## Board Meeting Updates

I am writing this article between technical seminars at a Microsoft Conference in Seattle so I apologize for the brevity. Also I am hoping that our TR Editor will have mercy on me and my tardiness on getting this in to him. *(Punishment will be swift and brutal. - Ed.)*

This past Saturday (24 July) your Carolinas Region Board met at the Annual BBQ & Pool Party held at the Kendrick's home in Spartanburg SC. As usual it was a mix of administrative and financial items in conjunction with reports from all Area Directors and Chairs. Below are a few relevant updates:

The **50th Anniversary Celebration**, originally planned for the weekend of November 6-7, has been folded into the Regional Holiday Party to be held in Greensboro on December 4th. This date coincides closer with our original charter date (December 3rd, 1960) and also Greensboro is the location where

the Region was chartered. So please put this on your calendar today.

The **50th Anniversary Tour** is slated for later this month on August 21-22. Complete details can be found later in this issue on the Tour Registration Form. The only item that you have to pre-pay for is the dinner at Gary Pennington's Garage on Saturday afternoon. Again, even if you cannot do the entire route, we encourage you to come out and at least drive one segment with your fellow Area members.

The last 50th Anniversary item is regarding the Grille Badges. While we have made some headway in orders, we still are short about 50 needed to make the **50th Anniversary Grille Badge** a reality. So if you are interested PLEASE get your orders into Sadie asap. (see order form on page 26)

The Board discussed **PorscheFest** structure and its future in depth. It was

reflect its importance to the region and also to allow for future continuity. If you have good organizational skills and are interested in that role please let me know. BTW - The location for next year's event has not been decided.

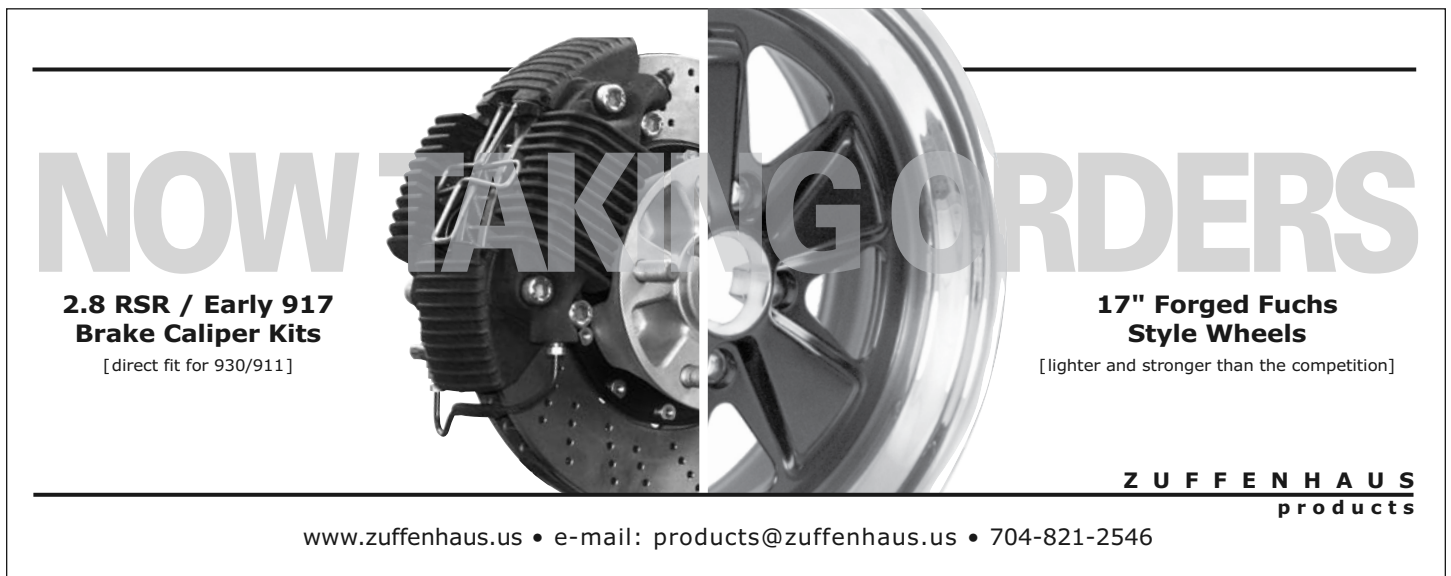

Our Triangle Area members will be happy to know that **Bob Kim** has accepted the position as **Area Director**. Bob already has a great calendar lined up and we are anticipating great things for the Triangle Area in the coming months. Welcome Bob!

That's it for this month. As always if you have any ideas, comments or feedback please feel free to contact me at [president@carolinas-pca.com](mailto:president@carolinas-pca.com) or (704) 906-0343.

**Parade 2010 – St. Charles, IL**  
**No car? No problem.**

Photos and story by Bob Saville

In early July, Nadine and I traveled to St. Charles, IL, for the 2010 edition of the PCA Porsche Parade. This is the first year that Parade was handled and organized totally by the PCA National Staff, led by Tom Brown, Parade Chair. Those of you that were involved with Parade in Charlotte back only 2 short years ago know how much work that is, so we were very interested to see how things came out.

