## From the Driver's Seat - Harvey Yancey, President

### In Remembrance of a Lost Friend

By now many of you have heard about the incident at our first Driver's Ed of the year and the subsequent passing of one of our Regional members and instructors, Tom Norby.

Tom was doing what he loved the most, instructing a student at a Driver's Ed event. The vehicle in which Tom was instructing spun near Turn 9 at Carolina Motorsports Park, went off track and then impacted a tree. Fire/Rescue and EMT personnel responded immediately, however Tom died of his injuries at the scene. He was 59. Tom was a graduate of the University of North Carolina at Chapel Hill and the Wharton School, University of Pennsylvania. After his education, he had a long

and distinguished career as a trusted financial advisor at Morgan Stanley Smith Barney.

Tom is survived by his wife Paula Norby; stepson R. Page Tinsley and his wife, Julie Funderburk of Charlotte; mother, Pauline Cain Norby of Orlando, FL; brother, Robert Brent Norby and his wife, Julie Bullard Norby of Orlando, FL; nephew Julian Lucas "Luke" Norby and nieces Alexandra Leigh Norby and Elizabeth Victoria "Lizzie" Norby.

A visitation with the family was held in Charlotte on Wednesday, March 10. The following day a memorial service was conducted at Covenant Presbyterian Church, where Tom was a member. Both of these were heavily attended by PCA members and other folks in the motorsports community.

The family has asked that memorials in his honor be given to the Annual Fund for

the College, College of Arts and Sciences, UNC Chapel Hill, Gift Processing, PO Box 309, Chapel Hill, NC 27514-0309.

This is a difficult time for everyone, especially Tom's family. Please keep Tom's wife Paula and his family in your thoughts and prayers.

Tom was well respected throughout our Region, PCA and the motorsports community as a whole. We have all lost a dear friend and a mentor to many. He touched too many lives to count. We will miss him always.

- Harvey

## DE Charity Event Drives

We would like to thank everyone who helped and participated in the charity laps at Carolina Motor Sports Park on March 6th. 15 carloads of smiling participants were able to experience several laps around CMP's 2.3 miles of twists, turns, and straights.

Proceeds from the event went to the local York County Humane Society, a no kill shelter that depends on donations to fund the shelter.

Their mission is to prevent animal suffering, to help reduce overpopulation by promoting spaying and neutering, to educate the public about animal welfare, and to place adoptable animals in loving homes.

The charity event gives everyone an opportunity to use their own vehicle for the touring laps, while giving something back to the local community. Children of all ages are allowed, and any street or track vehicle can participate as speeds are kept to normal street levels. This is a great opportunity to show your family and friends what the track looks like from inside the car and experience the feel of driving on the track.

We would like to see continued support of our local charities, so please take part by involving your family and friends and share the thrill of the track at the next event in May.

Find more information about the York County Shelter at:  
<http://www.petfinder.com/shelters/SC76.html>

## Carolinas Region Loses a Friend

By: Catherine Bonfiglio

Members of the Carolinas Region lost a dear friend in March, with the death of Tom Norby. Tom, an active member and PCA-certified DE instructor, was killed in an accident during drivers ed training on March 7th at Carolinas Motorsports Park.

His skills as an instructor were first rate, according to Marty Barrett, Sandhill Area Director and Chief Instructor. "Tom was enthusiastic about instructing so that he could share his love of the sport and his driving skills with new drivers," Marty said. Tom's progress as an instructor grew rapidly, but in a subtle way. And even after completing the PCA National DE Instructor Certification Marty stated that "Tom came to me and expressed some concern about realizing how much more he had to learn. But that was Tom; very competent and competitive, yet a little shy and cautious about showing everyone how good he was." Tom quietly became one of Marty's "go-to" instructors. "A true enthusiast," Marty added. "And students really liked his patient, easy-going but direct style of instructing. He was a good friend. I'll miss him very much."

Don Morris, another close friend of Tom's said that his friend was "kind and generous, with a subtle sense of humor." Don described Tom as a true Porsche enthusiast, who took meticulous care in maintaining his GT3. Don also said Tom was a food connoisseur, who particularly enjoyed fine dining. "Tom liked to eat at fine restaurants," Don said. "So it was always a negotiation to see whether we would go eat Mexican with the crowd or find a good sushi place. The Mexican usually won. I'll really miss him."

Tom was a much beloved husband to his wife Paula, and devoted father to stepson R. Page Tinsley. He had a distinguished career serving as a financial advisor at Morgan Stanley Smith Barney. Tom was a graduate of UNC Chapel Hill, and also educated at the Wharton School, University of Pennsylvania. In addition to his dedication to PCA, Tom was an avid photographer, and active in several community organizations including Community Link, the Crown Athletic Club, and Charlotte Business Roundtable.

Tom leaves a legacy of enthusiasm and commitment to the Carolinas Region and PCA. May we all remember him in our own way, and keep his family in our thoughts.

TRIAD AREA PCA WILL HOST THE SECOND ANNUAL  
**“PORSCHE CORRAL”**

**Metrolina Area Report**  
**Don Morris, Area Director**

When this is published, I will have returned from the ALMS 12 hour Sebring race. There are several of us from our area who are going. Should be fun.

The swap meet on February 27 at Eurowerks and Touring Car was a big success. Lots of stuff got bargained for and swapped around.

The March DE at Carolina Motorsports Park was canceled Sunday morning after the accidental death of Tom Norby, one of our Instructors. An announcement has been made concerning our loss of Tom, who will be sorely missed. He was a good friend.

Black Forest Racing is having a tech session on March 27. Here is an opportunity to get your Porsche questions answered.

On April 11 Mike and Mike will conduct us to participate in the Food Lion Auto Fair at Charlotte motor speed way. This is always a good event, with lots of cars to see and nice folks with whom to talk cars.

