## PorscheFest ... 50th Anniversary ... Changes in the Triangle ...

As I said in last month's TR I anticipated that I would have great things to say about PorscheFest 2010 and indeed I do. Building on the momentum of PorscheFest 2009 Jim and his crew did an outstanding job yet again. Tweaks included a new host hotel, the **Renaissance Asheville** with direct access to downtown Asheville, a new banquet facility and a new lunch spot, **12 Bones**. Blended with the familiar yet very challenging Autocross Course at Wolf Laurel as well as the local hospitality ... it really was the perfect PCA weekend.

My parents were originally going to join us (Vivian, myself and the twins) for the weekend but the sale of their business precluded them from joining us. However my brother, his wife and two daughters were able to make the trip from Greenville, NC and fill in for the weekend. This was their first full on PCA experience. And although they are not gearheads they appreciated the visual spectacle, the camaraderie and the hospitality. Needless to say they all had a great time.

In addition to the usual suspects, we had PCA members from several other regions

including the President of the Heart O' Dixie Region, Jim Cambron and his wife Suki (yeah ... they're the ones with the stunning **Euro 2010 997 GT3 RS**), as well as one couple that travelled all the way from Wisconsin! Now THAT my friends is a road trip folks!

Discussions are now underway about PorscheFest 2011. I know where I would like for it to be again ... but that has yet to be decided.

You will find later in this issue details about the **50th Anniversary Tour**. A registration form will be sent out via email later in July and will be in the August TR. Again that event will be held the weekend of August 21-22. And even if you cannot do the entire route we encourage you to come out and at least drive one segment in your Area.

The **50th Anniversary Celebration** planned for the weekend of November 6-7 has ran into some ... complications. The original host hotel, Renaissance at SouthPark, has been fully booked by the Carolina Panthers that weekend. We did find a substitute hotel across the street, the DoubleTree who hosted PorscheFest 2004, which is actually closer to Symphony Park. But a wedding party has booked the banquet facilities Saturday evening leaving us searching for another venue. We talked to Antonio at Maggiano's but they were booked as well.

We have one last possibility under discussion but that is completely

dependent on a potential sponsor. Unfortunately if that discussion does not come to fruition the 50th Anniversary Committee will have to regroup and plan for a Spring 2011 event.

Speaking of the 50th Anniversary, have you ordered your **Grille Badge** yet? We have to have 100 pre-orders in by the end of July (btw - we have extended the deadline by 1 month) so we can place the order. So if you are interested PLEASE get your orders in asap.

Switching gears, **Scott Holcomb** has decided to step down as Area Director for the Triangle Area due to a pending bundle of joy (congrats Scott!). As a result the Area is in need of someone to step up and fill that role. By the time you read this we will have held a meeting in Chapel Hill to discuss the AD position and also have potential candidates speak to the membership. There will be a bio and agenda of each candidate sent to the Triangle membership and then a vote will be held.

If are interested in the position just send me and email of feel free to call me at the number below.

That's a wrap for another month. As always if you have any ideas, comments or feedback please feel free to contact me at [president@carolinas-pca.com](mailto:president@carolinas-pca.com) or (704) 906-0343.

# Porschefest 2010: Events... Competition... Just Plain Fun

By Catherine Bonfiglio, Photos by Ron Reed

Once again, the beautiful mountains of western North Carolina was the setting for Porschefest. Back in Asheville for the second year, the event was attended by 153 participants with 82 cars. The multi-event weekend was held in and around the eclectic Asheville area, known for its broad array of attractions, dining, and places of scenic historic interest.

The Friday evening weather may have been a threat to some, but those who attended the hospitality get-together just raised a glass or two as they enjoyed the view from the 12th floor of the hotel, looking out over the surrounding mountains and downtown Asheville. As always, the Goodie Store was open for business. In addition, representatives of the Asheville Chamber of Commerce, Scenic Wolf Resort, and the Waynesville Inn Golf and Resort, also attended the hospitality event. The rave reviews were already starting to come in for Jim Peterson, Mountain

Area Director and his planning team. Many attendees felt the hotel was great; a big improvement from last year.