Initially, we had planned to do it all: bring Huey, enter the Concours, Gimmick Rally, Autocross and Art Show, as well as all the banquets and parties. First of all, I have no idea what possessed me to even consider the Concours, especially considering we were in the process of installing a 'not very clean' new engine into Huey. So, I backed out of that. Then as July approached, we realized that we just did not have the time to stay away for an entire week +, so we shortened our trip dramatically, even flying there instead of driving (arrive Friday, leave Tuesday morning). This also meant we had no car to participate in, and could not get Nadine's artwork there.

So, we decided to make the best of the short time we were there. The host hotel, the Pheasant Run Resort, was large enough to allow for most of the events to be held on site. Saturday I was stuck in meetings all day including the National Board Meeting. Once all the meetings were over, we were able to start enjoying our trip. The Welcome Party was just around the corner from the resort at the DuPage airport in a huge hanger, with random old WWI and WWII planes mixed in with some really nice older Porsches. What a great way to get the week kicked off!

At the Welcome Party, Nadine and I got a chance to talk a bit with Michael Cotton, our European Correspondent for Panorama. This was his first PCA Parade, and it was interesting to hear some of his perspectives and comparisons to Parades in Europe.

Sunday brought us the centerpiece of any Parade – the Concours d'élégance. Unlike Charlotte, this year's Parade followed the traditional format of being held on the Pheasant Run golf course. The collection of cars was quite impressive,

with one of the largest collection of 356's seen at Parade in a long time. There was even a 962 competing (and winning)! Porsche brought the new GT3-R Hybrid and the Pikes Peak Hill Climb winning GT3 Cup car driven by Jeff Zwart. They also brought a few Boxster Spyderys, two of which were used in the Michelin Drive and Compare challenge (more on that later)

I won't go through who won, or even who participated, in Carolinas Region because undoubtedly, I will miss someone. Suffice it to say, Carolinas was well represented and brought

some wonderful cars to display and be judged. Congratulations to all of you that won awards!

Sunday evening was the Presidents Reception, held a few miles away at the Hotel Baker, a very old and classic hotel right on the river. All that attended had a great time, and we even got a chance to watch the July 4th fireworks from their balconies!

The schedule for Monday was for the TSD rally, but obviously, this is not something Nadine and I were going to participate in. So, we headed over to the Michelin trailer to try out the Spyderys

with the different tires: Michelin PS2's and Sport Cups. While the intent of the demonstration was to feel the difference in tire types (yes, the Sport Cups give you much better grip), my interest was in the Spyder itself. My conclusion? I REALLY like it. It feels light and very nimble. Obviously the mid engine balance is great, but the power, handling, and light feel is what impressed me.

In our short attendance, Parade St Charles was quite enjoyable. As I was growing up, my aunt and uncle attended Parade religiously. They did not compete in a lot of events, but they said it was a time to connect with many of their friends that they only get to see once a year. In those couple days in early July this year, Nadine and I got to rekindle some old friendships that we have developed throughout the years. We spent time with PCA Staff, our friends at PCNA and PAG, and those that we've met throughout Zone 3 and the rest of PCA in our 17 years of membership. And while the venue and events will change year to year, the saying that you hear constantly throughout PCA "It's not just the cars, it's the people" is so very true.

Later in the day on Monday was the RC Car race and ice cream social. Vu Nguyen our Executive Director did a great video about the RC Cars - he strapped a video cam to his RC car! Go to [youtube.com/user/PCAHQ#g/a](http://youtube.com/user/PCAHQ#g/a) to see this and all videos from PCA HQ.

Monday ended with the Concours Awards Banquet that displayed all the Division/Group winners and had a great presentation about, and speech from, Hans Peter Porsche himself. After missing Parade last year in Keystone due to just a few business issues that were plaguing Porsche last year, he was back to enjoy his 31st PCA Parade.

See you in Savannah, GA in 2011!

# Club Race Update

By Nadine Saville, Carolinas Track Events Co-Chair

As we are all trying to find different ways to keep cool in what has turned out to be a very hot summer... there are those of us that have already started turning thoughts towards the fall. As many of you know, the Club Race is back on the calendar for this year and in staying with tradition it will be held on Halloween weekend.

The race "weekend" can begin as early as Thursday, October 28th. The Palmetto Club will be running the event and depending on the folks that sign up - it could cover anything from first time drivers, super solo driver session, test and tune sessions or just open track. As we get closer to the date we will provide more information on this. The racers will have practice sessions and a fun race on Friday just to get everyone in shape for racing. On Saturday there will be sprint races and a solo only DE group will have their own sessions to go out and test their driving skills. On Sunday the DE group will continue to run sessions and the racers will run 90 minute enduros with a mandatory pit stop. We will also be holding the Fourth Annual Charity Car Show on Sunday where all makes and marques are welcome. It's a people's choice judging and all proceeds go to Camp Kemo. For more information on the car show, contact Rock Webb at [rwebb@scana.com](mailto:rwebb@scana.com).