Also in April, we have an autocross on the 18th and a DE on the 17-18th at the new NCCAR, North Carolina Center for Automotive Research road course track near Rocky Mount. Sorry I cannot be at both events. But I am excited about trying out a new track. Should be a blast, Come join in the fun.

Our April monthly meeting will be at Hickory Tavern. Come join in the fellowship, good spirits and fine food.

**Mountain Area Report**  
**Jim Peterson, Area Director**

Porschefest 2010 registration is now open. This event is sponsored by Deal MotorCars and German Motor Werks. Please see event information and a registration form elsewhere in this issue and also on the Region website. This event will be held in Asheville and will likely sell-out – it is the biggest annual multi-event weekend of the Carolinas Region. If you are interested in attending please regis-

ter without delay.

On 3/6/10, 24 of us were fortunate to attend a tire tech presented by Doug Brown of Michelin North America and hosted by German Motor Werks at their facility. Doug did a great job and focused his presentation on the tire questions, problems and issues attendees listed at the outset of the session. The 2 ½ hour session was over before you knew it. Thanks again to Doug Brown and Michelin for a most entertaining and informative tech session. Future Mountain Area meetings and events (see the Calendar in Tobacco Roads and on the Region website for other Region-wide activities):

4/3/10 at 10 am at German Motor Werks – tech session - wheel balancing featuring the Porsche-approved Hoffmann machine. Question and answer session on Porsche service intervals (factory recommendations vs. real world,) lubricants, minor maintenance do's and don'ts, etc., (Scott Spence of German Motor Werks.) 10% discount certificates on service work (except tires and sublet labor) will be available to all attendees on 4/3.

5/1/10 at 10 am at Deal MotorCars – Porschefest 2010 volunteer prep/review followed by a drive and dine to lunch via the roads of Madison and Yancey counties. Tony Martinez will lead our group. This meeting will be a good chance to get involved in Porschefest 2010 and also air out your car on some great back roads.

5/28-30 – Porschefest 2010 Memorial Day Weekend in Asheville. Concours, Autocross, Fun Rally, hospitality, Goodie Store, charity raffle, awards banquet at The Venue and more! Please plan to attend.

7/10/10 – 10 am Stuttgart Motorwerks, Hendersonville, NC. – Porsche tech session (Pete Martin of Stuttgart Motorwerks,) lunch then an Ohlins shock/suspension shaker rig demo.

8/6-8/10 – In den Bergen II at the Waynesville Inn, Golf Resort and Spa, Waynesville, NC. People's Choice Concours, golf tournament, TRG participation, wine tasting, self-guided tours, awards banquet and more – see preview

details in this issue of Tobacco Roads. More drive and dines coming up this summer and fall – stay tuned for details. Please keep me posted on your ideas and suggestions for future meetings and tours.

I hope to see you at a future event including Porschefest 2010.

Jim

Nov 19-21 DE @ VIR Full

We have 2 recently announced dates at the new NCCAR facility in Roanoke Rapids, NC. The North Carolina Center for Automotive Research ([www.nccar.us](http://www.nccar.us)) will be a prime location for future Drivers Ed and other driver training activities. Although it is a research center, the facility is also intended to be used for driver training over the weekends. Over the last few months, we have been working with the facility management in preparation to host PCA events at the 11 turn, 2 mile course. As site construction wrapped up over the winter months, their attention is now focusing on operational needs such as corner stations. Future phases call for a 4.6 mile course with 5 possible configurations.

Remember, All tech inspections must be completed by an approved tech site. Drivers Education events put an additional load on certain mechanical components. Condition of those components is a serious matter and the inspection should be treated in an appropriate manner. For ALL 2010 events, tech inspections completed by unapproved vendors will not be accepted. A list of the approved sites is posted on the web site. If your preferred shop is not an approved site, qualified shops can be added by contacting Brian Powell. There may be other drivers in your area who are also looking for an approved shop. Advanced Instructors who qualify for the annual tech inspection, must also utilize an approved vendor for their annual inspection.

For more on any of these events contact Brian Powell at [driversed@carolinas-pca.com](mailto:driversed@carolinas-pca.com) (704-260-0716) or Nadine Saville at [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com).

CAROLINAS REGION PCA AUTOCROSS SERIES EVENT # 1  
HOSTED BY TRIAD AREA PCA

EVENT DATE: SUNDAY APRIL 18<sup>TH</sup>, 2010

(Revised 3/4/10)

**Triad Area Report**  
**Jerry Kilcrease, Area Director**

THE STARS AND THE MOON MUST HAVE BEEN IN ALIGNMENT or some other “mojo” was in effect that encouraged 53 members and guest to show up at our March 16th monthly meeting. The meeting room was jammed as we welcomed “new member to be” Mike Siebert. Mike recently purchased a 911 C4S and is looking forward to joining in on some of the Carolinas Region’s activities. We also welcomed Mike Cuccia, who was visiting from sunny California and we were happy to see Eugene Reaves, who is home for a while from working in China. Herbert Boehm and Harvey Harbour gave the group a short update and description of the up coming “Cabin Fever Free Drive on April 10th. Charles Ruppert, invited members to attend a drive leaving from C&C Eurosports and driving to the Virginia Mountains on May 1st. After the business meeting and dinner, most of us continued to socialized, visited the Goodie store and checked out all the new 50th Anniversary apparel, and then said our goodbye’s and headed home. Thanks again to all members and guest for coming out. Hope to see you at our next meeting on April 20th!