Saturday morning dawned sunny and nice as participants in the Concours readied their prized Porsche's for inspection... and admiration. A separate article in Tobacco Roads details the Concours results, but suffice it to say, there was a lot to admire and ogle. Cars ranging from Bob and Dolores Barton's '63 356, the People's Choice winner, to Jim and Suki Cambron's 2010 GT3 RS World Challenge, winner of Best of Show.

The team of Paul Lueskow and Doug Smith put the fun in the Fun Rally, coming in first at the event, which saw participants navigating their way through the Asheville area. The team of Karl and Teresa Dearnley earned the second spot in the rally. There were a total of 42 cars in the event. (cont. on pg. 10)

# Porschefest 2010 – Concours

By Mike Jones

The Concours for Porschefest 2010 was held Saturday, May 29th, in Asheville, NC at the parking area for the Renaissance Hotel. This made it convenient for both participants and spectators since all we had to do was walk out the back door of the hotel. Combined with great weather and organization, the Concours was a memorable occasion for all.

34 cars braved the judges' desire to find dirt. We had a really great variety of cars ranging from a 1960 356 Carrera II to a 2010 GT3 RS World Challenge.

## Best of Show

Jim & Suki Cambron	2010 GT3 RS World Challenge
--------------------	-----------------------------

It takes many volunteers to run a successful Concours. Gordy Cwik, chairman, and Dale McCourt made sure the event was perfectly organized, and on time and that the facilities met entrants' needs. Judges (Jim Cambron, Bob Kuchenbecker, Joe Esposito, David Butler, Mike Dietzel, Dave Lumpkin, Beth Aldecoa and Al Aldecoa); Timers (Terry Johnson and Ron Becker); Runners (Scott McClung and Michele Bushman); and Scorers (Doug Smith and Tanya Orrell) were gracious to give of their time.

Awards were presented in 11 classes, Best of Show and People's Choice. Top scoring cars were rejudged to determine the Best of Show winner. The winners were:

----------------------	--------------

Congratulations to all of the winners and thank you to all entrants and volunteers for making the Porschefest 2010 Concours a big success.

The Scenic Wolf Resort was the locale for the Autocross. And although the venue lived up to its name, all eyes were on “autocrossers,” focused on working through the course, competing for the best time. Winning the 911 (996-997) class was Doug Smith. Sean Steinbrueck also had his eyes on the prize, coming in first in the GT3-Turbo class. The Boxster class was well represented by Jeff Russell. The Boxster S class winner was Jerry Kilcrease, and Tony Martinez captured first place in the Cayman class. And a familiar face would place once again as Paul Lueskow, winner of the Fun Rally, also competed in Autocross. The number three must be a lucky one for Paul the overall winner at this year’s Porschefest, entering all three events. Congratulations Paul!

Whether or not they entered the weekend’s competitive events, 24 cars explored the beautiful back roads of North Carolina on Sunday, ending their tour at the Scenic Wolf Resort. You can’t talk about Porschefest without talking food. And there was plenty to be had in some pretty cool spots. Saturday’s lunch was

held at 12 Bones Smokehouse, a restaurant nationally known for its barbeque. The Sunday evening awards banquet was held at The Venue, one of Asheville’s rehabbed historic buildings, showcasing the design and artistry of the past, with all the modern conveniences of today. The banquet location and menu were deemed another successful element of the weekend.

Carolinas Region members made up the bulk of attendees

## **You can’t talk about Porschefest without talking food. And there was plenty to be had...**

for this year’s Porschefest. But we also saw friends come from Alabama, Virginia, and Wisconsin. Based on registration figures, 40% of participants in Porschefest 2010 were new; not having attending the 2009 event, which bodes well for future Porschefest events.