So even if you don't track or race your car - there are lots of things going on during the weekend and we'd love to see as many people as we can at the event. In keeping with the Halloween theme we will have our own version of trick-or-treating for the kids in the different paddocks - the drivers will have a chance to compete for the best decorated car and/or paddock so come out and enjoy Halloween - club racing style.

For those of you that are interested in getting more involved in the event, we are looking for volunteers to help with the running of the activities. If you can and want to help with ANY of the three days (Friday, Saturday or Sunday - and it doesn't have to be all of them) we would love to hear from you.

Please contact either Sandy Liles at [Sandra.Liles@sedgwickcms.com](mailto:Sandra.Liles@sedgwickcms.com) or Nadine Saville at [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com) for additional information.

but generous donations are requested. I thought I knew the state well, but nearly every one of the 54 routes to visit were unfamiliar to me. Historically speaking, you're likely to discover untold adventures as you and your loved ones seek some key places in our state which are all "off the beaten path". Many of the roads themselves are quite short, but the local features will likely make the entire trip experience worthwhile. I've also included a similar link with some very compelling information on it for all of you in the SC area, although I didn't see a book listed, per-se.

In North Carolina:

[ncdot.org/travel/scenic/default.html](http://ncdot.org/travel/scenic/default.html)  
or call: 1-877-DOT-4YOU (368-4968)

In South Carolina:

[discoversouthcarolina.com/see-do/scenic-highways/default.aspx](http://discoversouthcarolina.com/see-do/scenic-highways/default.aspx)  
or call SC Visitor Information: (803) 734-1700 or tollfree (866) 224-9339

Start planning now to allow plenty of time to receive any materials you may want, as the book may take a month to receive since the demand will soon be high. As always, for those of you who may not be computer savvy, call me if I can be of any assistance via my number listed with the other board members.

**Yours in the pursuit of Porsche excellence =)**

## From the desk of your Historian/Archivist

Dave Wilburn

Hello dear friends

Now that August is upon us, you'll be trying to squeeze in late-summer activities, but perhaps you'd like to look ahead to the upcoming wonderful opportunities for making full use of your Porsche afforded by our impending autumn season in the Carolinas.

Not long ago, I happened to find a great road-trip resource, perfect for day/weekend trips in the state. It's a clever Scenic Byways book put out by the NCDOT, and it's available for free,

## Attention All PCA Members! We're Celebrating our 50 Year Anniversary with a Regional Tour!

That's right. We will be doing a driving tour of the entire Region the weekend of August 20th-22nd with stops in each Area showcasing the diversity and hospitality of each. There will be plenty of fun and gearhead camaraderie along the way.

For those of us not living in the Triangle Area the tour will begin the evening of Friday, August 20th with an overnight stay at the Embassy Suites in Cary, NC. The tour will then start from the parking lot of the Embassy Suites the following morning, Saturday August 21st.

From Cary (Triangle Area) we will drive to the Rockingham Dragway (Sandhills Area), where we will have a group photo op. We will then continue on to Charlotte (Metrolina Area) for lunch. No naps allowed after lunch though! We then scoot down to Columbia, S.C. (SunFun Area) for a catered dinner at Gary Pennington's Garage. We have a room block at the Columbia Embassy Suites for those continuing with us the following morning.

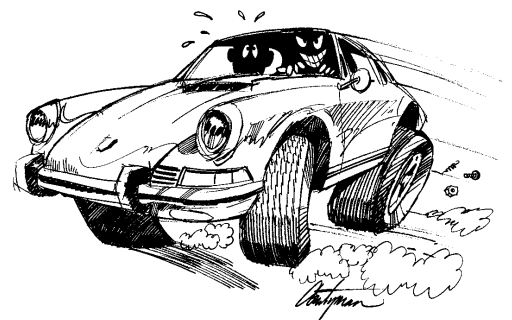

After breakfast Sunday morning we will depart for Spartanburg, S.C. (Upstate SC Area) for a brief stop and water break, from there we'll continue on to Asheville, N.C. (Mountain Area) for lunch.

Then it's on to Hickory, N.C. (Hickory Area) and a stop at Heritage Motorwerks to see their shop and to view part of the incredible Drendel Collection. After viewing the exhibit there we'll drive forward to Greensboro, N.C (Triad Area) for a banquet hosted by Foreign Cars Italia.

Keep in mind that you do not have to drive the entire route to participate. If you just want to drive one or two segments along the way that is great. We just want as many people in the Region to participate as possible, no matter how long you can stay with us.

Further details and a Registration Form is available on page 13 in this issue of Tobacco Roads and by email blast.

