brethren to join in on the celebration.

Continuing a rundown of our 2010 Events, our Autocross Series will be bigger than ever. If you have never driven your car at an Autocross we invite you to come out and see what your car can really do. It is safe and we can loan you a helmet if you need it.

This year we will have a Concours Series with a point system similar to our Autocross Series. We are shooting for 4-6 events including the Concours at PorscheFest.

With our newly formed Track Committee we have some very exciting Driver's Ed events lined up, including a summer date at VIR (still tentative as of this writing) and our Club Race, which took a hiatus in 2009, will be one of the premier PCA Club Races of the season.

PorscheFest for 2010 will again be run by Jim Peterson and the crew from the Mountain Area. It looks like it will be another classic Carolinas Region event.

Vince and Vallie Piccirelli have taken on Fall Tour for 2010 after a successful event in 2009. Since Vivian and I had to take a rain check this past year we are looking forward to attending the event this year.

Well ... it is midnight and I still have to pack so I will go ahead and close out this article.

As always if you have any ideas, comments or feedback please feel free to contact me at president@carolinas-pca.com or on my mobile at (704) 906-0343.

Harvey

MID-WINTER TRACK SEMINAR

Saturday, January 30th, 2010

11 am to 2:00 pm

Carolina Motorsports Park, Kershaw, SC

Have you considered participating in Carolinas Region's Drivers Education Events but have not had the opportunity to do so? Or maybe you have some questions: Will I like it? Will it damage my car? What's expected of me? Who are the instructors and how do they teach me? What do I have to do to my Porsche to participate? – If you have any of these questions or others, this event is for you!

During Lunch, you will have the opportunity to casually discuss the program with instructors and club members that have been enjoying "life at the track" for years. After lunch, we will discuss the operation of a Drivers Ed event, concentrating on what you need (or want) to know as a participant. We will also discuss some of the fundamental concepts of performance driving such as turning, braking and accelerating properly, and the vocabulary used to describe track driving. Video and other materials will be used to give you a thorough understanding of what a weekend at the track entails. Marty Barrett, our Chief Instructor, will discuss the roles of the instructors and how they can help you understand your car and your driving. Finally, we will discuss the safety check and tech inspection that is performed on each car to ensure a safe and enjoyable event. If time and weather permits, we'll tour Carolina Motorsports Park.

This is our fifth off-track seminar to introduce the concepts behind the Carolinas Region's Driver Education Program, which is a series of high performance driving schools conducted at local tracks like Carolina Motorsports Park – IT IS NOT A RACING SCHOOL!

This seminar is open to all Carolinas Region members who have not participated in a Drivers Education event, or who have very limited experience on the track. **Region members with no prior track experience will receive a \$50 Coupon towards a Carolinas Region DE event**

Registration is Free!

Lunch will be provided

Space is limited, and pre-registration is required, so register early!

Please send your registration including name, number attending (please limit to those actually interested in attending a DE event), address, telephone number, **track experience**, and email address to:

Brian Powell, 813 Langley Dr Concord NC 28025
ATTN: Mid Winter Track Seminar

Name: _____

Email: _____

Hickory Area Report
Vincent Piccirelli Area Co-Director
Vallie Piccirelli Area Co-Director

Vallie & I wish to thank everyone who helped with the Fall Tour and events this past year. Most recently we had 33 cars in the Fall tour and Black Forrest racing Open House went extremely well with over 200 people. At our December meeting we had 23 people and the Food Drive raised 143 lbs of food, for ECCM, a local charity.

We are back at the Flat Rock Grille on the 2nd Tuesday, of each month @ 6:30PM for 2010. Vallie & I wish to thank everyone who helped us get started, especially Bryson & Kathy Kiser who provided good advice and opened up their home & garage for our 1st tech session.