The giving side of Porsche owners was also evident throughout the weekend as participants opened their wallets, supporting Meals on Wheels of Asheville-Buncombe County. The charity raffle

raised \$1270, which was matched with a \$500 contribution by the Carolinas Region. Raffle prizes included a set of Michelin Tires, certificates for lodging at the Renaissance Asheville Hotel, and the Waynesville Inn Spa and Golf Resort. Other prizes raffled off were detailing products from Griot's Garage, a Battery Tender charger, a Porsche Design pen, and Michelin bobble head dolls. The check for \$1770 was presented in late June to Meals on Wheels Executive Director Diane Trammel by Bob Lewis of Deal MotorCars, the PorscheFest 2010 lead sponsor and supporter of Meals on Wheels.

Congratulations to Jim and his ten member team of volunteers who worked tirelessly over the past year to make PorscheFest 2010 at great success. Hats off to the following team members:

- Beth Brannon** - hospitality, awards banquet
- Broadus Brannon** - autocross, Best of Asheville, 12 Bones lunch, hospitality, awards banquet

- Gordy Cwik** - concours
- Mario de Francisco** - awards/trophies, tour
- Scott Jordan** - fun rally

- Dick Maybach** - registration
- Dale McCourt** - Best of Asheville, autocross, concours, documentation
- Mike McMahan** - charity raffle, fun rally
- Matt Pohsweg** - registration, hotel, documentation
- Doug Smith** - hotel, scoring, tour

The Carolinas Region also provided assistance in the areas of concours, autocross, photography, communications, finance, and administration. According to Jim, "We had a great team that worked well together and made the event happen - for the second year in a row!" Congratulations to all who devoted their time and effort to once again make PorscheFest a fun event, where old friends are brought together, and new friends are made.

## Cari Steinbrueck takes it all in Autocross

By Catherine Bonfiglio

Meteor. It's defined as *beyond* hovering; a streak of light. That streak was a 997 turbo (meteor gray of course), driven by Cari Steinbrueck at the spring autocross event at Grove Stadium in Winston Salem. A field of 36 men and women tested their skills but it turned out to be "Ladies Day" at Autocross as Cari won her class; was declared the fastest woman on the course, AND she even passed up the men competitors, taking the Overall Fastest Time of the Day with a winning time of 51.086.

It's not often that women clean up at an Autocross event, and Carolinas Region members can't remember the last time this happened...if ever. And if anything, Cari's triumph will hopefully encourage more women members to participate in Autocross, or at least come out and see what it's all about.

And as the headline indicated, girls (plural) ruled. Our Goodie Store chair Sadie Kilcrease also cruised into victory lane by

winning her class at the same event. Sadie's car might not be meteor gray, but the white 1979 911 SC was skillfully managed by its driver, with a time of 55.854.

Thinking about doing an Autocross? It's a great way to connect with your car, and with your fellow Porsche enthusiasts. The Carolinas Region hosts several Autocross events throughout the year, all designed to provide a fun driving experience, and camaraderie. Mark your calendars for autocross in September (date to be determined) at the Metrolina Expo in Charlotte. Then on October 9, an autocross will be held in conjunction with the Oktoberfest celebration in Greensboro.

Questions about autocross? Just contact Walter Stone, Autocross chairman for the Carolinas Region. Email Walter at: [autocross@carolinas-pca.com](mailto:autocross@carolinas-pca.com)

Its author, Randy Leffingwell, on page 87 gives the following explanation:

“Meanwhile, Porsche prepared [for] its one show car (a yellow Karmann-produced coupe for Frankfurt) for the next display at the Paris Salon in October. [1963, DSW] There it caught the attention not only of enthusiastic French drivers, but also of Automobiles Peugeot, who disputed model nomenclature with Porsche despite the vast difference between their products. In 1921, Peugeot had introduced a Model 201. The company registered with the French government’s office of copyrights and patents to use three-digit model designations using a zero in the middle. The 201 was the second chassis series with a 1.1 liter engine. By 1963, Peugeot’s numbers had passed through 301s, 401s and 601s to 203s, 403s and 404s. After Paris closed, Peugeot notified Porsche it could not use the 901 designation in France.”