## Driver's Education Report Text by Brian Powell, Photo by Jerry Kilcrease

A hearty 82 participants visited Virginia International Raceway for our first Summer Scorcher held on July 12th-13th. This was a Carolinas first, a weekday Drivers Ed event. Since the turnout was slightly lower than usual, we were able to give even more track time to everyone. While highs were in the upper 80's, no one complained. Even a hot day at the track is better than a cool day at work. Everyone took the necessary precautions to deal with the warmer weather. The biggest casualty was Robert Bouknight who broke a suspension bolt. He searched Danville to locate on one Tuesday morning and was back on track before the day was out. Lucky for Rob, it was a weekday otherwise he probably would have been down for the event. We welcomed a number of visitors to the event; Peachstate, Connecticut Valley, Shenandoah and Kentucky regions were well represented, just to name a few. Although it was T. J. Gottwalt first visit to VIR, he jumped right in and instructed at the event. Since he's recently relocated to the Triad area from Connecticut Valley, its now a facility he hopes to visit often. Welcome T. J.

Our next event is our Fall return to CMP. We'll visit the familiar 14 turn, 2.25 mile course on September 11th and 12th. Registration is open online. Event fees will be \$240 for PCA members, \$280 non-members and \$100 for instructors. Registration is open and online at the region website. We will be using direct payment via credit card instead of passing online payments through PayPal. Also, remember all tech inspections must now be done by an approved shop. The list of approved shops is posted on the region website.

Close on the heels of the September date, will be the DE group run in conjunction with the Club Race over Halloween weekend. Instructors are not available during the Club race weekend, so you must have previously solo'ed at CMP to participate in the Club Race DE. This run group will have track sessions separate from the Club Race groups. Registration will open around the first of September.

Our neighbors, Hurricane region is also hosting a DE at CMP on August 14th and 15th. More information is at <http://hur.pca.org/>

For any questions on these or any other track events, please contact Brian Powell, [driversed@carolinas-pca.com](mailto:driversed@carolinas-pca.com) or Nadine Saville, [clubrace@carolinas-pca.com](mailto:clubrace@carolinas-pca.com)

## Waxing Tips & Tricks By Mitch Moschetti

For wiping and buffing out wax, take a square 100% cotton cloth (I use the ones from Griot’s Garage, they’re 19” x 19”) and fold it into sixteenths. In other words, fold it in half, alternating direction, four times until you have a thick, soft pad approximately 4 1/2” square. Use one side to wipe the excess wax off about a 2-3 sq. ft. area, then flip it over to buff it out. Use that side- which will have very little wax on it- to wipe the next section. Refold to expose the next two faces. Buff the wiped surface with the new clean face, then use it to wipe the next. Keep unfolding, refolding, wiping, flipping, & buffing until you’ve used all sixteen squares, then refold it to use the other side of the cloth in the same fashion. You’ll have a total of 32 clean, neat surfaces to work with. For me, that’s enough to do my

entire car with one cloth! Your mileage may vary depending on how heavily you apply wax. At \$15 for a ten-pack from Griot’s, I don’t even bother trying to wash\* them- I just throw it away. The constant search for a clean section of rag is over, as is using a dozen of them for one job.

*\*However, if you want to wash your wax cloths & pads, I recommend buying a gallon of methanol (Methyl alcohol) from any home center and rinsing them out in a couple buckets- one for first cleaning, another for final rinse. You’ll be amazed at how clean wax-caked pads & cloths come out (and your spouse won’t kill you for leaving wax residue in the washer & dryer!). Wear rubber gloves and be sure to dispose of the alcohol properly- (not down the storm sewer).*

## A Good Time Was Not Had by All

Last year I proclaimed I would not race at VIR in the hot summer, well my lust for speed overcame my better judgment – again. So, Dick Lane , Mike McMenamin and I went to VIR. Well not quite, Dick had a nasty run in with an 18 wheeler on the way to meet us in Blythewood. He was passing the 18 wheeler when, uh, their trailers touched and Dick ricocheted into the median, trailer on its side. Dick was ok, racecar ok, trailer and Tahoe – not.

Mike and I made it to VIR around 4:30, met up with the Autometric and PCA guys and hoped for cooler weather. Friday morning we went out for practice, old yeller ran fine but Mike was having trouble shifting his 911. We adjusted the clutch but that did not help. Gordon Friedman of Autometric's fame, diagnosed the problem as a broken clutch disc. So Mike became a temporary spectator. Mike and Gordon talked and made plans to replace the clutch disc that evening.

I went out a couple of more times and ran the fun race that afternoon. Since my 911 is in the slowest class (I had the only B car there and was an automatic class winner, regardless) I had a heck of a time not finishing last, however I was able to move up during the practice starts and hold my own. Not very good for your ego but I was racing! I was not the only one to have troubles, the heat got to Bill Scarbrough who required medical attention.

Mike, with the help of two Autometric mechanics, was able to drop the 911 engine/tranny and replace the clutch disc in about 3 hours. By the way Mike is an accomplished mechanic and owner of Complete Car Care in Columbia. His shop works on all cars, give him a try.

Saturday blooms hot as Hades and we have practice, qualifying, and two races to look forward to. Mike tries out his 911 and everything is working. My 911 had been reluctant to start when hot so I cross my fingers that it will last. After a night's rest it does crank and I am able to get in practice, qualifying and the first race. Well some of the race; my left rear tire got a puncture on the third lap at the top of the ess's and provided me some excitement going into the oak tree turn . I spent the next half hour parked, roasting in my car! I was not by myself, Mike Branning spun hard damaging his battery and also ended up sitting the race out. Mike M had a great run winning his class and finishing 5th in our group. (45 cars).

