Harvey Yancey, President

## PCA Hospitality and the 50th Anniversary Tour

One of the more interesting aspects of my trip to Seattle in July was my visit to the Pacific North West Region's Summer Picnic. I had contacted their President, Eric Breidenbach, and Vice President, Pete Olson, prior to my trip and found out about the picnic. They cordially invited me out and even arranged for two of their members (thanks Delores and Bill) to pick me up at my hotel in downtown Seattle, even though the picnic was some 30 miles west of downtown Seattle.

And true to form my plane was late getting in. Once on the ground I called Delores and told them to go on without me since I was running way late, but they would not hear of it. Once I arrived at the hotel they picked me up within 15 minutes and we were off to John McDonald Memorial Park in Carnation, WA.

I have been to Seattle many times in my career at Microsoft but the beauty of Seattle and the surrounding area never fails to impress. I sometimes wish that I had pursued a position at our headquarters in Redmond, but with the roots I have here in Charlotte that time has passed ... unless a really great position came open I guess.

Upon arrival I was struck by the perfect setting of the park and the cars competing in the Concours. The cars were expertly lined up with examples ranging from vintage early 911's to a new GT3 RS. Eric told me that they had intended to let me be a judge at the event (wow!) but luckily they decided to move forward when my presence started looking less than likely.

The dining area was inside a traditional 'red barn' which was spacious and fully stocked with a great combo of food, which I was able to sample even with my late arrival.

I ran into several people that I have met at Parade's over the years, including ours. It was really a treat catching up with them all. I started stumping for the 2011 Parade

in Savannah but that is a L-O-N-G haul for PNWR members. Many were talking about the 2012 Parade to be held in Salt Lake City though. BTW - All that attended our Parade in 2008 were still very complimentary of the job that our Region did.

After the Concours Awards were handed out and the requisite pictures taken, the majority of the crowd started heading out. However, many stayed and chatted for over an hour asking about our region and things we are doing. We did a lot of comparing notes since our regions are almost identical in membership size. Both our Regions have a lot of similar challenges.

All in all it was a really great experience and is a clear example of why visiting events in other regions is so rewarding. Thanks again Eric and Pete!

## Now onto our Region!

This past weekend (August 21-22) was our 50th Anniversary Tour. While there will be a full write-up in the October edition of Tobacco Roads, I wanted to reach out and thank John Meek for his leg work and Sandy Shirley, SunFun Area Director, for coordinating and putting together a really great event.

My original plan was able to participate in the entire Tour, however due to business and family obligations I was only able to join the Tour from Rockingham to Columbia, but even that relatively small section of the tour was packed with some pretty exciting opportunities.

I left Charlotte around 8:30 and joined up with the caravan coming in from the Cary launch at the Rockingham Dragway (across the road from the old Rockingham Motor Speedway). Upon arrival I had a flood of memories from my childhood as my Dad took me to the NASCAR races at Rockingham from age 10 to about 16. One of the funniest things I remember was that my Dad and his friends always brought a cooler larger than the track rules allowed, which always put the security folks into a tizzy, but their solution ... they had a ticket for the cooler. Never failed to work.

Upon arrival I was directed to the Tower to meet Steve Earwood, owner of the Dragway. Marty Barrett, Regional Chief

Instructor, had worked with Steve before on previous events held there (ever seen a GT3 in a drag race?). Steve was more than accommodating to our group, even offering us some passes on the strip, which we declined due to time constraints ... and lack of spare half-shafts. And even though there was a Bike Drag event being held, he allowed us to take a group shot in front of the tower. As a side note, the bike folks were a bit 'wowed' by our cars and we were as 'wowed' by the performance of their bikes (one had hit 205 MPH the night before). Personally I prefer full harnesses and some sheet metal around me.

Leaving the Dragway, I took lead for the leg to Charlotte making a last minute adjustment to the route. Instead of taking Highway 74 all the way to I-485, I decided that it would probably be quicker to take an old route that I used to drive when I first moved to Charlotte, Highway 218. 218 runs from Polkton to I-485. It was much more scenic, provided for a few challenging corners along the way and had much less traffic than 74.

We arrived at our lunch stop, Mac' Speed Shop, about 10 minutes behind schedule due to an impromptu bathroom/gas stop about 5 miles from the Dragway. But since we were not leaving until 3PM we had plenty of time to eat and socialize. The food at Mac's was great as always (local Charlotte restaurant with some of the best BBQ around). Our caravan of about 13-14 cars was joined by about 15 other members, some intent on continuing the last leg with us.