“France was a large market for Porsche. Ferry chose not to antagonize the other carmaker. He didn’t remind anyone that 904 GTS Carreras already had raced in France and his 804 Formula One car had won at Rouen Circuit without comment from Peugeot. Porsche renumbered the new car as the 911...”

Many, many thanks to Meghan McGivern and the Motorbooks Publisher for coordinating and waiving the usual reprint fee of the quoted text, respectively. Please support them and purchase a copy of this fine book for yourself!

**Yours in the pursuit of Porsche excellence =)**

## From the desk of your Historian/Archivist

Dave Wilburn

Perhaps you read my article last month and said “Dave made an error calling it the ‘901’ ”. Do you know the story of how the famed 911 number came about?

My Mother bought an excellent coffee table book for me for Christmas 2008 many of you may have seen advertised in Pano: Porsche Sixty Years. I highly recommend it since it contains a great deal of history, both from a manufacturing and racing perspective. It’s chock-full of beautiful color photos and covers nearly 350 pages.

## Attention All PCA Members! We’re Celebrating our 50 Year Anniversary with a Regional Tour!

That’s right. We will be doing a driving tour of the entire Region the weekend of August 20th–22nd with stops in each Area showcasing the diversity and hospitality of each. There will plenty of fun and gearhead comradery along the way.

For those of us not living in the Triangle Area the tour will begin the evening of Friday, August 20th with an overnight stay at the Embassy Suites in Cary, NC. The tour will then start from the parking lot of the Embassy Suites the following morning, Saturday August 21st.

From Cary (Triangle Area) we will drive to the Rockingham Dragway (Sandhills Area), where we will have a group photo op. We will then continue on to Charlotte (Metrolina Area) for lunch. No naps allowed after lunch though! We then scoot down to Columbia, S.C. (SunFun Area) for a catered dinner at Gary Pennington’s Garage. We have a room block at the Columbia Embassy Suites for those continuing with us the following morning.

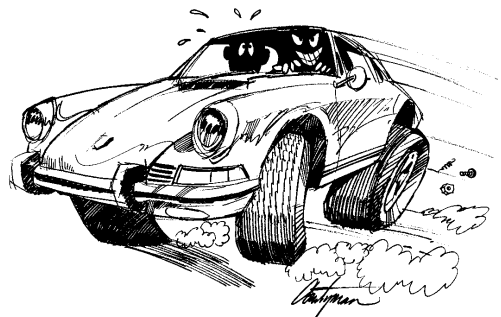

After breakfast Sunday morning we will depart for Spartanburg, S.C. (Upstate SC Area) for a brief stop and water break, from there we’ll continue on to Asheville, N.C. (Mountain Area) for lunch.

Then it’s on to Hickory, N.C. (Hickory Area) and a stop at Heritage Motorwerks to see their shop and to view part of the incredible Drendel Collection. After viewing the exhibit there we’ll drive forward to Greensboro, N.C (Triad Area) for a banquet hosted by Foreign Cars Italia.

Keep in mind that you do not have to drive the entire route to participate. If you just want to drive one or two segments along the way that is great. We just want as many people in the Region to participate as possible, no matter how long you can stay with us.

Further details and a Registration Form will be available in the August Tobacco Roads and by email blast.

## RennGruppe Motorsports Open House Text and Photos by Tom Morgan

Dave Brown opened the doors to his new business, RennGruppe Motorsports, for an open house on June 5th. The Lexington, North Carolina shop currently houses some great vintage Porsche race cars that he and his crew help restore, maintain and support at the track. Dave gave detailed talks about the good points (and maybe a few weak points too) of the mechanical variations and history of the three 935s on hand. He also covered aspects of the 906, 910 and 962 that were opened up for all to see, up close and personal.