I was towed back to the pits, the car would not crank. I was done!! I put on the spare and loaded up for home. I got home in time for a great Saturday night steak dinner and movie with Kathy.

Mike won his class in the second race and also the enduro on Sunday. Other Carolinas guys making the podium were Chris Brown, Duncan McPherson, Jimmy Martin, Doug Roach, Andy Hansen, Kevin Boehm, Brandon Sick, and Gene Kendrick.

A good time was not had by all but it beats golf!

# Rennfest – Labor Day Weekend in Georgia

Please join us for the Peachstate Region's "Rennfest" multi-event weekend at Brasstown Valley Resort in the beautiful and cool north Georgia mountains.

We pack a concours, an autocross, an RC autocross, a rally, and a tech quiz competition all into one action-packed weekend. Rennfest is a great opportunity to enjoy old Porsche friends and make a few new ones too. We welcome other PCA Regions to join our friendly competition.

Included in your \$125.00 per person registration is our hospitality suite Friday evening and Saturday, dinner Saturday evening, and the "Awards Banquet" Sunday evening. Registration also includes all those multi-event activities that you choose to participate in. Brasstown Valley enjoys beautiful mountain weather this time of year. Brasstown offers golf, biking, hiking, sightseeing and all the mountain activities you care to squeeze in around our Porsche events.

Mark your calendar, and contact Brasstown Valley reservations at 800-201-3205 and tell them you are with Peachstate PCA. You will get the special room rate of \$112.00 per night with NO resort fee. Reserve your room by August 3 to take advantage of the special rate. You can see the resort at [www.brasstownvalley.com](http://www.brasstownvalley.com). The event registration form is at [www.peachstatepca.org](http://www.peachstatepca.org).

We look forward to seeing you there.

# Area Updates: August 2010

## Hickory Area By Vincent & Vallie Piccirelli

Greetings to all, from Hickory.

What a great turnout we had Tuesday evening with 25 in attendance! Special guest Lynn Friedman, president of the Lone Star region was passing by (driving from Boone) saw the cars in the parking lot, from the highway, and stopped in for a visit. We all gathered around the fire place for a group shot.

We are really looking forward to the Fall Tour and hope that you will consider this event, especially if you have not been to Charleston for a while. The date is October 9th & 10th. Please see page 28 for the registration information.

Black Forest Garage will be hosting another Tech Session on November 13th. This will be another fund raiser and we hope to see you there. I plan to prep my Car for the November DE. We meet at 10AM and go till 2pm. I'll have a flyer in the next TR.

November 20th we plan to participate in the "Kitchens & More" Charity event that will feature exotic cars, which we hope will include your Porsche! The money will support several local charities and you get to choose your charity, from their list. We will have more info in the next report but please mark this on your calendar.

### **For something a little different:**

Bryson & Kathy Kiser participated in a Quilts Trails tour and recommended it to everyone. Check out: <http://www.quilttrailswnc.org/> Note: They are having a Fall Road Rally: Saturday, Nov. 6, 2010. Registration for the Fall rally is in September. Invite your friends, load up your car! \$35 per car. For more information, call 828-682-7331.

Any questions please call Vallie or me @ 828-781-8352/8332  
Ciao!

Vincent & Vallie Piccirelli

## Metrolina Area By Don Morris

July was our 2nd monthly meeting at Maggiano's Restaurant in South Park, a great Italian eatery. We will continue to meet there the 3rd Thursday of the month at 7PM. We had 38 people at our meeting at Maggiano's and the food and accommodations were great, but we were not in a separate room. No one could hear me, so maybe that was a good thing. Zack Ruffing from Carolina Sports Car gave us a presentation about his shop. The restaurant has obtained the valet parking area as the Porsche Platz Parking. Folks gathered around to admire all the Porsches parked together.

The July 12/13 Monday and Tuesday VIR DE had several Metrolina participants and was a good event. The attendance was down, which made for smaller run groups which was nice, although it hurt in the Club's pocketbook.

Salsarita's Restaurant at Quail Corners 8600 Park Road is sponsored a judged Shine and Show Saturday, July 17 from 11-2. Harvey offers the winner a free meal. These shows will continue to be held on the 2nd or 3rd Saturday of each month. Watch your email or contact me for specific dates.

All Tune and Lube, located at 1046 Regent Parkway in Fort Mill, just off US21 south of Carowinds exit, is offering an open garage night the 2nd and 4th Tuesday of each month at 6PM. They offer free inspections and lift time for tire and brake pad changes, etc. They also will be grilling dogs, brats, burgers etc.

Cars and Coffee meets the 1st Saturday of the month at 8:30am in the Panera Bread parking lot at NorthLake Mall for show and conversation. There are usually over 100 cars there. Check it out.

Two new Drivers Ed approved inspection shops have been added in the Metrolina area. They are GMP Performance on Presley Road in Charlotte, and All Tune and Lube on Regent Parkway in Fort Mill SC.