Leaving promptly at 3PM we arrived at

Gary Pennington's Shop around 4:30. Holy Cow! Shop? More like Garage Mahal! My best description would be a 5,000 square feet, surgically clean, adult toy store complete with entertainment area. A monument to what every guy aspires to. And I won't even go into a discussion about the cars on display. Needless to say Gary's collection matches the structure in which it is housed. Unfortunately Gary was not there ... something about a race at Mid-America. I guess you have to have your priorities right?

Dinner was catered at Gary's shop by Doc's Barbeque and Southern Buffet. Another great choice Sandy!

It's currently about 10PM on Sunday night and I still have to pack for my trip tomorrow morning, so I will end my article here. As always if you have any ideas, comments or feedback please feel free to contact me at [president@carolinas-pca.com](mailto:president@carolinas-pca.com) or (704) 906-0343.

- Harvey

## Waynesville, NC Porsche in den Bergen.

Written by Jim Peterson, photos by Ron Reed

Congratulations to Ron Becker (Mountain Area member) and the staff of the Waynesville Inn Golf Resort and Spa for another successful Porsche "in den Bergen" which was held August 6th through the 8th in Waynesville, NC. The weather was beautiful for Saturday's People's Choice Concours which featured 52 Porsches on the golf course. Entrants included Porsches from as far away as Florida, Illinois and Tennessee in addition to a strong contingent from the Carolinas. Mike Greene walked away with the honors with his beautiful black 1953 pre-A 356.

Kip Newton, Technical Marketing Manager, Michelin North America conducted a tire tech session for an interested audience at the event. Martin Steger, Director of Club Racing, TRG (The Racers Group,) entertained the attendees at the awards banquet with his remarks about "Porsche in the old days." Martin's memory of participating in the race to get the initial twenty-five 917's completed and approved was particularly interesting.

A charity raffle raised \$2500.00 for Sarge's Animal Shelter of Waynesville, NC. Mario de Francisco won a certificate for a set of Pirelli tires and Jerry Kilcrease was the lucky winner of the Michelin tire certificate. And yes, Sadie and the Goodie Store were in attendance and did some brisk business during the events.

Beth and Al Aldecoa were the winners of the 2 person scramble golf tournament which was held on Friday 8/6.

Finally, thanks you to all the participants and hope to see everyone back again next year.

*The following description of the 2010 in den Bergen People's Choice Concours winning 1953 Pre-A 356 is provided by the car's owner, Mike Greene.*

**“The car spent most of its life in California. I've had the car for around four years. I striped the car and rebuilt or replaced everything from bumper to bumper. The metal work was done by Dave Miller at Copacetic Metal Shaping in China Grove, N.C. The paint was done by Jerry's Rod Shop in Marion, N.C. The upholstery is Auto's International out of Escondido, California. The engine is original to the car and was rebuilt by Tom Birch also in California. The trans was rebuilt by Sterling Vaden in Black Mountain, N.C. I did everything else which was to assemble all the parts. It's a very early '53, built in October 1952. Matching number car which make it very unusual. The color combo is, according to the cardex , the way it left the factory.”**

# From the desk of your Historian/Archivist

Dave Wilburn

This month, I'd simply like to tell you to mark down September 19th on your calendars. Why? That's because it's the 101st birthday of Ferdinand Anton Ernst "Ferry" Porsche, (Sept 19, 1909 - March 27, 1998) and you'll want to be certain to drive your car(s) on that day. Also, this is the 60th year since Dr. Porsche's cars have been available for sale to the public. That's a pretty big landmark! Here's a brief write-up that recently appeared in the New York Times, coincident with this year's Parade in St Charles, if you'd care to read a bit more.

# 8<sup>th</sup> Annual Summer BBQ and Swim Party

By Gene Kendrick, photos by Steve Russ and Jerry Kilcrease

The Upstate Area hosted the Annual Regional Summer Barbeque and Swim Party on July 24th at the Kendrick's house in Spartanburg. The 8th annual event was a great success with 43 Porsche cars competing in the informal People's Choice Concours. George Nolder and other Upstate members did a great job in organizing the groups, registration and voting process. First and second place trophies were awarded in each of 4 classes representing a broad spectrum of Porsche cars from the new Panamera to the two vintage Speedsters in attendance. It was great to have many Board members and members from other areas in attendance. A special thanks to Sadie and Jerry Kilcrease who always support the event, bringing the Goodie Store and offering many local members an opportunity to see and purchase Carolinas Region merchandise.