GIRLS In PORSCHEs (write up by Sadie):  
On March 4 we started our meeting with brunch at Mimi’s located at Friendly

Shopping Center in Greensboro. Randi Weiss won our “split the pot.” Our April meeting will be held on April 8th starting at 11:15 am on the second Thursday of the month—at Colonial Country Club in Thomasville. Mark your calendar and come out for food, fellowship and fun.

Up Coming Triad Area Events:

Sunday, April 18th: Carolinas Region Autocross Event #1-2010: The Triad Area will host the first autocross of the year at Wake Forest University in Winston Salem. We will be using the “Red” parking lot located behind the football stadium (this is the same location we have always used at Wake Forest). Please note that the registration fee has been revised as follows: PCA members \$25.00 per driver, pre-registered and paid; \$30.00 day of event; all non-PCA members \$40.00. Details and registration information is located on page 14.

Saturday, May 1st: Charles Ruppert of C&C Eurosports located at 293 Edwardia Drive in Greensboro is planning a drive up into the Virginia Mountains. This will be an all day event, leaving at 8:30am with several stops along the way, a lot of curvy roads and a late afternoon dinner before return. If you would like to make the drive or get more information, contact Charles at 336-297-9595.

Saturday, May 22nd: Porsche Corral: Again this year, the Triad Area will host a “Porsche Corral” in conjunction with the American Children’s Home (ACH) for their annual Car Show Charity Event. This is the Triad Area’s major charity event of the year and we want to invite all members to come out and support this very worth while cause. Details and registration information are on page 10.

Saturday, June 5th: Open House-RennGruppe Motorsports- David Brown and the staff of the newly formed RennGruppe Motorsports, located at 364 Dixon Street, Lexington, NC 27292, has invited all PCAer’s and guest to attend their “Open House” event. Doors will be open from 9am to 3pm on Saturday, June 5th. They plan to have quite a few classic Porsche race cars on display. There will also be tech sessions, door prizes and a

free lunch. Please RSVP to RennGruppeMotorsports@gmail.com if you plan to join us for lunch. Directions: Heading south on I-85, take exit 88 Linwood Road; at top of ramp turn right;( heading north on I-85, take exit 88 Linwood Road; at top of ramp turn left) then take first left onto Hargrave Ln; 100 yards take a left onto Dixon, #364 is third large building on right.

Next Triad Area Monthly Meeting: Tuesday, April 20th at Big Shotz Tavern Located in Clemmons, NC Please come and join us at our April 20th meeting, starting at 7:00, at Big Shotz Tavern in Clemmons. We will be holding the “Managers Choice Event” where we ask the restaurant Manager to check out the Porsches in the parking lot and select his or her favorite. The winner will be announced during the meeting and awarded a prize. Caution: If you are coming to Big Shotz for the first time and use your GPS be careful because there are two River Roads in the area and you might end up at the wrong location. Here are directions to Big Shotz: If you are heading West on I-40, take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp, take a left back across Hwy 421; at second light take a right onto Styers Ferry Road and Big Shotz Tavern in on the right just behind Rite Aid Drug Store.

## North Carolina PCA Specialty License Plate

Time to show the PCA colors! In a joint effort, members from the Hurricane and Carolina regions have started a quest to establish a “PCA Specialty License Plate” as one of the license plate options for PCA members in North Carolina. Of course, the plate can go on your other car(s) also, just as long as it belongs to the PCA member.

With the Carolinas region being one of the largest regions in the PCA and the Hurricane region having been one of the fastest growing PCA regions over the past few years, we want to join the other regions around the country that show their club membership via specialized plates, such as the Riesentöter (PA) and Chesapeake (MD) regions.

In order to obtain legislative approval for an official North Carolina PCA License Plate, we need to come close to the 300 commitments for the state to proceed. We have attempted, but not reached this goal during prior years – perhaps the PCA'er population in NC hadn't been large enough. With participation from both the Carolinas and Hurricane Regions of PCA, the two Regions represented in North Carolina, and after some renewed inquiries from the members of both Regions, we are going to try again!

### Contest: Submit Your Design for the NC PCA License Plate

To make the design of the plate as interesting and appealing as possible, we are calling for design submissions from members of both Hurricane and Carolinas Regions. The only restrictions are:

- 1) The National PCA logo needs to be used in the design, (three examples are shown)
- 2) Due to Fair Use regulations, you may NOT use the official Porsche Crest or trademarks
- 3) The final design must pass PCA National's OK.
- 4) The number of characters on the plate would be 5 at most (e.g., 911C4)

With the able assistance of Hurricane Region member, Nikolaus Klemmer, we have generated the above three starters for a license plate design. These are examples only – it is for you to excel and submit the winning design. Note that we are not restricted to using the standard “First in Flight” background, and indeed, this is where your creativity comes into play.

The logos and example designs can be downloaded as a zip file from the Hurricane region homepage at <http://hur.pca.org>.

Please submit your design to Jerry Magolan (JMAGOLAN@aol.com) BY MAY 15, 2010. The designs will be available for members to vote on via an Internet survey shortly thereafter. The survey will close on July 15. Based on the survey results, and with PCA National's approval, the winning plate design will be selected. At that point, we will poll the members of both regions to assess the level of interest in taking our request to the NC State Legislature. We will need a solid 300 commitments prior to undertaking this last step. The plate cannot progress through the final steps of DOT design approval and production without 300 orders. I will have more details as to the cost and character limitations (for those also wanting to personalize their plate) at that time. Please feel free to contact me at my E-mail address if you have any questions.