The Charlotte Knights Stadium parking lot has been secured for an autocross on Sunday September 19. Mark your calendars.

Respectfully submitted.

- Don Morris

## Mountain Area By Jim Peterson

Still coming down from our Porschefest 2010 high...

We had a nice turnout of 26 at our 7/10 meeting at Deal MotorCars where we took a look at the new 2011 Cayenne S (nice interior!) and had a short business meeting before our dine and drive. A number of new/recently joined members were in attendance including Mike and Mary Morgan, David Violett, Judy Butler, Dennis and Carol Oakley, Rick Merl, and David Fish (if I forgot someone I apologize,) – welcome to the Mountain Area and the Carolinas Region of PCA! We are glad you decided to join us. Please don't hesitate to get involved and share your ideas and suggestions with us - remember, it's your club! On 7/10, after a drive on some twisty back roads and the Parkway we had lunch and a visit at Marco Trattoria in Brevard – a nice spot for a gathering.

August 6-8 is in den Bergen in Waynesville, NC at the Waynesville Inn Golf Resort and Spa. Ron Becker has led the charge in developing a great event at a beautiful venue in the mountains of WNC. Hope you plan to join us there.

September 11 at 10 am at Stuttgart Motorwerks in Hendersonville, NC (798 Old Spartanburg Hwy., 828.694.3510.) we will have a Porsche tech session led by Pete Martin, owner of Stuttgart Motorwerks. After the tech we will have lunch at Haus Heidelberg in Hendersonville and may take a look at an Ohlins shaker rig demo nearby.

October 2 – 10 a.m. meeting at Deal MotorCars followed by a drive and dine to Lake Lure and the surrounding area. Scott and Sue Jordan are taking the lead on this event. Thanks folks!

November 6 – Al and Beth Aldecoa, who have recently relocated from Orange County CA, have offered to help plan an event for our November meeting. Stay tuned for details, Al and Beth have lots of enthusiasm and ideas.

That's the latest update. Don't forget to check the Region Calendar in Tobacco Roads and on the website at [www.carolinas-pca.com](http://www.carolinas-pca.com).

Hope to see you at a future event.

– Jim

## Sandhills Area By Marty Barrett

On June 26 we had our first local tech session at Sports Leicht Restorations (SLR) in Pinehurst. We had eleven Sandhills folks attend. The subject focus was care, maintenance and restoration of leather interiors and cabriolet tops. SLR originally did restoration projects on 1950-1970 Mercedes and Ferrari models, but they have expanded into Porsche and other makes as the market has softened. They were working on complete restoration of a 1958 Mercedes 300SL Roadster and a 1962 Ferrari 330 GT; and they just finished a partial interior restoration on a 1982 Porsche 911 SC... beautifully done! They discussed

the restoration process, showed us their work and the different leather materials and products they use and recommend. One helpful hint was the use of Lexol products on older interior – use liberal amounts and let it soak into the leather for a couple hours before buffing.

Our next event is on August 4 at a CMP track day. We have been working with CMP and Palmetto Motorsports Club to host a track day for soldiers from Ft. Bragg who are recovering from injuries suffered in Iraq and Afghanistan. It looks like we will have 25-28 soldiers. They will get a classroom orientation, tech session, kart track demo, parade laps and hot laps with instructors. Photos and T-shirts are also part of the program. Recently, you may have heard of PCA's HOT (Heroes on Track) program. Our event was organized before we knew about HOT, but we may work with them in the future in conjunction with regional DE events. PCA/HOT will be hosting events at CMP and Roebing later this summer.

Plans are in the works for another Cars & Coffee with Triad Area, and a second tech session later this summer. The next dinner meeting is July 27 at Italian Table in Seven Lakes. We will have some guests with Corvettes at our dinner. They are considering forming a local club and want to use Sandhills Area PCA as a model.

## Triad Area By Jerry Kilcrease

The thunderstorms moving through the area kept a lot of the folks from driving their Porsches to the July monthly meeting at The Box Seat in Greensboro, however, the rain did not keep the members and guests from showing up. We had a nice group of 46 members and guests in attendance and we were especially pleased to have Bob Kim, the new director for the Triangle Area and Kathy and Bryson Kiser from the Hickory area visit with us. Eugene Reeves is back in town from China and he and Janet also made it to the meeting. Ron Reed showed the group photographs on the overhead projector taken at Parade 2010 St. Charles and Sadie had the Goodie store set up. We were also happy to recognize Henry Tripp as a first-time attendee and to wish Rachel Powell a happy 16th birthday. It was a fun meeting; lots of information was passed on related to upcoming PCA events; folks had dinner and enjoyed the opportunity to visit and spend time with fellow Porsche enthusiasts. I also announced that we plan to rotate the meeting location

back to Big Shotz Tavern in Clemmons for the August, September and October meetings and invited all our Greensboro members and guests to join us.