Another interesting 911 in the shop was an original IROC car formerly raced by Emerson Fittipaldi. The car had gone through a lot of different iterations as different forms of 911 race cars during its lifetime, but is now being restored back to the way it raced in the 1974 IROC series.

RennGruppe was nice enough to provide a BBQ chicken lunch, complete with some fantastic banana pudding. Can't have a good BBQ lunch without banana pudding, right? On behalf of the 35 or so Porsche owners and club members on hand, a big thank you to Dave for having us over and good luck with your new venture.

# Area Updates: June 2010

## Hickory Area By Vincent & Vallie Piccirelli

Greetings to all.

Thanks to Porsche of Hickory, we had 2 demonstrations of the Spider soft top. The 1st one was for our trip to the Highlands, which we were graciously supplied with coffee & doughnuts. The 2nd demo was on Tuesday June 8th for our Drive & Dine meeting.

I now consider myself an expert at removing the spider top, should any of our members feel inclined to purchase one and invite me out for a spirited drive, in one of these great cars.

We also got to see the new Panamera S and a new V6 model. A very gracious offer was made to test drive the cars at our convenience.

We had perfect weather for our drive & dine, which started at Porsche of Hickory and ended in historic Shelby, with a great dinner at the Smoke on the Square.

At this time we are hammering out plans for a Tech Session and a drive and BBQ. Details will be emailed as soon as possible but sorry, not in time for the TR.

We also had a great turnout for the PorscheFest with 6 couples from the Hickory Area. Congratulations to Bob & Deloris who took to awards banquet by storm! Thank you Hickory area for supporting this event, we had great weather to enjoy the people and the cars.

Any questions please Vallie or me @ 828-781-8352/8332

Ciao!

Vincent & Vallie Piccirelli

## Metrolina Area By Don Morris

The bad news is we had to cancel the NCCAR ED event for June 12-13. The good news is I got to go to Roebing Road Raceway that weekend with the Coastal Empire PCA Group for their DE. The bad news is I had a brake caliper sticking problem, which kept me off the track for one run while I struggled in the 100 degree heat in the sun dealing with the brake. Several other Metrolina Region folks were there including Sean and Cari Steinbrueck, Chris Sanders, and Cliff Pryor. Everyone had a good time.

The next DE event is at VIR July 12-13, a Monday and Tuesday. Our DE leaders are giving us additional track opportunities, so join in and sign up for the fun on [www.Clubregistration.net](http://www.Clubregistration.net).

We had our monthly meeting site to Maggiano's Restaurant at South Park, a great Italian Eatery. We will continue to meet there the 3rd Thursday of the month at 7PM. We had 31 people at our first meeting at Maggiano's and the food and accommodations were great.

Salsarita's Restaurant at Quail Corners 8600 Park Road is sponsoring a judged Shine and Show the 2nd Saturday of each month from 11-2. Harvey offers the winner a free meal.

All Tune and Lube, located at 1046 Regent Parkway in Fort Mill, just off US21 south of Carowinds exit, is offering an open garage night the 2nd and 4th Tuesday of each month at 6PM. They offer free inspections and lift time for tire and break pad changes, etc. They also will be grilling dogs, brats, burgers etc.

Cars and Coffee meets the 1st Saturday of the month at 8:30 in the Panera Bread parking lot at NorthLake Mall for show and conversation. There are usually over 100 cars there. Check it out.

Hendrick Porsche is holding a 2011 Cayenne Launch event at it's location on Independence Blvd on June 24 at 6:30PM. RSVP to Amy Cook 888-419-4414 at Hendrick.