Jerry Magolan  
JMAGOLAN@aol.com

## PorscheFest 2010 returns to Asheville!

The Carolinas Region, PCA announces its 14th annual PorscheFest, sponsored by Deal MotorCars and German Motorwerks of Asheville, scheduled for Memorial Day weekend, May 28, 29 and 30, 2010. For the second year in a row, this multi-event tradition will be hosted in and around beautiful Asheville, NC. The essence of PorscheFest is three judged events; An Autocross, a Concours and a (fun) Rally, interwoven with hospitality and social time, wrapping up with an evening awards banquet. Our theme for PorscheFest 2010 is The Best of Asheville, featuring local attractions, dining and entertainment options open to event registrants. With the assistance of the Chamber of Commerce of Asheville, participants will be linked to a website designed exclusively for PorscheFest 2010 attendees.

Asheville, known as the Paris of the South is a perfect choice for the event. It's compact downtown features a unique mix of Art Deco architecture, arts and crafts heritage, unique shopping and dining and unmatched people watching, all surrounded by the beautiful Blue Ridge Mountains to the east and the Smoky Mountains to the west. Our headquarters hotel puts you right in the middle of all the action.

Registrants can select from an eclectic variety of local attractions, points of interest, and dining and entertainment options ranging from brew cruises to trolley tours and visits to the Biltmore House and Estate. Casual to fine dining alternatives are available with ethnic restaurants of

all types and authentic southern cooking. The live music scene ranges from bluegrass to the blues in venues that include pubs and piano bars. Best of all, just about all of the activities and attractions are within walking distance of our downtown headquarters hotel. Customize your participation to create an ideal weekend getaway. Choose among local attractions, dining and entertainment options at your doorstep in addition to a mountain-top Autocross (new course this year on a runway and adjacent pad,) and tours along beautiful mountain backroads. And don't forget to save plenty of time to socialize with others who share your passion for Porsche and the environs of Western North Carolina.

Early check-in, registration and Carolinas Region sponsored hospitality are Friday, May 28 at the Renaissance Asheville Hotel. Events begin with a Concours at the hotel at 9am Saturday May 29. Saturday lunch will be held at a nationally known BBQ restaurant, 12 Bones Smokehouse in Asheville. The fun Rally begins immediately after lunch and features a special emphasis on the sights and history of Western North Carolina. The Rally concludes by 5 pm, back at the hotel. Then it's time for more of The Best of Asheville on Saturday evening.

An exciting mountain-top Autocross starts the day on Sunday May 30. A variety of guided and self-guided touring options are also on tap for Sunday. Choose your route and duration: you can't miss on the backroads of Western North Carolina. Ac-

tivities wrap up on Sunday evening with hospitality and an awards celebration at The Venue, a charming banquet facility with history and character, just a block away from our hotel. No "rubber chicken" here. The catered awards dinner at The Venue promises to offer much more than the usual banquet fare.

Mark your calendars for May 28, 29 and 30, 2010. This event is limited to 100 Porsches and 200 registrants and promises to be a quick sellout. Registration opens on March 1 and closes on May 14, 2010. Registration information and forms can be found on the Carolinas Region website beginning March 1 at <http://www.carolinas-pca.com>. Registration information and forms may also be obtained in Tobacco Roads and from Registration Co-Chair Matthew Pohsweg at [gewshop@windstream.com](mailto:gewshop@windstream.com) or 828.894.6194. For general PorscheFest 2010 information contact Jim Peterson, event Chair at [mountain-ad@carolinas-pca.com](mailto:mountain-ad@carolinas-pca.com) or 828.654.6494. For hotel information and reservations at the group rate, guests should contact the hotel directly via a custom reservations web link on the Carolinas Region PorscheFest 2010 web page or call 800.468.3591 and mention Porsche Club of America, Carolinas Region and/or the 7 letter code PORPORA. Please note that cutoff date for hotel reservations at the group rate is 4/28/10, subject to room block availability.

We look forward to seeing you in Asheville for PorscheFest 2010!

Volunteers needed

On January 26, 2008, Doug Herbert experienced every parent's worst nightmare – his two sons, Jon, 17, and James, 12, lost their lives in a tragic automobile accident. Herbert, trying to make sense of the tragedy, decided to form a non-profit organization that would focus on safe driving. He wanted to help prevent others parents, friends and families from enduring the pain of losing a loved one to an automobile accident.

Herbert partnered with Jon's classmates from South Lake Christian Academy to create a name for the safe driving foundation. The students chose B.R.A.K.E.S. – which stands for Be Responsible and Keep Everyone Safe. Herbert took action and quickly applied for 501(c)(3) status. He began to spread the word about the importance of safe driving and developed the B.R.A.K.E.S. Teen Pro-Active Driving School. In 2009, 425 teens attended the Teen Pro-Active Driving School. In 2010, their goal is to top 1000.

However, they can't do it alone. B.R.A.K.E.S needs volunteers to help the organization host fundraising activities, attend public events or hold one of the many B.R.A.K.E.S. Teen Pro-Active Driving Schools. No special skills are required, just a willingness to help.

Motor vehicle crashes are the leading cause of death among American teens, so volunteering with the program should be reward enough. But for even more enticement, Carolinas Region PCA will extend a \$50 credit to any 2010 Driver's Ed event for every 8 hrs volunteered. Help out a Saturday at a Pro-Active Driving School program, get \$50 off. Help out at the NHRA Pancake Breakfast for the day, get \$50 off.

To get credit when you volunteer with B.R.A.K.E.S, list Carolinas Region PCA as your company affiliation. What could be simpler? The volunteer form is at <http://www.putonthebrakes.org/> under "Get Involved". Volunteer your time assisting teens develop good driving habits and then come out to a Carolinas Region Drivers Education event to hone your own skills.

Now for the fine print, there's always fine print. This is a trial for 2010 so all credits must be used by December 2010. Limit of one \$50 credit per Drivers Ed event. Credit is non-transferable and limited to PCA members and immediate family only.