We have a Tech Session planned for January 23rd at Black Forrest racing. We plan on opening at 10:00 am and running till 2 pm. We will have a Pizza lunch so please bring \$10 per person to cover the cost (please bring cash). You will need to sign a waiver, as we plan to have cars on the lift. We will need to know who is coming so please email at vincepsail@aol.com or call Vallie or I at 828-781-8332 at 828-781-8352.

The GOODIE STORE will be at our January meeting. Come prepared to see the new products Sadie & Jerry have in store, January 12th.

Some of the things we plan to do in 2010 are Tech Sessions, Guest speakers, Breakfast & Ride, Day trip to Highlands, and Winery tours. If you are a member but have not attended any events, we would love to have you come out and share a bite to eat.

We are asking for volunteers for some of these events so let us know what you would like to do. We are once again hosting the Fall Tour, we resisted the Spring-tour, under heavy pressure. O yes, that reminds me about the Board meeting, it really went well and there are a lot of activities in the works. FYI Bryson's is now the Membership Chair.

See you at our next meeting.

Metrolina Area Report
Don Morris, Area Director

Happy new year Porsche Club members. I hope you each had a good holiday season and that perhaps Santa put a new Porsche in your driveway.

The Club Christmas party was held in December in Greenville. Thanks to the Upstate Area for hosting. Sean and Cari Steinbrueck were named Enthusiasts of the Year, Congratulations. They, along with yours truly, won annual awards in the autocross series.

Our January meeting will be the third Thursday, the 21st at the Waldhorn Restaurant at 12102 Lancaster Highway in Pineville. We gather around 6pm for libations and start the meeting at 7pm. Come and enjoy some food and conversation with fellow PCA members. Tanner Andren who is a master mechanic with Hendrick Porsche is our planned speaker to give us some talk shop. So bring your questions about your Porsche for Tanner.

If you have been thinking about putting your car on the track at a Drivers Education event, I encourage you to consider attending the Mid-Winter Track Seminar on January 30 at Kershaw SC that Brian Powel is putting on. You will get to get all your questions about tracking your car answered.

I am working on a calendar of events for the now upon us New Year. If you have suggestions of things you would like to do, please let me know.

Sun Fun Area Report
Rock Webb, Retiring Area Director

Sun fun is alive and well, we had some 30 attendees at our Christmas Party at Alodia's Italian Restaurant. This was my last act as your Sun Fun Director and I appreciate the nice going away gift. Single Malt Scotch with crystal glasses and ice container - VERY NICE - Thank you!

It has been a fun experience for me and I appreciate all the support from the Sun Fun members and PCA. Sandy Shirley is assuming the Sun Fun director position, Sandy is highly motivated and will do an

excellent job for the Sun Fun Area.

We have immediate plans for a Chili Cook off in January, a drive to the Daytona 24 hours in February, and The Pine Island Concours in April. Future drives and other activities are in the works for the remainder of the year, especially a Concours and Club Race in the fall at CMP. Please give your suggestions to Sandy.

See you later,

Rock Webb

Sun Fun Area Report
Sandy Shirley, Area Director

As most of you may know Rock Webb has stepped down as area director and I, Sandy Shirley have now stepped in for 2010. We had a great Christmas Party December 15th at Alodia's with Rock as our honored guest and 26 people in attendance. Rock was kind enough to give PCA 14 years of his time and for that we give him thanks. I have many things planned for the coming year so please watch TR for our area calendar. I will also be sending out many emails. If you find you are not receiving emails from me please drop me a line and I will get you added to my list. sunfun-ad@carolinas-pca.com Hope to see you at our January meeting.

BYOB
Questions email Sandy sunfun-ad@carolinas-pca.com

Mountain Area Report **Jim Peterson, Area Director**

2010 already! A friend in Atlanta told me the "in" way to refer to it is "2K 10", if that's important to you.

We had a dozen folks at our December 5th meeting at Deal MotorCars where we took a look at some new car offerings from Porsche, Audi and VW for 2010. Thanks to Deal MotorCars for hosting our group that day. Mario de Francisco led the meeting and some good conversation about cars and events.