### NEXT UP-COMING TRIAD AREA EVENT:

**Saturday, August 14th-Annual Swap Meet at SpeedWerks** - This event has really grown and still growing with lots of people set up to sell with a lot of members dropping in to buy. The swap meet will start at 8am and the folks at SpeedWerks will provide a free BBQ lunch to all members and guest. Sadie will be there with the Carolinas Region PCA Goodie Store so you can check out the new inventory along with the Carolinas Region 50th Anniversary items. There is no fee but you will need to contact Jerry Kilcrease at [jkilcrease@triad.rr.com](mailto:jkilcrease@triad.rr.com) for sign-up and space assignments. SpeedWerks is located at 6 N. Robbins Road, Thomasville, NC. Make plans to come by and join us!

**GIP (Girls in Porsches)** (Write-up by Sadie Kilcrease) - The GIP group will meet on August 5 at Southern Lights in Greensboro. The meeting will start at 11:15. Mark your calendar and come out for fun, food and fellowship. There are some great shops in the area so we may be able to also squeeze in a little shopping. Look forward to seeing you there.

### PAST TRIAD AREA EVENTS:

July 3rd-9th-Parade 2010 St. Charles- This year Parade was held in St. Charles, Illinois, and several of the Triad Area members attended including Charles and Emily Branch, Ron and Tanya Reed, Jerry and Sadie Kilcrease, Dave and Fran Lumpkin and Earl and Lindy Rowe. It was a fun week; lots of nice cars at the Concours, a two day autocross, rallies, seminars, banquets and other activities all week long. Congratulations to Dave

and Fran Lumpkin for placing 3rd in class in the Concours with their Boxster S. Fran also placed 3rd in her run group in the Autocross with the Boxster S and Earl Rowe also participated in his Cayman. It was a fun time but the two day drive up and back was a little tiring. Next year Parade 2011 is scheduled for Savannah which is much closer so we can all start making plans now to attend.

July 12th & 13th (Monday/Tuesday)- VIR - The Carolinas Region held a Drivers Education Event at VIR and over 80 drivers were signed up to participate. As expected, it was a little warm up there but most of us managed to find shade and stay cool. Sadie was there with the Goodie Store and while it was a smaller group than normal at this event, we noticed quite a few new faces there and most of them stopped by and made a purchase. It was a good event, Brian Powell, Marty Barrett, Jim and Robin Hecht and all the rest of the Drivers Education volunteer team did a great job. The next Drivers Education event will be at CMP on September 11th & 12th. Registration is open so if you would like to participate, now is the time to sign up.

**FUTURE TRIAD AREA EVENTS:**

October 23rd (Saturday)-Oktoberfest- We will hold a Carolinas Region Autocross Series event along with a people's choice Shine and Show. Oktoberfest is hosted by Foreign Cars Porsche in Greensboro (Details later).

December 4th (Saturday)-Carolinas Region Holiday Party-Hosted by the Triad Area. Details and Registration information later.

**LOCATION CHANGE - LOCATION CHANGE - LOCATION CHANGE**

NEXT TRIAD AREA MONTHLY MEETING: TUESDAY, AUGUST 17TH, AT BIG SHOTZ TAVERN IN CLEMMONS - We will rotate the meeting location back to Big Shotz Tavern for August 17TH, September 21ST and October 19TH so please mark the location change on your calendar. The meeting starts at 7pm; we will have a short business meeting, then dinner and fellowship. Sadie will be there with the Carolinas Region Goodie Store so please come join us and enjoy the fellowship with other Porsche enthusiasts. Here are directions: heading west on I-40, take Hwy #421 exit; then take the Lewisville-Clemmons Road exit; at the top of the ramp, take a left back over Hwy #421; at second light take a right onto Styers Ferry Road and Big Shotz Tavern in on the right just behind Rite Aid Drug Store. Note that if you use your GPS, please be careful as there are two River Roads in this area.

## Triangle Area By Bob Kim

It is my privilege to be the new Triangle Area Director. Scott Holcomb (the former A.D.) and I have talked at length about the area's last year, and the region is ready to finish this year with plenty of opportunities for socializing and some great activities. I look forward to meeting all 120+ members of our beautiful region.

It's my vision that we create every opportunity and medium for communication so our events are inviting and fun. Scott set up a great Internet blog for the Triangle Area (<http://trianglearea.wordpress.com>) that we will continue to use to post the latest communication to our members. The Wordpress site is only for Triangle members to see the latest communication and provide feedback instantly. It does not take the place of the National or Carolinas PCA site/calendar - we'll keep those fully up-to-date.

In addition, I recently set-up a Facebook page for the Region. As of July 18th, we have 27 friends (members of the Triangle Region) after only 48 hours of operation. The response has been quick and supportive. The purpose of the Facebook page is to provide our members with the opportunity to get to know one another even if they are unable to attend a meeting or event. Facebook allows all of us in the region to see each other and learn a little about our personal lives, which will make our

events far more inviting than having to muster up the courage to meet a room full of strangers.

If you're a Triangle member, and you have any concerns about Facebook privacy or complexity, please contact me so I can tell you about their privacy settings. If you're interested, I'd be happy to send you an e-mail invitation - that's the only way our members can join the Triangle PCA Facebook page.