Brian Powell Co-Chair Track Committee Carolinas Region Porsche Club of America [www.carolinas-pca.com](http://www.carolinas-pca.com)

*You're Invited* **PCA Car Corral**  
**and PCA Membership Station!**

**April 24-25, 2010**  
**at the Bosch Engineering 250 at VIR**

Join us for this **exclusive** PCA member opportunity! Display your Porsche in the PCA Corral, watch the Porsche racing action, and take part in the following Special Events:

- Scheduled Appearances by Porsche Race Drivers
- Supervised Parade Laps of the Track
- \* Grand Am Sponsored Prize Drawings
- \* "Long Distance Award"

For information please contact: Tom Zaffarano, Z 2 Rep - [tzaffarano@gmail.com](mailto:tzaffarano@gmail.com), or 610-644-7588 

For the latest schedule information please visit the Grand-Am website at [www.grand-am.com](http://www.grand-am.com)

**Parking in the PCA Corral is for Porsches only. "For Sale" signs on cars will not be permitted. Participants must be present to win drawings or awards.**

PCA Car Corral is hosted by PCA and PCA volunteers with the cooperation of the Grand-Am Road Racing.

## Frequently Asked Questions (FAQs) about Porschefest 2010:

1. Do I need to make reservations separately for the Porschefest 2010 events and for the hotel? Yes, you will need to complete and mail the Porschefest 2010 reservation form with your check to Matt Pohsweg. To make a hotel reservation you must contact the hotel directly (via phone or the web.) Please note that the deadline for the group rate at the hotel is 4/28/10. Please book early to ensure a room. The Porschefest registration deadline is a postmark no later than 5/14/10.

2. Can I register for Porschefest 2010 electronically/via the web? No.

3. Can I reserve hotel room electronically/via the web? Yes, the hotel website is listed on the Porschefest 2010 reservation form. You need to use the 7 digit code (PORPORA) to get the group rate.

4. Is there a limit on number of registrants for Porschefest 2010? Yes, the event is First Come First Served and is limited to 100 cars/Porsches and 200 participants. We expect the event to sell out quickly due to interest in the Western North Carolina/Asheville location.

5. Is there a limit on the Autocross? Yes, it is limited to 30 cars and 35 drivers.

6. What do you mean by The Best of Asheville? Our theme this year is The Best of Asheville – we have a downtown headquarters hotel with a great location and rate. The Asheville Chamber of Commerce has tailored a website for our event and we encourage you to use it ([www.exploreasheville.com/meetings-conventions/porschefest-2010/index.aspx](http://www.exploreasheville.com/meetings-conventions/porschefest-2010/index.aspx)) to plan your visit to Asheville and Porschefest 2010. You'll note the Porschefest 2010 schedule is open on Saturday night and is dedicated to The Best of Asheville. You may find other open times in the Porschefest 2010 schedule that also allow you to shop, browse, dine, tour or take in local attractions and events. We invite you to plan ahead and customize your visit.

7. What is the parking situation? There is a reserved parking area for our use at the hotel sectioned off from the remainder of the parking lot. The area is adequate for the maximum number of registered cars for Porschefest 2010.

There will be a Concours area within the reserved parking area and it will be used for the event Saturday morning. Overnight security has been arranged specifically for our reserved parking area for the weekend. FYI, there is also a multi-story county owned parking deck adjacent to the hotel. The rate there is \$8/day.

8. What about trailer parking? Because we have a downtown hotel which is expecting a sellout for the weekend, hotel parking is limited. Trailer/tow vehicle parking is limited and subject to movement during the weekend based on event needs. Please note on the registration form if you plan to bring a trailer. We plan to assign tow vehicle and trailer parking before the event.

9. I still have some questions. Who can I call or email? For Porschefest 2010 registration and reservation questions contact Matt Pohsweg at (828)894-6194 or [gewshop@windstream.net](mailto:gewshop@windstream.net). For general Porschefest 2010 questions contact Jim Peterson at (828)654-6494 or [jspm123@aol.com](mailto:jspm123@aol.com) or [mountain-ad@carolinas-pca.com](mailto:mountain-ad@carolinas-pca.com).

### Just a note from the desk of your Historian/Archivist...

Did you catch the two articles of historical significance in the March issue of Panorama? Page 52-54 detailed a very enjoyable, historically significant account of Gene Bussian, one of the earliest members of the Porsche society in America, before PCA was even “invented”. If that inspires you to read about it, maybe you have similar experiences you’d like to share. We’re always interested in hearing from YOU! Please consider submitting your personal story to me.

Also, note the article following it, beginning on P56, about the re-created Type 64 prototype which is now in Atlanta for viewing, on loan from the new Porsche Museum in Germany. You may want to plan a trip to Atlanta to see “The Allure of the Automobile” from now through June 20th. (Sorry, but due to delays in getting info into TR, this dated information is reaching you a bit late, but there’s still time) Here is the link for the museum where the Type 64 body will be on display with some other very noteworthy autos:

[www.high.org](http://www.high.org)

The webpage is very exciting in its presentation, and this is a great opportunity to see some ridiculously rare cars in an appearance unusually close to our area. Call some friends and organize a trip!

Yours in the pursuit of Porsche excellence.

## 2<sup>ND</sup> ANNUAL Porsche "In den Bergen" of WNC

As a result of last year's success with the first Porsche "In den Bergen" of WNC, we are again going to hold this event at The Waynesville Inn Golf Resort & Spa for the second year. General information about the event follows:

**WHAT:** People's Choice Concours and Other Activities

**WHEN:** August 6-8, 2010 (Concours on August 7, 2010)

**WHERE:** The Waynesville Inn Golf Resort and Spa - Waynesville, N.C.

**OTHER ACTIVITIES:**

- \* Participation by The Racer's Group(TRG)
- \* Adobe Road Wine Tasting
- \* 9-hole Golf Tourney on Donald Ross Golf Course
- \* Gimmick Putting Contest
- \* Self-Guided Tours on Porsche-friendly Roads
- \* Tire Raffles for Michelin and Pirelli Tires
- \* Awards Banquet with TRG Guest Speaker

Registration Forms for this event will be in the May, June and July issues of Tobacco Roads. Rooms are currently held at The Waynesville Inn Golf Resort & Spa and can be booked by calling 1-800-627-6250. Please mention the Porsche "in den Bergen" of WNC room block to get your special room rate.