And the winners are:

- Group A (1999 through 2011 911s ) First Place was M.S. Martin with Paul Lueskow taking Second.
- Group B (1965 through 1998 911s and 912s) First Place was John Babinski with Eugene Reaves taking Second.
- Group C (Boxsters and Caymans) First Place was Rocky Watts with Kim and Marc Poquette taking Second.
- Group D ( 356,914,924,924,944,928,968, Cayenne and Panamera) First Place was Jim Phillips and Second was taken by Gale Galloway.

The Barbeque was catered by Southern Barbeque in Spartanburg. Our favorite DJ supplied the music and members danced and swam until late in the evening.

PCA members and Carolina Motorsports Park (CMP) hosted two track events in August for soldiers from Ft. Bragg. All of these soldiers are recovering from injuries suffered in conjunction with training for combat or wounded while deployed in Iraq and Afghanistan. Most of them are still on active duty, while several have been discharged but are being treated through the Veterans Administration hospital in Fayetteville.

The objective of these events was to share our passion for Porsches and track experiences with injured soldiers as a small way to thank them for their service and sacrifices for our country. We contacted the rehabilitation battalion at Womack

# Track Days for Wounded Warriors

By Marty Barrett

Army Hospital at Ft. Bragg and the Soldiers and Families Support unit to introduce the program and organize the track days. They were immediately interested and did all the work to obtain command, legal and administrative approvals.

Our pilot event took place on August 4. We had a small group arrive in a bus provided by Ft. Bragg. It was immediately clear that they were a little nervous and excited, and not sure what to expect....pretty similar to a novice student at his first DE! We put them through a classroom orientation, tech inspection process, kart track experience (three of them drove the karts), parade laps and they all went out for some hot laps with instructors driving. Carolinas instructors Steele Alpin, Gil Galle, Quinten Boatright, and Marty Barrett did the driving

and Chuck Mills, Larry Lassiter and Larry Wolff supported the other track activities.

CMP management and Palmetto Motorsports Club members provided lunch, track shirts, model cars and other track technical materials. The group leader, Tony Pugh (MSGT USA Ret.) and all of the soldiers expressed their appreciation and were very excited to share their track day experience with their fellow warriors. They filled their cameras with pictures of each other in Porsches!

Two weeks later PCA's Hurricane Region held another warrior track day in conjunction with their DE at CMP. John Ballentine chaired this event and called it HOT...Heroes on Track. The format was similar to the pilot, but several soldiers were permitted to invite a family member to join them. The word had gotten out at Ft. Bragg on the first track day and thirty-two soldiers participated in the second event. And, there was a waiting list of sixteen more. Their large tour bus (provided by Hurricane members) was met in Camden and escorted to CMP by the South Carolina Patriot Guard Riders. This is a group of military veterans who ride their motorcycles to events in support of all members of the US military services. It was quite a sight when the bikers and the bus pulled into the paddock area with all the PCA members and guests waiving and clapping for them. Several Carolinas Region instructors assisted Hurricane instructors with hot lap rides for the soldiers.

The day went very well; the soldiers, family members and guests had a great time. All of us felt pretty good about providing them a fun, exciting day as part of their rehabilitation and successful return to active duty or civilian life. Considering the interest expressed by the soldiers and the continued support expressed by CMP, Palmetto MSC and PCA members, more HOT events will be coming! John Ballentine is already working on a HOT event at Roebing Road in September. Google "HOT" for more info and to volunteer to help.

# Area Updates: August 2010

## Hickory Area By Vincent & Vallie Piccirelli

Greetings to all, from Hickory.

Our Tuesday meeting welcomed 4 new members and we had 24 in attendance!

We did some planning for a new fund raiser on November 20th we plan to participate in the "Kitchens & More" Charity event that will feature Exotic cars, which we hope will include your Porsche! We encourage you to sign up for this event by contacting me or Vallie.

Vallie & I just completed the Fall Tour dry run and found some great back roads to stretch our legs on. We ate at Poogan's Porch and the food was very good. Also some of us are booking an extra night so we can enjoy great food and sights at other locations, so please feel free to stay longer. We stopped at Folly's beach, which I hope to get back on sometime during our trip. The date is October 9th & 10th. Please see the TR for the registration information.

BTW: Special Thanks for financial support, for the Fall Tour to: Paramount Porsche of Hickory for \$1500, Carolinas Region for donation of \$1500, Black Forrest Garage for Pledging \$300,

Jem-Clean NCIICRC Oriental Rug Cleaners \$100, Newsome Tire Service, of Newton \$100 and Visions Photography by Colleen \$100. We really appreciate these businesses and hope you will support them.