### Monthly Meetings

We will continue to have our monthly meetings on the Third Thursday of each month. The location of the meeting is still being decided, but it looks like we're going to find a spot in either Chapel Hill or Durham. Almost half of our members live in those areas, and we have identified a couple locations that are within 20-30 minutes of many of our other members. The next meeting is August 19th from 6:30pm to 8:00pm.

I plan to also have a few meetings further out into the Triangle Region - maybe Hillsborough, Sanford, or Roxboro. Every member should have the opportunity to participate in the Club personally, and I would like to meet every member.

Our informal Saturday morning coffee gatherings will still be at the Wake Zone in Cary. Everyone is welcome - it's a great place and a great group of regulars.

### Tech Session - July 10th

First of all a huge 'Thanks' to Dell and his wife for letting a group of us once again use his lift/equipment and take up so much of his free time on a Saturday. Also, a big thanks to everyone else who helped with the tech session. Several participants came from the Saturday coffee gathering, and a few more guys arrived at the tech session. We had a terrific turnout for the event.

The group was unable to do all of the work they had planned to do on the 964 Targa because of the hot weather, and the concerns they had about damaging any of the brake lines and the rotors. They had the right tools to remove the lines at the brackets - they were using the appropriate flare nut wrenches. But the fittings at the brackets just seemed a little too reluctant to give.

In the end, they did a complete flush of the brake fluid and installed new pads.

### Carolinas PCA Drivers Ed at VIR - July 12-13

Five of our Triangle members attended the DE at VIR and they had a fantastic time. Dell (our Carolinas Region Senior Instructor), Scott, Charles, Mark, and George had both wet and

dry conditions during the 2 day event. They had the opportunity to run with cars like the beautiful 997 GT3 RSR that is in the photo behind Dell's 996TT.

The first 30-45 minutes will be spent reviewing the features of one of the brand-new Porsches. The remaining time will be spent installing OEM short shifters into 3 Porsches. The cost of the equipment has been discounted to \$425, with no labor charge for installation.

Several members, including me, are preparing to register for one of the great DE events in the Fall. If you're a Triangle member and you haven't tried a DE before, please be sure to reach out to any of the members who have and we'll be happy to tell you all about the experience. It's more fun than you can imagine, and very safe (thanks to the instructors and the track).

### Monthly Meeting on July 15th at the Wake Zone

A small group of Triangle members met on the 3rd Thursday of July to discuss the transition of the Area Director role, as well as past and future events. I had the opportunity to explain my perspective regarding the A.D. position, and emphasized how important I feel it is to have our members participate in the planning and execution of our area events. No Area Director I've met thus far has done it all themselves – they have a great group of members who use their creativity, people skills and Porsche-passion to put together a calendar of fun events.

We also had a chance to discuss the many opportunities there are for our members to network with other members to learn more about their Porsches and the fun they can have through the PCA. It was during that discussion where the idea for the Triangle PCA Facebook page was spawned.

### Upcoming Event – Tech Session, August 28 at Leith Porsche

The next event in our Region is the Tech Session on August 28th from 9am to 11am or Noon. It will be hosted by our great partners/friends at Leith Porsche. A light breakfast will be served (bagels, coffee, Danish, etc.), compliments of Leith.

If anyone wants to attend, please e-mail me directly and let me know if you'd also like to be included in the drawing for one of the three short shifters. Three names will be announced on the morning of the Tech Session.

### Future Events

We have a few great events that we're working on now, with more details to follow:

#### SOCIALS

BBQ Run on August 7th; day trip

Charlotte Cars & Coffee / Meet & Greet; Fall 2010

## Upstate Area By Gene Kendrick

We continue to have a very strong turnout for our monthly area dinner meetings at Quaker Steak and Lube. There were 62 members attending the June meeting which featured a Porsche Maintenance discussion led by Bill Gerwig of Protech Motorsports. The questions were wide-ranging and stimulated good interaction with the members. Our group enjoys protected Porsche-only parking at the restaurant as well as cheerful prompt service by the wait staff. We are able to show member event photos via television monitors scattered around the meeting room.

We anticipated a lighter turn out for our July meeting as it occurred on July 5th during the holiday weekend. We did have 34 members who remained in town to discuss the various volunteer tasks to be undertaken in support of the upcoming July 24 Regional Summer Barbecue party.

We were well represented at Parade 2010 with the Galloways, the Johnsons, and the Hoffmans attending. The Galloways, Johnsons, and Paul Lueskow attended the Carolinas Region PorscheFest 2010 event. The Upstate had 4 racecars and 9 members travel to the Zone 2 Club Race at VIR this June 24th through June 27th. The group returned to the Upstate with several overall race wins and numbers of 1st in class awards. Everyone in the traveling group is planning to attend the upcoming Carolinas Region Club Race. The racers have been actively soliciting racers from other regions to come and support the event.

The Drivers Ed program generates the most questions and enthusiasm from the brand new members we are attracting on a monthly basis. I believe we will have a large contingent traveling to the upcoming September Carolinas Region DE at CMP.