Our January 2nd meeting is (was by the time you receive this issue of Tobacco Roads) at Deal MotorCars at 10 am featuring a presentation by Mountain Area member Dick Maybach - "Driving Near the Limits." Dick was active in DE for 20 years, 15 of them as an instructor. His presentation covers vehicle dynamics, driving techniques and an intro to the PCA Drivers Education program. Thanks Dick for your time and efforts.

The February 6th meeting will be held at 10am at German Motor Werks of Asheville (1274 Sweeten Creek Rd., Asheville) and will feature a Tire Tech session presented by Doug Brown of Michelin North America, Inc., Michelin Tire Co. Doug is a PCA Club Racer and has extensive experience in the high performance and ultra high performance tire business in addition to possessing excellent presentation skills. This promises to be a most informative and entertaining tech session. Please plan to attend. In addition to the tire tech, a Porschefest 2010 Concours Clinic will be held after lunch (which will be served at the meeting.) This session will be led by Mike Jones, Concours Chair of the Carolinas Region PCA and Gordy Cwik Mountain Area member who has volunteered to coordinate the Concours event at Porschefest 2010. If you are interested in participating in the Concours at Porschefest 2010 and/or acting as one of the judges for the event you should find this session to be valuable. Please let Gordy Cwik know (gcwik@charter.net or 828.859.3115 or cell at 864.630.8765) if you are planning to attend the Concours clinic on February 6th.

I hope you had a safe and peaceful Holiday season. Here's to 2010 and a better year for all of us!

I look forward to seeing you at a future event.

Upstate Area Report **Jim Horner, Area Director**

This is my final TR report as area director for the Upstate. It's been a pleasure over the past two years to be involved in all things Porsche for our area. I made some new friends, learned a lot about the organization, and enjoyed the enthusiasm and camaraderie of a great group of people.

Making things go well in any group is never a solo proposition. Past directors Shane Tisdale and Sandy Liles were great support as I transitioned into my new role two years ago, and Lloyd Kuhn, another past director, and Karla were always available for advice and a valued opinion. Mandy Creaseman did a superb job month after month to get the word out about meetings and special events. Ken and Linda Padgett were wonderful hosts of a summer BBQ and drive. Bill and Frank Gerwig continue to be the force behind January's annual Chili Cook-Off. Paul Lueskow and Alex Galloway were great to work with on the website and Tobacco Roads, and just great to hang out with as well. Thank you to each and every one of you! And thanks also to all of you who donated to our raffles, helped sell and buy tickets, and made whatever needed to be done go much more smoothly - it's been great!

2009 ended with the regional holiday party at the Hyatt Regency on December 5th. The food was good, the atmosphere was festive, and I think the dancing would have gone on all night if not for the clean-up crew. Since this was the regional party, we had folks from Columbia, Asheville, Charlotte and Hickory and beyond. We had several glowing reviews of downtown Greenville's holiday spirit and charm, and those of us who have the good fortune to live here enjoyed it as well.

As usual at our holiday party, we prevailed on Shane Tisdale to act as auctioneer for our end-of-year live auction. And as usu-

al, he did a great job, especially with his description of his Chateau Tisdale wine! We raised a total of \$1,205 at the party, and added that to the \$1,000 raised monthly at the raffles at our meetings. In addition, the region now matches the first \$500 we raise at an event, so our total for 2009 was \$2,705. Gail Hediger volunteered to coordinate our donation through the St. Vincent DePaul Society, to help several needy families pay their utility bills and other expenses during these touch economic times. Over the past two years, our group raised \$7,272 in charitable donations - something to keep in mind when raffle tickets are for sale at our monthly meetings.

As hard as it is to believe, the new year is almost here. Please mark those shiny new calendars for our legendary Chili Cook-Off at ProTech on Saturday, January 30th.