Any questions regarding Porsche "In den Bergen" of WNC should be referred to Ron Becker at 828-456-3239 or e-mail [colron@charter.net](mailto:colron@charter.net). We look forward to enjoying another beautiful weekend in Western North Carolina to celebrate with our Porsche friends and family.

The advertisement features two large images of alloy wheels. The left wheel is a five-spoke design, and the right wheel is a multi-spoke design. Below the wheels is a black Porsche sports car with a red stripe and a license plate that reads '996'. The background is dark with a subtle grid pattern.

## PORSCHEFEST 2010 CONCOURS GUIDELINES

Welcome to the 14th annual Carolinas Region PorscheFest. This is a short guideline for concours participants.

Weekend parking will be at the Renaissance Asheville Hotel. Areas for washing vehicles will be available at the Renaissance. There is NO COVERED PARKING at the Renaissance but there is a multi-story parking deck adjacent to the Renaissance. Cost is \$8/Day. Security will be provided at the hotel parking lot but not at the parking deck.

The concours will be held in the parking lot adjacent to the Renaissance between 9:00 AM and 12:00 PM. Participants should be available for staging into position by 8:00 AM. This will allow judging to begin at 9:00 AM.

No cleaning of vehicles is allowed after judging begins except for light dusting. Violations will result in disqualification for trophy competition.

Late arrivals will be judged as time allows but will not be eligible for trophy competition.

All vehicles will have retractable windows down approximately 1 inch. This means that most vehicles will have the driver and passenger's windows down 1 inch. Cayennes and Panameras will have all 4 doors windows down 1 inch.

All cabriolets will be shown with tops up. Owners can choose to display the vehicles with tops down but will be assessed penalty points.

All vehicles will display standard items stored in the trunk. Jacks, Tool Kits, Air Compressors, Spare Tires and any other standard item will be displayed on the ground adjacent to the vehicle for judges' inspection. These items should be removed from the trunk area prior to the arrival of the judges so as not to delay the concours. No penalty points will be assessed for any foreign debris that may accumulate which can be reasonably as-

sumed to have occurred that morning. No prior trophies or pictures should be part of this display.

Vehicles will be judged on four areas: exterior, interior, trunk and engine bay. All storage areas will be subject to inspection. Vehicles will be available for judge's inspection initially with all areas closed and then upon the direction of the judges the owner or their designee will open the doors, trunk, engine bay, gas filler area and all storage areas for inspection. No penalty points will be assessed for touch up paint. No filler caps will be opened. Batteries will be inspected and should have covers removed if they are present. No under areas of vehicles will be inspected. Dust or debris that may have accumulated due to the weather will not be assessed penalty points but if a dead bug or mud, etc. is found then it has probably been there for awhile.

Boxsters/Caymans will be allowed additional time to make their engine bays available for inspection since this involves removal of the engine cover. Owner's can choose to not display their engine but will be assessed penalty points assigned to the engine area. We will not have the tools available for this task so you must provide your own tools and expertise. Practice prior to the day of the event and plan of having a friend or fellow entrant that is knowledgeable of the task to assist. Judges will not assist unless requested to do so prior to the event and agree to the request.

Yes, you've read that right... **Bobby Stikeleather**, Hickory's finest, is back in action tending to all your Porsche needs. He has teamed up with Porsche collector, **Matt Drendel**, and started what will surely become the premier independent Porsche service center of the Carolinas.

## PorscheFest 2010 Concours Guidelines

As a region, we only have one judged Concours scheduled on our yearly calendar. That event is part of our annual PorscheFest weekend scheduled again this year in Asheville, NC on May 28-30. The Concours will be held Saturday morning, May 29th, between 9:00 AM and 12:00 PM in the parking lot adjacent to the Renaissance Asheville Hotel.

Now why do we have such an event and why is there only one? The answer to the first part is that believe it or not, some of us really enjoy cleaning our cars to the point that we want to compete against other such individuals. This was clearly evident during Porsche Parade 2008 when many Carolinas Region members competed in the Concours. The answer to the second part is that it takes a lot of time and effort by both the participants and organizers to have a judged Concours.

So why would anyone want to clean their car just to have someone point out dirt to them? The best reason is that in preparing for a judged event you learn much about your car and do cleaning and maintenance that preserves its' appearance and reliability. Each judged Concours may vary as to how you display your car and exactly what is judged but the bottom line is simple. Ultimately the judges will be looking for DIRT. At PorscheFest four areas are judged: Exterior; Interior, Trunk and Engine. The undercarriage of the vehicle and wheel well area are not judged nor are areas of the wheels beyond the face and outer rim area.

Let's look at each area and see what you want to do:

Exterior: Wash/Clay Bar/Wax or Polish/Touch up paint chips/Treat rubber trim/Clean gas filler area/Clean glass & mirrors/Clean wheels & tires  
Interior: Vacuum/Clean upholstery

& carpet/Clean & treat leather surfaces/Empty all storage areas/Treat vinyl areas/Clean windows & mirrors/Clean & lubricate all hinges & seat tracks

Trunk: Vacuum & clean carpet/Clean & lubricate hinges/Clean tool kit & inspect for completeness/Clean & inspect air compressor/Clean & lubricate jack/Clean & inspect spare tire/Clean battery & battery area/Check battery for serviceability

Engine: Remove excess dirt & grease/Inspect hoses & belts/Clean & lubricate hinges

Sounds simple right? Well it is. You just need to be thorough and remember if you can find dirt then a judge probably will as well.