Our next Tech Session is November 13th and Black Forest Garage will be hosting again. The cost for Lunch is \$10.00 and all proceeds go to charity, as they are providing the food. Last time we had an 8ft sub! You really don't want to miss this as they also have their mechanics on hand to help you with whatever you want to do. Be sure to see the flyer.

Jerry & Sadie will bring the Goodie Store in November so save up your Christmas money for those great PCA items. I highly recommend the rain jacket.

We are planning to have our area Christmas party at our home, for the December meeting. More details in the next letter.

Any questions please call Vallie or me @ 828-781-8352/8332

Ciao!

- Vincent & Vallie Piccirelli

## Metrolina Area By Don Morris

August was a month full of activities. I hope you participated in some of them and had an enjoyable time.

I send out one or two emails to Metrolina members monthly concerning upcoming events. If you are not receiving these periodic emails, it is probably because your correct email address is not in your PCA Member Record. There are 794 members in our Area, of which 204 are either joint members or have no email address. There are 60 email addresses that are kicked back as not deliverable. So if you are not receiving my notices and would like to, update your email address in your Member Record. Instructions are here in Tobacco Roads. Our Membership Chair sends me updates of the member roster monthly for address changes, new members, and expiring members, so it may take a while for your email address to be updated.

I recently purchased a used car hauler trailer and used it the first time to go to Carolinas Motorsport Park for the Hurricane Region Drivers Ed. Early Saturday morning, we got about 50 miles down the road and stopped to check the trailer and found one wheel bearing was busted big time. The wheel had not yet

come off and it had not yet caught on fire, but both were in my near future if I didn't do something. We limped a mile to a gas station, unloaded the Boxster, left the trailer, and made it to CMP in time for registration. We picked up the trailer on the way back and 3 wheeled it home with no car onboard. Ouch in the pocket book!

It was a good weekend at CMP, with the highlight being a Heroes on The Track event for 28 military active duty and veterans from Fort Bragg. Instructors took them on hot laps in their cars for a 20 minute session. It was supposed to be at slow speed, but it was an all-out red group pace. Everyone had a blast. We made the video TV news in Columbia. See the video at <http://tinyurl.com/HOT-HUR-CMP>. More of these are planned at other track weekends.

September includes a DE at Carolina Motorsports Park, and an autocross at Charlotte Knights Stadium in Rock Hill. If you haven't done one, bring your daily driver (non truck) and enjoy a fun and safe event. No prior experience required.

Keep the sunny side up.

- Don Morris

## Mountain Area By Jim Peterson

I'd like to congratulate Ron Becker on the successful Porsche "in den Bergen" event held in August, and thank them all for showing off the good things our area has to offer. Look for a feature article and photographs elsewhere in this issue of Tobacco Roads.

Next meeting: Saturday, September 11, at 10 a.m. - Porsche car maintenance and repair tech session by Pete Martin, Stuttgart Motorwerks. 798 Old Spartanburg Hwy., Hendersonville, NC. 828.694.3510. Lunch at Haus Heidelberg will follow the tech session.

Our Saturday October 2 meeting will be held at Deal MotorCars at 10 a.m. After a short business session we will embark on a drive and dine to the Lake Lure area and thereabouts. Sue and Scott Jordan have offered to lead the charge for this event.

Hope to see you at a future meeting or event.

## Triad Area By Jerry Kilcrease

The Triad Area PCA rotated the meeting location back to Big Shotz Tavern in Clemmons for the Tuesday, August 17th monthly meeting. We welcomed 44 members and guests including first time attendees John Kent and John Grenier. Special guests Scott Sturdy and Nat Arnold presented the group with a short discussion on the upcoming Euro-Classica to be held in Winston-Salem on September 11th. Scott and Nat also gave free passes to the event to several of our members. We also wished a "happy belated birthday" to Alan Pickett and to me as we both had birthdays in July. As always, Sadie was there with the Carolinas Region Goodie Store and Ron Reed entertained the group with recent PCA event photographs on the overhead projector. We had several door prize winners that included Mike Stinnet, Charles Ruppert and Robert Van Camp. Thanks again to all the members and guests that came out and we hope to see you again next month.

### Past events:

Saturday, July 24th-Carolinas Region Pool Party- Once again Gene and Paula Hendrick opened up their home in Spartanburg for the annual pool party, bar-b-que and people's choice car show. There were quite a few Triad Area members who showed up for the gala event that included Eugene and Janet Reaves, Dale and Jane Hewitt, Charles Ruppert and Sadie and me. Sadie had a good day with the Goodie Store except for the yellow jacket sting (take her advice and always check your drink cup before taking a swallow, especially if you are outside). When

the prizes were awarded for the people's choice concour, Eugene Reaves won first place in his class with his now famous early 911 named "Green Slime". If you have never attended this event you are missing a great time. This event is always lots of fun.