And a big, hearty welcome to Gene Kendrick, our area's new director. With Gene at the helm, it will no doubt be a wonderful 2010 for our group!

Photo from the Carolinas Region Holiday Party held in Greenville, SC on December 5th.

Racing and Rambling

Well the Columbia crowd made it to Roebing for the last race of the season. A little wet but dry during practice and the races. Yes, lots of track time with practice and a fun race on Friday, two on Saturday and one Sunday morning. Dinner down on the Savannah river front on Friday evening was outstanding. The VBC/PCA guys from Columbia were Bill Eaddy, Mike Branning, John Taylor, Mike McMenamin and myself. John, Mike and Mike all had podium finishes with the two Mikes dueling for second overall in the last race. Mike McMenamin took that one. Bill had noise problems and got black flagged a couple of times. - to loud Bill ?

As for me , stuff happens! I dropped two wheels off in turn two avoiding another racer, hit the wet stuff and went "slide-ways " for a long way into an earthen bank. Man when it's really wet and you hit the grass it's like being in neutral with no brakes!

I thought I was ok until that damn pine tree jumped up and hit me in the driver's side wheel and fender. Fender is just cosmetic stuff but the 20 degree's toe out will necessitate a new strut. That's right Kathy now you know what I want for Christmas!

So I will get her fixed and hopefully be ready for Sebring in February. Is racing an addiction? Maybe? Uh - YEAH!

So keep your hands on the wheel and your eyes upon the road!

Rock

Triangle Area Report Scott Holcomb, Area Director

First: Be sure drop by the blog I've developed for the Triangle Area.

<http://trianglearea.wordpress.com/>

It will always have all of the most up to date information about what's going on for the Triangle Area. You can sign up for an email or RSS subscription so that you are notified whenever an update is made!

- Meeting Times & Locations
- Calendar of Events
- Tech Sessions
- Other Gatherings
- Links to other important Regional Events & Sites

November

A small group of Triangle Area members (known to me) attended the Carolinas Region DE at VIR, November 20-22 and had an absolute blast. Some of us stayed on site for the weekend at either the Lodge or the Villas. I highly recommend splitting a villa with some friends. The accommodations are great and the view is fantastic. The Carolinas Region banner was proudly displayed at our paddock area!

December

Saturday December 5 Dell T. and I made the trip to Greenville SC for the Regional Board Meeting and I started my journey officially as the new triangle Area Director. Thank you to everyone for the warm welcome. I look forward to working with all of you.

Saturday December 12th Triangle Area member Dell T. hosted a tech session at his house to do an oil pan swap from the factory oil pan to the factory X51 oil pan. Ken R. helped us stream the Tech Session live on the web and Randy H. was kind enough to document the event in pictures. The entire Tech Session is still available for viewing at: <http://livestream.com/trianglearea>

The pictures and write up are posted on the blog. Check them out!

<http://trianglearea.wordpress.com/>

We had our monthly meeting on 12/17 @ Manchesters and discussed the following:

- Upcoming Tech Sessions
- I have reached out to Leith Porsche in Cary to also try to get something on the Calendar for next year
- Holiday Party; Dorothee T. has volunteered her house again; details forthcoming; look for them, you guessed it, on the blog.

- March DE @ CMP; Registration Opens on 1/4/10 @ www.clubregistration.net
- PCA Carolinas CMP Mid-Winder Track Seminar scheduled for Saturday 1/30

January

Registration for the March DE @ CMP opens on January 4 @ clubregistration.net; mark your calendars.

The Triangle Area holiday Party is scheduled for Saturday 1/9 at Dorothee T. house, same as last year. I will have specifics posted on the blog.