Now that you have it clean, let's look at how you have to display your car at PorscheFest during the Concours.

1. Show up early to complete your cleaning and stage your car. Judging is scheduled to start at 9:00 AM. No cleaning of vehicles is allowed after judging begins except for light dusting. Violations will result in disqualification for trophy competition.

2. All vehicles will have retractable windows down approximately 1 inch.

3. All cabriolets will be shown with tops up. Owners can choose to display the vehicles with tops down but will be assessed penalty points.

4. All vehicles will display standard items stored in the trunk. All of these items will be displayed on the ground adjacent to the vehicle for judge's inspection and should be displayed prior to the judges' arrival so as not to delay the Concours.

5. All additional mats other than carpeting will be removed.

6. No prior trophies or pictures will be part of the display.

7. Vehicles with foldable back seats will display them in the upright

position.

8. Vehicles will be available for judge's inspection initially with all areas closed and then upon the direction of the judges the owner or designee will open doors, trunk, engine bay, gas filler area and all storage areas for inspection.

Now for the inevitable questions:

Boxsters/Caymans will be allowed additional time to make their engine bays available for inspection since this involves removal of the engine cover. Owner's can choose to not display their engine but will be assessed penalty points assigned to the engine area. Tools for this task and expertise to do so are the responsibility of the owner. Practice prior to the day of the event and plan on having a friend or fellow entrant that is knowledgeable of the task to assist. Judges will not assist unless requested to do so prior to the event and agree to the request.

Newer cars have fewer items in the trunk than old cars. We only expect you to show what comes standard with your car; old cars usually spare tire, jack, tool kit and air compressor; new cars can be as little as a tool kit. Penalty points will be assessed for missing or incomplete items.

Originality is not a judged item in our event. Any aftermarket item is acceptable except for a small block Chevy V8. Kit cars are not allowed to participate.

We hope that most of you drive and enjoy your cars. We are not looking for museum pieces or trailer queens. Clean your car and bring it to the event. You learn from every Concours and you will never find all the dirt. You just hope the judges do not either.

1968 Porsche 912 Coupe: VIN 12803251. Slate Grey w/ Black original interior. 66K miles. Completely mechanically rebuilt by Drew Slayton less than 3K miles ago. Runs great. No rust. Good tires, Records from original owner, window sticker, toolkit, Have a driveable, dependable classic Porsche. \$16,500 OBO Brent Cline, Aiken, SC. [clinedsgn@mac.com](mailto:clinedsgn@mac.com) or 803-599-2939 (4/10)

1970 914-6 Race Car: Ginther-style 2.8 liter 294 hp dynosheet available. 6 hrs on rebuild. 901 tranny with typical upgrades. 10x16 front, 12x16 rear. Every related spare included. SCCA GT2,PCA GT4. Ten year history, very reliable. Worth the sum of parts \$30,000. Contact Masters Campbell in Anderson, SC. 864-225-7764 or [masters@ibwinc.com](mailto:masters@ibwinc.com) (4/10)

1977 911 SC Coupe with sunroof: VIN 9117301553, New Gun Metal Metallic paint. This is my daily driver and also set up and ready to go for the next DE. Most of the car was rebuilt. Upgraded rebuilt bottom and top 3.0 liter engine from the original 2.7, rebuilt transmission, short shift kit, upgraded front fender oil cooler, upgraded front turbo brakes, new front struts, wheel bearings, ball joints and bushings, new fuel tank, upgraded 22mm brake master cylinder, rebuilt pedal cluster, Konig sport seats, upgraded 16" wheels and more. Asking \$14,5000. For photos and more details contact Bill in Mooresville, NC at [billbri@hotmail.com](mailto:billbri@hotmail.com) or 503-881-9574. (4/10)

1979 Porsche 911SC Targa: VIN 9119210644. Very well-maintained, original car w/130,000 miles. I am the third owner and have maintenance/repair records going back to its first owner. The car sports an older repaint of the original silver color. Targa top is in perfect condition. Mostly original car with some significant updates, including Turbo tie rods, '99 Boxster CDR 220 radio with Alpine amp, CDT door speakers and Infinity rear speakers. New tires and new alternator (not rebuilt) three months ago. Within the past year it has had new rear brake pads, a new clutch, and the engine has been out to be re-sealed. (Eurowerks here in Charlotte did the work.) A/C recently charged with R134 and cools quite well. Power seats and mirrors, but door locks and windows are manual. For its model year, this is an exemplary Porsche. This car has just entered the "classic car" category and has been valued at \$15,000 for local tax purposes. I'm asking \$16,500 for this exceptional vehicle. Contact Joe Rose, Charlotte, NC, [nineelevener@yahoo.com](mailto:nineelevener@yahoo.com). (2/10)

1988 944 Turbo: Guards Red w/ black interior. 115,000 miles. Great condition. New Konis, Yokohama tires, recent brakes, battery, alternator, starter, and CV joints; everything works great. Daily driven. Priced at \$9,800. Call Joel Barber, Greenville, SC (864)414-3481 or [joel@barberraceworks.com](mailto:joel@barberraceworks.com) (2/10)

1992 Carrera 2 sunroof coupe. Factory tint, Amazon Green appears blue in sun. Unusual tan interior, leather. 83000 miles. Rebuilt engine, new BFG G-Force T/A tires. New Kenwood AM/FM/CD. Good AC. Southern car, \$22,000. Jim Hoffman, Ninety-Six, SC. 864-543-1586 or [t140triumph@hotmail.com](mailto:t140triumph@hotmail.com) (4/10)