## Triad Area By Jerry Kilcrease

The Triad Area held the June 15th meeting at The Box Lunch in Greensboro and in spite of the summer thunders storm moving through the area, we had 38 members and guest attend. Some of them even drove their Porsches while most of us were in SUV's. We welcomed all first time attendees to the meeting and we were all surprised but happy to see Dave Lumpkin in attendance. For those of you that do not know, Dave had a mild heart attach last Saturday evening and was rushed to the hospital but he made it to the Tuesday evening meeting! Great recovery Dave! We all sang Happy Birthday to PCA members Tanya Reed and Wayne Parker after finding out that both had birthday's since our last meeting. Then after the short business meeting, we were delighted to introduce our special guest speaker for the evening Brett Smith of Foreign Cars Porsche in Greensboro. Brett gave the group an excellent presentation related to the upgrades and changes included on the new 2011 Porsche Cayenne. After the presentation, Brett answered questions on the Cayenne and invited the membership to the upcoming "official showing" of the new model at Foreign Cars Porsche in the near future. Ron Reed set up the overhead projector and showed photographs that were taken at Porschefest in Asheville and Sadie had the Goodie Store set up. After dinner most of us continued to visit and since the thunder storms had moved out of the area, some members moved outside to check out the Porsches.

### **NEXT UP COMING TRIAD AREA EVENT:**

Saturday, August 14th-Annual Swap Meet at SpeedWerks - Once again Andy McNeil and the folks at SpeedWerks will host the Triad Area's annual swap meet. Doors will open at 8am and the "swapping" will begin. The folks at SpeedWerks will provide a free BBQ lunch and Sadie will be there with the Carolinas Region PCA Goodie Store. This event is getting bigger and better each year so if you have new or used Porsche parts and items that you have accumulated and want to get rid of them, start putting them in a box and get ready. There is no fee but you

will need to contact Jerry Kilcrease at [jkilcrease@triad.rr.com](mailto:jkilcrease@triad.rr.com) for sign up and space assignments. SpeedWerks is located at 6 N. Robbins Road, Thomasville, NC. Make plans to come by and join us!

GIP (Girls in Porsches) (Write-up by Sadie Kilcrease) Several of our girls are planning to attend Parade in July so we will not have a GIP meeting in July. Our August meeting will be held on August 5. Location has not yet been determined but mark your calendars for August 5 and make plans to join us for fun, food and fellowship.

### **PAST TRIAD AREA EVENTS:**

Saturday, May 22nd; Porsche Corral-The Porsche Corral was held in conjunction with the American Children's Home Car, Truck and Motorcycle Show that was held in Lexington, NC. This was our second Porsche Corral at ACH and is the Triad Area's major charity event of the year. There were over 20 participants signed up but unfortunately Saturday was a rainy day and only 14 brave souls showed up with their Porsches. While it rained off and on all day, we had about 100 people vote in the people's choice and when the votes were counted Jerry and Sadie took 1st Place with their 1964 356C, Terry Conrad placed 2nd with his 1996 Red Turbo with Stan Simm taking 3rd Place with his Red 911. David Brown was there from RennGruppe Motorsports and provided us with two great "Marque Cars", the Coke Cola 962 and the Coke Cola 935 Porsche vintage race cars. We collected \$700.00 from registration fees and donations from the participants at the event. So with the \$500.00 matching funds from the Carolinas Region, we ended up making a total donation of \$1,200.00 to The American Children's Home. Thanks to all that came out and helped us make this charity event another success.

Saturday, June 5th: Open House - RennGruppe Motorsports- The open house was held at their new location at 364 Dixon Street, Lexington, NC 27292. The doors opened around 9am and David Brown and his guys had the new facility shining like a new

penny with classic Porsches setting every where. I think there were probably around 100 people in and out during the day. There were quite a few classic Porsche race cars on the floor

including a 962, several 935's, a 906, a 910 and a unique 911 IROC Porsche. David did an excellent job of explaining the history and design aspects of each of the cars during tech sessions. For those of us that were around for lunch, they provided an excellent BBQ chicken dinner with banana pudding for desert. Sadie was there with the Goodie Store and had a pretty good day. If you missed it, you need to drop by their facility and check it out.

### **FUTURE TRIAD AREA EVENTS:**

October 23rd (Saturday) - Oktoberfest - Hosted by Foreign Cars Porsche in Greensboro - (Details later).