I am trying to coordinate a few Tech Sessions for the January / February timeframe. Jerry K. and I are kicking around the idea of doing a joint Tech Session also for the January / February timeframe. On the short list:

- a Bilstein PSS9 suspension install for a 996 Cab
- a brake pad and fluid flush for a 996 Cab
- a transmission fluid change for a Cayman
- o an exhaust upgrade for a Cayman

As always, keep an eye (or email) on the blog for updates. It is listed right now as a sticky at the blog; look for "Upcoming Events & Talking Points"

Also worth mentioning is the PCA Carolinas CMP Mid-Winder Track Seminar scheduled for Saturday 1/30. I have info about this at the blog and I gave out a flyer at the December meeting.

As always, there is a group of Porsche folks that meet at the Wake Zone in Apex every Saturday for coffee talk. Feel free to drop by, have a cup of coffee, and talk shop.

Big News for 2010!

Not really big, if I said it was business as usual, you'd just turn the page. A boatload of news on 2010 nonetheless. A quick word on 2009... Although none of our 2009 events were sellouts, our DE's in February, May, September and November were all well attended. We started the year with a monsoon at CMP that no one will forget anytime soon and ended the year with fabulous fall weather at VIR. Over the 4 events, we hosted 338 different drivers. Looking back at the attendance at our Winter Seminar last January, 16 of those attendees participated in a full Drivers Ed Event.

Over the past few years, we've continued to expand the DE program. And frankly at times it was overwhelming. If anyone ever suggests doing DE immediately after Parade, run Forest run! So when we started discussing the added responsibilities of the Club Race in 2010, it was evident the DE committee needed to be revamped and add staff. Nadine Saville will be joining me as Co-Chairs of the new Track Committee. Jim and Robin Hecht will be joining the team, taking over registration from Nadine. Our Chief Instructor, Marty Barrett will also be identifying individuals to serve as Assistant CI. We are working to expand the team in order to take our track events to the next level and will have a number of individuals (and couples) in key positions for the Club Race. By

adding to our resource pool, we'll have people in place to handle more events as well as carry the program forward in the event of future needs. We're always looking for help, but it is a time commitment. If you want to jump in with both feet, let me know. On the job training is provided!

First off in 2010 is our upcoming Winter DE Seminar. We'll get together on Saturday, January 30th at 11 am to give an overview of our Drivers Education program. If you've ever wondered if is this really Drivers Education? or just a bunch of guys on a track, it'll be a great opportunity to see what its all about. We'll go over the basic layout of an event, what to expect and what's expected of you. We'll even try to explain it in plain English. And feed you a free lunch in the process! See the ad in this edition for registration information.

Following quickly on the heels of the Winter Seminar is our first DE of the year on March 6th/7th at Carolina Motorsports Park in Kershaw, SC. Yes, its January and cold now. But warmer weather is just around the corner. And what better way to wait on it than at a Drivers Ed event? More information is on the region web site under the Drivers Education link on the left menu. Online registration will open January 5th. We have been keeping expenses in check so event fees are unchanged from 2009. PCA member rate for the weekend is \$240, non-members

are \$280.

In 2010, we will be adding a July VIR date on July 12th& 13th. Yes, that's a Monday-Tuesday event. We have not done a mid-week event in the past, but open weekends at VIR are as scarce as the proverbial hen's teeth. Hey its July, take a vacation day. We'll try it this summer and see how it goes. We'll still have our Fall VIR date as well.

Our 2010 track calendar is

Mar 6-7 DE @ CMP
May 15-16 DE @ CMP
July 12-13 DE @ VIR Full
Sept 11-12 DE @ CMP
Oct 29-31 Club Race w/DE @ CMP
Nov 19-21 DE @ VIR Full

Now for the real 2010 changes. There are several changes DE participants need to be aware of for 2010.

1) Tech Inspections – All tech inspections must be completed by an approved tech site. Drivers Education events put an additional load on certain mechanical components. Condition of those components is a serious matter and the inspection should be treated in an appropriate manner. Unfortunately, we've seen an increase in various backyard tech inspections. Beginning with the March 2010 event, tech inspections completed by unapproved vendors will not be accepted. A list of the approved sites is posted on

the web site. Don't dismay if your preferred shop is not an approved site, qualified shops are easily added by contacting Brian Powell. There may be other drivers in your area who are also looking for an approved shop. Advanced Instructors who qualify for the annual tech inspection, must also utilize an approved vendor for their annual inspection.