1996 C4S: VIN #WPOAA2993TS321148. Schwartz black over cashmere. 44,868 miles. Excellent condition with records. Motorsound kit and polished rims. Garage kept, non-smoker. Beautiful throughout. \$42,500. Contact Scott A Rasco, Asheville, NC. [sjrasco@charter.net](mailto:sjrasco@charter.net) or 828 545 9958 (4/10)

1999 Carrera 4: WPOAA2990XS625253 Black/Tan. 60,XXX miles. Excellent exterior and interior condition. Always garaged. All required service performed including recent 60K service. New OEM brake pads. New Michelin PS2 tires (less than 1000 miles use). Ventureshield clear bra. Agency Power exhaust with terrific sound! Fabspeed cold air intake. Factory aero kit. Silver Porsche hood crest. Runs and drives great! Non-smoker. No accidents. Everything works! Maintenance records available. Used as a weekend car; no rain or snow. No track use. Must see! I have loved every minute of driving this car, but am selling for a turbo. \$30,500 OBO. Kelly Baird, Lewisville, NC. (336) 580-0809 or kbaird@wfubmc.edu. (2/10)

1999 Porsche Boxster, VIN WPOCA2981XU621815. Silver, grey interior, tan soft top. 107K mile. Rebuilt transmission, new water pump, new alternator. Non Smoker, garaged, 6 disc CD player. 3rd owner, dealership serviced. Runs well. Asking \$10,000. Contact Steven Rudnicki in Columbia, SC. srudnicki@sc.rr.com or 803-736-4307 (4/10)

2000 Carrera Cabriolet: VIN WPOCA299XYS651353. Black w/ Silver Grey interior. 32,700 miles. Excellent condition. Paint bubbles on lower door skins. New roof, new paint. \$35,000. Contact Dianne Welsh or Ted Shalek, Greensboro, NC. dhwelsh@gmail.com, ted.shalek@gmail.com or 336-617-6833. (2/10)

2007 Carrera Coupe C4, VIN WPOAA29937S710409 Carrera White, Gray Leather. 26700 miles, manual, Nav., Sport Chrono Plus, Bluetooth Phone/iPod interface, non smoker, no snow, no track, K-40 Front/Rear, Bi-Xenon Headlights, Porsche Thick Steering Wheel in Alcantara, Satellite Radio, Bose Upgrade System, Full 3M clear Bra, Power Seat Package, Crest in headrest, colored Crests on wheels, supple leather package, clean CarFax, All work done at dealer, good paper trail. \$62,000. Bill Gamble, Charlotte NC. 803.802.5503 billgamble@comporium.net (4/10)

2008 Turbo Coupe: VIN WPOAD29958S783922. Basalt Black, Black leather heated adaptive sport seats with black painted backs. Y-trim leather multifunction steering wheel. Sport Chrono Turbo. Tiptronic with leather gate & black trim. Black door openers, stainless steel door sills, red taillights, black rims and caps. 7-year Enviorguard. No smoke, rain or dings. 5700 easy miles. Outstanding car! \$110,000. Contact John Hyder, Lincolnton, NC 704-732-1805 or jhyder42@hotmail.com (4/10)

## Parts - Parts Cars - Projects

Wheels: from '94 911; 2-6x16, 2-8x16. Good condition. \$250 OBO. Contact Ron Tedder in Winston-Salem, NC at ron-tedder@aol.com or 336-399-9813. (2/10)

18" 993 Turbo wheels & tires: wheels are Turbo 1 – solid spoke, fronts are part number 993.362.134.06 (7.5" width, 11.3 kg), rears are 993.362.140.04 (10" width, 13.3 kg). Tires are Michelin Pilot Sport Cup 225/40-ZR18 (88Y) front, 285/30-ZR18 (93Y) rear. Tires are mounted and balanced. Tires have been used for one half day DE session. The rims do have some light curbing, but are straight and true. Asking \$1440. Buyer pays for shipping or you can pick them up in Columbia SC. If needed I will email pictures. ### Guidelines for Carolinas Region Classified Ad Submissions

- 1) All ads should be submitted to Ed Beronet, Classified Ad Coordinator, at:  
[classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com)  
602 Stonehill Rd  
Chapel Hill, NC 27516-9526  
Home: 919-942-3838
- 2) All ads will be posted to both Tobacco Roads and to the Regional Website unless otherwise directed.
- 3) You must provide your current PCA membership number when submitting a classified ad.
- 4) No posting of ads for friends. Immediate family is ok.
- 5) No commercial ads. All commercial ads must be purchased. Contact TR Editor for pricing.
- 6) Ads will run for two month. If the item is not sold within that time frame the seller will need to contact the Classified Ad Coordinator at [classifieds@carolinas-pca.com](mailto:classifieds@carolinas-pca.com) and request an extension. Each extension will be for one additional month.
- 7) All pictures submitted should be in .JPG format and no larger than 800x600. One picture per submission.
- 8) Pictures will run on the website only.
- 9) All ads will be subject to editing for consistency and length.
- 10) Ads should include:
  - a. An accurate description of the item or items (including VIN preferably if applicable).
  - b. Price (Ads will not be accepted without pricing).
  - c. Where you and the item are located.
  - d. Contact information including name, phone number, and/or email address.

Below is a sample of the format we will utilize:

1964 356 Coupe: VIN 12323456. Champagne Yellow w/ Black interior. 150,100 miles. Very good condition. Paint bubbles on lower door skins. 12 volt conversion. \$42,995 firm. Contact Bob Smith, Hickory NC. bsmith@hotmail.com or (704) 555-1212.