December 4th (Saturday) - Carolinas Region Holiday Party- Hosted by the Triad Area-Details and Registration information later.

**NEXT TRIAD AREA MONTHLY MEETING:**  
TUESDAY, JULY 20TH, AT THE BOX SEAT, 5006-E HIGH POINT ROAD, GREENSBORO, NC 27407 - We will be meeting in the Greensboro area again in July and then we plan to rotate back to Big Shotz Tavern in Clemmons for August, September and October. We generally start around 7pm, have a short business meeting, then dinner. Please come join us and enjoy the fellowship with your other Porsche enthusiasts. Directions: For those that do not have GPS or use Mapquest, here are some basic directions: From I-85 going North, take the Groometown Road exit; turn left at top of ramp and follow to High Point Road, turn left onto High Point Road and The Box Seat will be on the right at 5006-E High Point Road. From I-40 East coming from Winston Salem; take Wendover Ave. West (Exit 214A); turn right onto W. Wendover; turn left onto Stanley Road; turn left onto Hilltop road; turn right onto High Point Road; Box Seat is on the right.

## **Triangle Area** By Scott Holcomb

June was pretty quiet. I had to cancel the 6/17 meeting due to work and family commitments. No other activities took place.

In July, I have 2 things planned:

**7/10** - A Tech Session for a full brake job on a oil-cooled 911 Targa; pads, rotors, lines, and fluid

**7/15** - Monthly meeting

See the blog for details on both.

<http://trianglearea.wordpress.com/>

Finally, if you missed my blog post, my email, and Harvey's email, due to work and family commitments my free time is becoming scare, as such, July will be my lat month as the Triangle A/D.

Please get in touch with Harvey Yancey our President if you are interested in becoming or nominating someone to be the Area Director for the Triangle.

Many thanks to those who made my short time as A/D enjoyable. It's been a privilege. See you on the road and track!

## Upstate Area By Gene Kendrick

Our June Upstate Area monthly dinner meeting set our attendance record. We had 62 members attending including two who were able to drop in and visit but were unable to stay for the program. We over ran our reserve parking spaces but the restaurant did a good job reacting to an unusually large turnout.

Bill Gerwig of Protech addressed the group and covered basic maintenance on a variety of our cars. He fielded many questions from the audience. We all appreciate Bill coming to speak with us. Protech is a great resource for many of us. They do anything from routine Boxster maintenance to building race motors from scratch.

The Upstate had a good showing at Porschefest with Paul Lueskow winning the overall trophy based on his strong showing

in all three events. Terryl and Shelley Johnson took second in class with their Boxster in the concours. Alex Galloway won his autocross class with the Panamera. Gayle and Alex also took a concours class win in the same car.

The Upstate Area is looking forward to our annual Regional Barbeque/Swim Party on July 24th in Spartanburg SC. George Nolder has been working to set up the people's choice informal concours that we always enjoy as part of the event. We hope to break our previous record of 53 Porsche cars registered for the competition. Rumor has it that we may have as many as three original Speedsters attending.

We are expecting a good turnout of Upstate Club Racers at VIR June 25 through 27. We will keep everyone informed of the results.

## Porsches

**1975 model 1.8 914:** very original, time capsule sleeping since 1993. Solid original chassis. This fine example originally came from Colorado, but came to NC in the 80's. It was stored in a heated basement from 1993 until recently, when we brought it back to the daylight. To bring it back to life, fluids were changed, brakes rebuilt, pads, and ss lines. Tranny got new swepeco and all new shift bushings. We installed new fuel injectors, lines, and a new dual relay. She also got a new bushing in the steering column, new Kumho 205/60's and a set of 5 original fuchs. Super clean carpet and dash. Odometer shows 43k on the clock, but I suspect actually 143k. According to receipts, clutch replaced 20k ago. Offered at \$10,499. Consider trades toward 993 C2. John Helgesen, Aberdeen, NC. [jhelgesen@aol.com](mailto:jhelgesen@aol.com) or 910-638-5769. (6/10)