2) Extended Passing – Our highest run group (Red) will initiate Extended Passing following the guidelines issued by PCA National. EP allows for passing in any place on track with a signal by the car being overtaken. EP is NOT open passing. This will only apply to the Red group, all other run groups will utilize the traditional passing zones. Drivers can express an interest in the EP group during the registration process. However, participation in this group is based on previous driving experience and must be approved by Marty Barrett, our Chief Instructor. Drivers in the red group will be required to attend a mandatory EP drivers meeting and will have additional exercises to complete on track at each event..

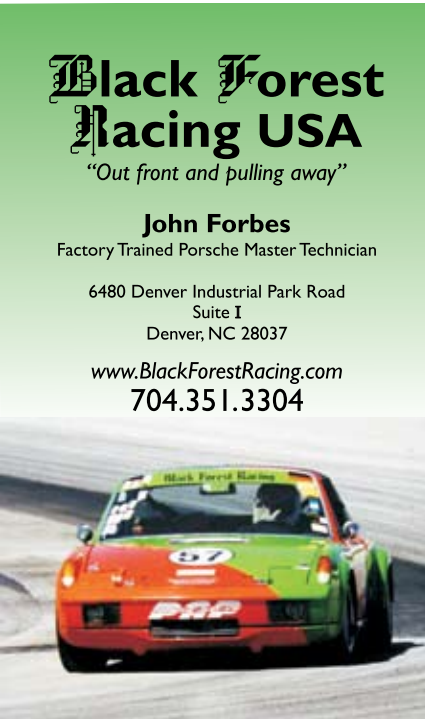

3) Instructor fee – We will be reducing our Instructor fee to \$100. We are blessed with having a large experienced pool of instructors. And we recognize attracting a high caliber of instruction is critical to the success of a DE program. As we are adding more events in 2010, reducing the instructor fee is just a small token to retain the excellent instruction

Carolinas Region members have come to expect.

4) Helmets – This is actually advanced notice of a change for 2011 but it does have major implications if you're in the market now. The Snell SA 2010 helmet standard is expected to be released in October. SA2010 helmets should be available shortly thereafter. For use in PCA DE's, we allow the current standard as well as the one previous. In the past and for 2009, Carolinas region has allowed both M and SA rated helmets. However beginning with the standards changeover in 2011, we will only accept SA rated helmets. In a nutshell, beginning with the 2011 season, only SA2005 or SA2010 helmets will be accepted. IF SA2010 helmet production is delayed, SA2000 helmets may be allowed on an event by event basis.

OK, I know that's a lot to cover in one article. But as I said there are a lot of updates before we kick off a big year for the Track committee. We have one or two other surprises up our sleeve, but are still working out those details.

For more on any of these events contact Brian Powell at driversed@carolinas-pca.com (704-260-0716) or Nadine Saville at clubrace@carolinas-pca.com.

Triad Area Report
Jerry Kilcrease, Area Director

The Triad Area did not have a regularly scheduled meeting in December due to the busy holiday schedules. However we did hold the Triad Area Christmas Party on Tuesday evening, December 1st, hosted by Charles Ruppert at C&C Eurosports located in Greensboro. We had a great turn out, 48 members and guest showed up to help us celebrate and enjoy fellowship, good food and drink, and some very nice door prizes. Charles provided a sit down catered dinner with lots of tasteful hors d'oeuvre and wonderful deserts. Wayne Taylor, who works for a wine distributor, talked his boss into providing a "wine tasting" table where everyone had their choice of quite a few different varieties of wine. Everyone had a great time and the lucky winners enjoyed the door prizes but the big winner for the evening was the Greensboro Social Services Foster Child program. We asked that everyone donate a minimum of \$10.00 with the entire proceeds going to charity and we ended up with a total of \$730.00. Everyone was very generous for this worthy cause, the "Celebrate the Children" program, which attempts to make sure that each child in the Foster Care program receives at least one toy for Christmas. Thanks again to Charles Ruppert and Wayne Taylor for their generous support in making the Triad Area PCA Christmas a big success.