August 6th, 7th and 8th-Mountain Area PCA hosted-In den Bergen- Ron Becker, event Chairman, and his staff, along with the folks at the Waynesville Inn Golf Resort and Spa, did an outstanding job of hosting this event. The weather was perfect as those of us that attended enjoyed the cooler mountain air and found some relief from the hot weather. Ron planned a captain's choice golf tournament on Friday afternoon and on Saturday, held a people's choice concours with Porsches

lined up and down the #1 Fairway in front of the clubhouse. There were over 50 shined up Porsches in the concours event, ranging from a beautifully restored black 1953 356 to the new 2010 Boxster Spyder. The Triad Area was well represented with Stan and Peg Simm, Vince and Blanche Gallo, Frank and Karen Tullos, Charles and Emily Branch, Charlie and Linda Massler and Sadie and me. Stan Simm entered his 993 and Frank Tullos entered his GT2 but were not able to place in the winners circle. Charlie Massler and I played in the Captain's Choice tournament but were not able to win any prizes. But the Triad Area was not totally shut out as I was lucky enough to win a set of Michelin tires in the raffle. The awards banquet was great and while having dinner we were entertained by an authentic mountain music string band. This was a premier event, thanks again to Ron Becker and all the Mountain Area members.

Saturday, August 14 - Triad Area Annual Swap Meet hosted by Speedwerks- We had around 75 members and guests show up for the annual swap meet hosted by Speedwerks at their facility located in Thomasville, NC. We had quite a few "swappers" set

Our hats off to Andy McNeil and his parents, Steve and Glenda McNeil, for suffering in the heat to make sure that all of us enjoyed a free lunch with fresh hot dogs and hamburgers from the grill. It was a great outing and everyone had a good time and enjoyed the event. Save up your Porsche parts and join us at this annual event next year.

**Triangle Area** By Bob Kim

We had an active August in the Triangle Area. We've been working on developing communication among our members to build relationships and participation. The Triangle Area Facebook page that we launched in July has been a great way for our members to connect – not just within the Triangle Area, but also to the Carolinas Region Facebook page and web site, the national PCA web site/calendar, and our Triangle Area blog on Wordpress. The majority of our Triangle members are connected to information about what's going on – wherever and whenever they want to find it.

**August Recap:**

On August 7th, a group of 8 members participated in our BBQ Run. We had a BBQ run a couple years ago, and it was great fun. This year, we drove out to Wake Forest (outside of Raleigh) along some amazing roads that former Area Director Martin Salas knew. Thank you, Martin, for making it a really

fun journey to Holden BBQ. The friends, the drive, and the food were outstanding.

Several Triangle Area members and Cary/Apex Porsche enthusiasts participated in the Triad Area's annual Swap Meet at Speedwerks in Thomasville, NC. You can see from the photos that there were several amazing examples of Speedwerks expertise. They work on many makes/models, including Porsches. Special thanks to former Area Director Scott Holcombe for getting our group together, and to Jerry Kilcrease (Triad AD) for including us in this great event.

We had our monthly dinner and meeting on Thursday, August 19th at the Bean & Barrel in Chapel Hill. Seven members were at the meeting that was run by long-time Triangle Area veteran and good friend, Jeff Schiff. It was great to see new faces at the meeting. A large segment of our members reside in Chapel Hill. Thank you, Jeff, for welcoming the members while I was away. The review of the menu at the Bean & Barrel from our members

## Upstate Area By Gene Kendrick

Our regular first Monday monthly meeting was well attended by approx 40 members. We enjoyed good food and fellowship at the Quaker Steak and Lube Restaurant in Greenville SC.

Look for a report on the recently held 8th Annual Regional Summer Barbeque and Swim Party elsewhere in this issue of Tobacco Roads.

Our Area will be hosting the 50th Anniversary Tour rest stop in Greenville SC August 22nd. Walter Dennis has arranged for the Tour participants to visit the race shop owned by members Joe Hooker and Bob Humphreys. A number of the Upstate PCA racing community keep their cars in this facility.

We are expecting a large number of Upstate members to participate in the upcoming September Carolinas Region DE at Carolina Motorsports Park. Paul Lueskow will be debuting his new 944 SP2 race car at this event. We look forward to seeing everyone at the track in September.