Carolinas Region Annual Board of Directors Meeting- Saturday, December 5th, 2009 – Harvey Yancey, President of the Carolinas Region, presided over the last board of directors meeting of the year. There were several items that were brought before the board of directors that I want to report to the member-

ship (a complete write up of the minutes from the meeting will be forth coming in Tobacco Roads). There will be four new Area Directors coming on board in 2010; Don Morris, Metrolina; Scott Holcomb, Triangle area; Sandy Shirley, Sunfun area; and Gene Kendricks, Upstate area. I am also pleased to report that Dale Hewitt, a Triad Area member and former editor of Tobacco Roads, was unanimously voted in as Vice President of the Carolinas Region and Art Weiss, a Triad Area member, will take over as Treasurer in January, 2010. The board also voted to purchase a cargo van to be shared by the Autocross Program and the Goodie Store. The Triad Area volunteered to be responsible for hosting the Carolinas Region Christmas party in December, 2010, so I will be looking for help in establishing a committee to plan the event.

Carolinas Region Annual Christmas Party-Saturday, December 5th - The Upstate area hosted the Christmas Party in Greenville, SC. Jim Horner, area director, and staff, did a great job of planning a fun event for all of us. Several Triad members were in attendance including Art and Randi Weiss, Ron and Tanya Reed, Dale and Jane Hewitt, and Sadie and Jerry Kilcrease. After the attendees had plenty of time to socialize and enjoy the food, Harvey Yancey, President of the Carolinas Region, addressed the group, making announcements including recognizing departing Area Directors and the winners of the Autocross Series for 2009 and the Enthusiasts of the Year award. Autocross division winners were recognized and presented trophies by Autocross committee members Sean Steinbrueck and Jerry Kilcrease. Division winners are: Will Balance, Cari Steinbrueck, Sean Steinbrueck, Don Morris, Wayne Capwell, Sadie Kilcrease, Jerry Kilcrease and Phillip Evans. Chris Couteller and Phil Evans took 2nd in their run division while John Rutledge took third in his. The Enthusiasts of the Year award went to Cari and Sean Steinbureck. Harvey also made a special presentation of the President's Service Award Trophy to Sadie and Jerry Kilcrease for their services to the Carolinas Region during 2009. After the presentations, the Upstate Area held an auction selling Porsche related items with all proceeds going to charity.

Afterwards we ended the evening dancing and socializing. Thanks again to Jim Horner and the Upstate Area for hosting the Christmas Party. It was a great event and fun for all.

GIRLS In PORSCHEs: Our last meeting of the year was held on December 3 at the home of Delores Lassiter in Troy. The GIP group formed in 2009 and held their first meeting in March of 2009. As a fund raiser for charity, we did a "Split the Pot" at each meeting starting with our May meeting. Our "Split the Pot" raised \$172 for charity but generous donations from the group brought a total of \$200 for the year. Our charity is American Children's Home in Lexington, NC and we presented them with a check in the amount of \$200 and received a very nice appreciation letter from American Children's Home. We are looking forward to 2010 and will hold our first meeting of the year on Tuesday, January 5th, at Childress Vineyard in Lexington. Please mark your calendar and come out to the meeting. Hope to see you there

NEXT TRIAD AREA MONTHLY MEETING: TUESDAY, JANUARY 19TH AT BIG SHOTZ TAVERN LOCATED IN CLEMMONS, NC. Please come out and join us at our first monthly meeting of 2010, starting at 7:00pm. We will be discussing the 2010 Triad Area's Event Agenda so be thinking about what type of activities you would like for us to host during the coming year. Here are directions to Big Shotz: If you are heading West on I-40, take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp, take a left back across Hwy 421; at second light take a right onto Styers Ferry Road and Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

One pair of Sway-A-Way adjustable spring plates for the rear of an '87-'89 (G50) 911 - used, in great shape, complete with polyurethane bushings - asking \$190 OBO. Contact David Anderson in Durham, NC, at david@greatpumpkinracing.com. (1/10)

Carrera 2 (C2, 996) Wheels: Great track wheels. Porsche part numbers-993.362.134.06 (fronts) and 993.362.140.04 (rears). Wheels have been used for PCA Driver's Ed events, painted by previous owner. Despite the bad paint job, the wheels are straight and balanced- no issues whatsoever in my last PCA DE event, with speeds up to 130 MPH. No center caps available. Tires are included- Falken Azenis RT-615. Rears (275/35-18) have some DE events left in them, but feathered on the outside. Fronts (225/40-18) might be okay for 1 more event, but really are pretty worn. Asking \$650 or best offer. Please contact Ed Sofio in Cornelius, NC at esofio@gmail.com or 704-517-7998. (11/09)

Non-Porsche

Mountain Top Condo Rental: \$99 a night special rate! Relax in our beautiful, fully furnished home away from home after you've worked out the rubber on the twisty mountain roads in your Porsche. We are located at the very top of "Echota on the Ridge" in the small town of Foscoe, just minutes from Boone, Banner Elk and Blowing Rock. "Echota on the Ridge" is a beautifully situated 97 acre gated community. Spectacular ridge-top views of the Blue Ridge Mountains abound from our spacious 2 bedroom / 2 bath condo. We are in a top floor unit with a vaulted ceiling in the living area and a sleeper loft. Our unit will comfortably sleep up to 6 people. Please visit <http://www.vrbo.com/179869> for additional info and pictures, or email Mike Zuege at top.of.echota@gmail.com (1/10)

Vacation rental: new, fully furnished 2-bedroom vacation cabins for rent in Little Switzerland, NC just off the Blue Ridge Parkway. Very nice and unique and in the midst of some of the best Porsche driving roads in the country. Special pricing for PCA members at \$100 per night (2 night min.) or \$550 by the week. Call Bob and Judy at 828-385-3100 or 828-385-0500. Let us know you are with PCA for the special pricing. (11/09)

Wanted

Wanted to borrow: 1987-1995 928 radiator for automatic transmission (2 coolers). I have found a Charlotte-local fabricator to make an all-aluminum radiator and he would like one on hand to make it a drop-in fit. I need mine (even while leaking) for my daily responsibilities, so I cannot have any down time on my car... until the new one is ready to install over a weekend. The radiator doesn't have to be good -the shop will just be using it for the dimensions to match to the new one. I can pick it up and bring it back or can pay for the shipping both ways (if reasonable). Any assistance is appreciated! Please contact Barry Holtan at 704-231-0820 or bholtanexp@msn.com (1/10)

Want to buy or sell a Porsche, or Porsche related parts or items?

Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beroset, Classified Ad Coordinator, at:
classifieds@carolinas-pca.com
602 Stonehill Rd
Chapel Hill, NC 27516-9526
Home: 919-942-3838
Cell: 919-260-6307.
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed.
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) Ads will run for two month. If the item is not sold within that time frame the seller will need to contact the Classified Ad Coordinator at classifieds@carolinas-pca.com and request an extension. Each extension will be for one additional month.
- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
- 8) Pictures will run on the website only.
- 9) All ads will be subject to editing for consistency and length.
- 10) Ads should include:
 - a. An accurate description of the item or items (including VIN preferably if applicable).
 - b. Price (Ads will not be accepted without pricing).
 - c. Where you and the item are located.
 - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:
